

# Sayings About Waiting For Love

**Dwight Goddard**

**Simple Sayings and Thoughts for the Mind, Heart and Soul** Joe Cervantes, 2016-06-08 Wisdom, knowledge, and understanding are similar to finding a treasure chest full of diamonds and nuggets of gold. How can anyone not take advantage of such an abundance of wealth? In the midst of so much confusion, one needs to take the time to believe that there is wealth in the word of God and from his people to overcome such daily adversaries. We are challenged in our everyday lives, but may you take that first step of faith living for God and in helping others with love where there is failure. I know many books have been written with different opinions and advice by different writers about God and life. As the author of this book, I've tried to give some simple wisdom and understanding in so many areas of our lives, making it simple to understand, of course, with some sense of humor. As one who goes alone through the maze of life, sometimes it requires us to learn quickly in order to find the key to the cross. So where advice isn't available, we are tempted, get off course, and learn the hard way, which gets more complicated if we become stubborn. Just like the whole armor of God protects every part of our spiritual and physical bodies, taking some good advice and motivation will help us progress as a child of God. For those who love to make things possible by taking advice, may this book help you to change your route and save you time. There are over six thousand thoughts of my personal sayings, which can be used as a text starter for a sermon or a conservation piece for inspiration. Please enjoy them; you've struck it rich with some great wisdom. Joe Cervantes.

Jesus As I Have Come to Know and to Deeply Love Him Larry V. Murphy, 2014-06-08 This book is very much about The Gospel of Thomas - that much-too-little-understood alternative gospel which the early Christian church condemned and banished into virtual obscurity for nearly 2000 years. But mostly, the book is about Jesus. Thomas's gospel acts as our guide as we go through the book delving into what the author feels Jesus is trying to convey to us. So much of that is about Awareness - Consciousness - of God's Kingdom as ever-presence NOW, the author contends. Above all, this book is about precisely that which the author wished to convey in the book's title: Jesus As I Have Come To Know And To Deeply Love Him. The author has come to know a very approachable and human Jesus, as well as a courageous spiritual and social rebel who faced-up to both Rome's Empire and the Jewish aristocracy without blinking. The universal love of Jesus was increasingly experienced by the author as the book progressed, deepening the author's own love for Jesus.

*Gospel of Divine Love - Revealed by Jesus* James E. Padgett (Medium), 2008-12-01 Can beliefs be healed that were created in error? Of course they can, and this is precisely why Jesus returned to give these messages to mankind. He did this in order to show the truths he taught 2,000 years ago. Yes, he did return; and rather than take time to show the many errors in the Bible, Jesus instead presents what he really said and meant. Read this book and investigate the central message of Jesus revealed anew today. The core teaching of Jesus is that it is the will of our Heavenly Father to give the great gift of His Divine Love. Learn what this means and how this love may change your life. This book is a new compilation of selected spirit writings from a larger collection generally known as the Padgett Messages. James Padgett received these messages between 1914 and 1920; and though they were delivered by the spirit world nearly a century ago, the reader will discover that they remain relevant and true today.

DIVINE LOVE - Transforming the Soul James E. Padgett (Recorder), 2008-08-18 This is volume two of 5 books. Altogether the books contain the messages received from angelic realms by means of automatic writing through the mediumistic work of

James E. Padgett between 1914 and 1920. They reveal information such as: the realities of the spirit and soul universe; the qualities and attributes of the Creator; laws of Divine Love and natural Love; qualities of Absolute Truth; understanding the human soul, spirit body and mortal body; soul progression on earth and in the spirit world; spiritual laws such as the law of compensation and the law of attraction; the two paths of spiritual development as first presented by Jesus in the first century, each path resulting in the purification of the soul, but only one path resulting in eternal progression, complete emotional bliss and immortality. The major theme of the basic principles governing the reception of Divine Love by the human soul is also covered.
