Every Man Jack Daniel L. Clubb, 2019-12-10 Being “Jack” is a reference to a well-loved man, invariably trustworthy, the first person you would talk to about anything. To be “Jack” is to be kind, compassionate, and caring. A “Jack” is insightful, honest, and well intended—the kind of man who embraces his manhood, always trying to be the best example of his gender. There is a discipleship crisis in the American church. Jesus’ model of discipling men is being ignored. *Every Man Jack* addresses this urgent need. The Apostle Paul wrote, “Be watchful, stand firm in the faith, act like men, be strong. Let all that you do be done in love” (1 Corinthians 16:13-14-ESV). *Every Man Jack* unpacks these qualities, equipping you to live your faith in God – as a man. *Every Man Jack* will guide you on the path to... Developing your private, inner and public spiritual life Loving yourself and those closest to you Understanding biblical justice, living it out in your daily life If you want to become a more decisive and positive influence in your world, this book is for you. The Meaning of Marriage Timothy Keller, Kathy Keller, 2011-11-01 “Incredibly rich with wisdom and insight that will leave the reader, whether single or married, feeling uplifted.” —The Washington Times Based on the acclaimed sermon series by New York Times bestselling author Timothy Keller, this book shows everyone—Christians, skeptics, singles, longtime married couples, and those about to be engaged—the vision of what marriage should be according to the Bible. Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that your spouse is there to help you realize your potential; that marriage does not mean forever, but merely for now; and that starting over after a divorce is the best solution to seemingly intractable marriage issues. But these modern-day assumptions are wrong. Timothy Keller, with insights from Kathy, his wife of thirty-seven years, shows marriage to be a glorious relationship that is also misunderstood and mysterious. *The Meaning of Marriage* offers instruction on how to have a successful marriage, and is essential reading for anyone who wants to know God and love more deeply in this life.

Handle with Care Lore Ferguson Wilbert, 2020-02-04 Though the Old Testament has a million rules for not touching certain things, and our culture tells us to touch anything and anyone we want, Jesus shows us a better way—in the New Testament, he touches, and he shows us that touch can be good, godly, and even ministering in our lives and in our churches.

Relovutionary Jonathon William King, 2020-09-18 “RELOVUTIONARY’ clearly demonstrates that Jonny King has something of value to say to the church in these days. I commend his book to you.” —Jeff Crosby, Publisher, InterVarsity Press/USA PHILOSOPHY FOR TRUE HUMAN FLOURISHING Each person without exception is desperate for flourishing. Every individual hungers and aches to live an expression of the good life. This compulsion inside is as automatic as it is intuitive. This general human longing reflects a common drive for meaning, and not just for the Christian. Still, most intimately know they can't entirely do life their way. Whilst the majority readily confess, they haven't the sufficient means, or even the necessary power. After all, look at what happens when a global pandemic shuts down life?! The fact we rarely arrive at contented satisfaction becomes life's own rolling stone. Do you have a present vision? Are you confident of the process? What about any worthwhile or ultimate goal? This living challenge becomes even more practically specific for the Christian. What if someone asked you for the content of a faithful and fruitful life for Christ? What would you say? Now factor in these challenging and confronting cultural times. How would you reply? After all, you sincerely love Jesus, and passionately want to live for Him, which means you're entirely motivated to offer something not only realistic, but true. But can you? The good news is that in your hands contain the opening lines, where RELOVUTIONARY intends to be your own personal guide. Volume One introduces this idea, setting the coordinates for the reader's unfolding navigation. The context is huge, only increasing any anticipation on this series' comprehensive value. This Is Your Life has been genuinely engineered for any curious reader wanting an answer to the absurdity of existence, and for every genuine follower of Jesus Christ, determined to live a life worthy of His calling. There is no greater promise or purpose than living for Jesus—no matter age, stage, time, or place—which means there should be no further reading delay. WELCOME TO THE LIFE: RELOVUXIONARY

The divorce rate is twice the rate it was in 1960, and in 1970, 89 percent of all births were to married parents. However, many young adults believe that these are the two main options: single and lonely, or married and bored. #3 The assumption that people should get married and be financially secure before they get married is false.
