Be.You.Tiful sunita k. mani, 2016-10-14 Wouldn't it be awesome if you could have a conversation with someone about anything no matter how tricky the topic and still not be judged? Growth and conversations go hand in hand. Both represent each other. In a classical conversation, our aspirations, our thoughts, our sense of responsibility can all shift because we begin to perceive life differently after meeting different people. This allows us to arrive at new interpretations and choices that truly make greater sense and impact. As we dwell in a technology-driven era, our conversations are endangered because we have abandoned face-to-face conversations in the name of mere connections. If you are wanting, struggling, trying to find a place where you can learn and have conversations (even the hard ones), if you are ready to deepen your awareness, develop emotional flexibility, or simply tease your curiosity, this book is for you. In the book Be.you.tiful, author and counselor Sunita K. Mani offers practical guidelines on how to deal with everyday issues big or small, addiction, infatuation, career, body image, parents, friendships, and more. It contains chunks of conversations related to different aspects that define the life of a young adult. Divided into short crisp segments of dialogues pertaining to a concerned topic, Sunita journeys through the minds of youngsters. Sunita has helped many young adults search their souls and find their answers to complex problems and a way out of tricky situations. She presents Be.you.tiful to help young people build their self-confidence, dismantle inner obstacles, and find the courage to chase their passion.

The Chakras in Shamanic Practice Susan J. Wright, 2007-06-29 How to work with the chakra centers to heal unresolved psychic wounds • Reveals how psychic injuries become lodged within the energy body • Links one major developmental stage with each major chakra • Provides a detailed guide to healing and clearing the tensions each chakra holds The chakra system identifies eight centers in the psycho-anatomy of humans, each one associated with a different part of the physical or energy body. Susan J. Wright, a practicing shaman and Gestalt psychotherapist, uses her own life journey to show that each chakra also is linked to a different stage of emotional and spiritual development. In *The Chakras in Shamanic Practice*, she identifies eight key developmental stages of life, from birth to old age/death. Each of these life stages has various developmental challenges and potential traumatic events that will likely occur and affect the health and well-being of the individual. Wright explains that life traumas experienced in particular developmental stages become lodged within the energy body as they cling to their corresponding chakra. By identifying and working with the chakra involved, a doorway can be opened to a world of transformative images, allowing powerful shamanic techniques to heal these psychic wounds. Providing both physical exercises and guided meditations that utilize the techniques of soul retrieval, working with power animals, and transcending trauma, Wright offers practitioners a way to gather and nurture the fragmented parts of their energy body and lead themselves to physical, emotional, and spiritual well-being.

WE ARE GODS Joseph Ngoma , 2025-10-16

What does it mean to be made in the image of God? Why did Jesus declare, *"Is it not written in your law, I said, you are gods?"* (John 10:34, Psalm 82:6). Many wrestle with these words, often misunderstood, but within them lies a powerful truth about human identity, purpose, and authority.

In *We Are Gods*, Joseph Habimana Ngoma uncovers the biblical revelation that we are not God Almighty, but we are His

image-bearers—“small gods”—created to reflect His glory, exercise His authority, and fulfill His will on earth. This book explores:

- God’s original design for humanity in Genesis 1:26-28
- What it means to be sons and daughters of the Most High
- How Satan distorts human identity through lies and sin
- The restoration of God’s image in us through Jesus Christ
- The responsibility of believers is to walk in holiness, power, and love

This is not a message of pride or self-exaltation, but of humility and responsibility. To be “gods” is to be God’s representatives—ambassadors of His Kingdom—called to bring light where there is darkness and truth where there is deception.

If you have ever struggled to understand your spiritual identity, your authority in Christ, or your purpose in life, this book will open your eyes to who you are meant to be in God’s Kingdom.

Virtue For Victory Dr.Chandan Nanda,2020-07-30 Book Description - What separates the WINNER from the QUITTER?What turns LOSERS into LEGENDS?What wipes GLOOM and sweeps life with GLORY and GUTS?It is the attitude to never give up! Not everyone born on Earth is successful. Success comes to those who pursue their goal with persistence, purpose and dedication. They are the ones who can convert their dreams to reality. They never give up on their dreams, no matter what the odds are. Enriched with simple techniques and stories, this book is a practical guide to developing the attitude to stay strong, confident and committed in the journey towards achieving one's dream. Life matters because we exist within and among living things, as part of an enduring and incomprehensible chain of existence. In one sense, this book is a construction manual. It describes the tools you will need for success, and offers blueprints to help you build a successful and rewarding life. In a second, sense, it is a cookbook. It lists the ingredients the principles you will need to follow to become successful and gives you the recipe for mixing them in the correct proportions. But, above all, this is a guidebook a step by step, how to book that will take you from dreaming about success to "unlocking your potential for success".

Take Back Your Power, Take Back Your Life Suzi Obelisk,2019-07-11 *Take Back Your Power, Take Back Your Life.* (Overcome bullying for once and for all, with a practical 10-step holistic and positive approach). Volume 12. Awaken The Flow Books.... This book contains a practical 10-step holistic and positive approach to help you to overcome bullying, cyber-bullying, and on-line Trolls. Part 1 of this book contains general information about bullying. Part 2 contains the 10-steps, and Part 3 contains some examples and exercises. In this book we talk about staying safe, how to stop the bullying, what if the bullying doesn't stop, how to take back your power, and there's also a long list of suggestions for how to deal with cyber-bullies and Trolls. We talk about what you can do if you tell somebody about the bullying but they don't help you, or, if there's nobody to help you, and also, what if the people in authority don't manage bullying as they're supposed to. This book can help you even if you've been stuck in a bullying situation for a long time. This book is different because it also contains the mind body spirit approach in addition to the counseling approach, so there are extra ideas in this book to help you to overcome any

bullying situation. Overall, bullying is about power and control, and it is a form of abuse. This great book will help you to shut the door on bullying, and take back your power and take back your life, and overcome bullying for once and for all. This book is written in a conversational style just like this, so that it's easy to read, the same as my other books. Suzi's Quote: At some point, you need to say Enough. There comes a time when you need to draw a line in the sand, and say No More. That's when you take back your power. Bio: Hi, I'm Suzi Obelisk. I'm a happy, mind body spirit author of 12 self-help books, and I have many years of experience with counseling. This book is different because I was personally bullied, cyber-bullied by Trolls, abused, and also bullied so severely that I actually died from stress-related illness because of the bullying. When I died I lost consciousness for a short time, and then I returned back to life again after one of those NDE near-death experiences that you hear about. So this book is different because I've personally experienced the extreme end of bullying, but more importantly, I learned what to do so that I could finally overcome it, for once and for all. So now I've taken back my power and my life, and I'm happy, and I've written this simple and practical book to help YOU to overcome bullying too. It's my sincere intent that this book gives you hope, inspiration, comfort, and also the knowledge and techniques that will help you to take back your power and be free again. Above all, there's ALWAYS hope, and you truly CAN overcome bullying, for once and for all. AWAKEN THE FLOW BOOKS: Simple, practical, inspirational, easy-to-read. My website is www.awakentheflow.com .
