One With the Tiger Steven Church, 2016-10-17 On September 21, 2012, twenty-five year old David Villalobos purchased a pass for the Bronx Zoo and a ticket for a ride on the Bengali Express Monorail. Biding his time, he waited until the monorail was just near the enclosure of a four hundred pound Siberian tiger named Bashuta before leaping into it. They spent ten long minutes together in the tiger's cage before nature took its course, with one exception: The tiger did not kill him. David's only response: "It's a spiritual thing. I wanted to be at one with the tiger." *One with The Tiger: On Savagery and Intimacy* uses David's story, and other moments of violent encounters between humans and predators, to explore the line between human and animal. Exposing what the author defines as the "shared liminal space between peace and violence," Church posits that the animal is always encroaching on the civilization —and those seeking its wildness are in fact searching for an ecstatic moment that can define what it means to be human. Using examples from Timothy Treadwell to Mike Tyson, or such television icons as Grizzly Adams and The Incredible Hulk, Church shows how this ecstasy can seep its way into the less natural world of popular culture, proving time and again that each of us can be our own worst predator.

The Night of the Grizzly ,2013 Description: Movie Press Kits.

Night of the Grizzlies Jack Olsen, For more than half a century, grizzly bears roamed free in the national parks without causing a human fatality. Then in 1967, on a single August night, two campers were fatally mauled by enraged bears -- thus signaling the beginning of the end for America's greatest remaining land carnivore. *Night of the Grizzlies*, Olsen's brilliant account of another sad chapter in America's vanishing frontier, traces the causes of that tragic night: the rangers' careless disregard of established safety precautions and persistent warnings by seasoned campers that some of the bears were acting funny; the comforting belief that the great bears were not really dangerous -- would attack only when provoked. The popular sport that summer was to lure the bears with spotlights and leftover scraps -- in hopes of providing the tourists with a show, a close look at the great teddy bears. Everyone came, some of the younger campers even making bold enough to sleep right in the path of the grizzlies' known route of arrival. This modern bearbaiting could have but one tragic result...

Ecologies of the Moving Image Adrian J. Ivakhiv, 2013-10-07 This book presents an ecophilosophy of cinema: an account of the moving image in relation to the lived ecologies - material, social, and perceptual relations - within which

movies are produced, consumed, and incorporated into cultural life. If cinema takes us on mental and emotional journeys, the author argues that those journeys that have reshaped our understanding of ourselves, life, and the Earth and universe. A range of styles are examined, from ethnographic and wildlife documentaries, westerns and road movies, sci-fi blockbusters and eco-disaster films to the experimental and art films of Tarkovsky, Herzog, Malick, and Brakhage, to YouTube's expanding audio-visual universe.

Television Western Players of the Fifties Everett Aaker, 2024-10-15 Modeled after the Mack V. Wright 1920 film version, the 1949 western television series The Lone Ranger made Clayton Moore's masked character one of the most recognized in American popular culture. Other westerns followed and by 1959 there were 32 being shown daily on prime time television. Many of the stars of the nearly 75 westerns went on to become American icons and symbols of the Hollywood West. This encyclopedia includes every actor and actress who had a regular role in a television western from 1949 through 1959. The entries cite biographical and family details, accounts of how the player first broke into show business, and details of roles played, as well as opinions from the actors and their contemporaries. A full accounting of film, serial, and television credits is also included. The appendix lists 84 television westerns, with dates, show times, themes, and stars.
