

We Delight In The Beauty Of The Butterfly

Woods Hutchinson

Black, Beautiful, and Creatively Empowered Bernetta Watson, 2017-06-09 Girls, you are transitioning from childhood into adolescence. Many changes will occur in your life. Your body will begin to change; there will be physical changes, like your breasts, which will begin to develop. Menstruation can start when you begin puberty (the period in which the human body becomes capable of reproduction). You will go through social, emotional, and cognitive (thinking and making decisions about the right things to do and say) changes. When I think about a beautiful butterfly, it reminds me of the changes adolescent girls go through. The butterfly goes through a metamorphosis; this is the magic that insects teach us that change ensures growth. We delight in the beauty of the butterfly but rarely realize the changes it has gone through to achieve that beauty (Maya Angelou).

Box of Butterflies Roma Downey, 2022-02 Roma Downey--best known as the beloved angel on the TV show *Touched by an Angel*--has created a beautiful book filled with encouragement and hope, assuring us of God's comforting presence in our lives. Ever since she was a little girl, Roma has seen butterflies as a reminder of God's presence. They have appeared to her in moments when she needed encouragement and reminded her she is not alone. In this deeply personal book, Roma shares stories from her life, alongside quotes, poems, scripture, and artwork that she prays will uplift you as they have her. Each grace-filled chapter of this beautiful full-color book covers topics such as courage, strength, gratitude, love, and kindness. Reminiscent of the message of her popular television series, *Touched by an Angel*, this book's central theme is that there is a God, He loves you, and that even in your most difficult moments, He is by your side. That though you may feel alone, you are never truly alone. The subtle butterfly theme reminds us that the wonder of God's love and kindness is sometimes reflected in the gentle whispers of his creation and that we all have the power to transform from simple caterpillars into exquisite butterflies. Written in a way that encourages you to 'dip in and out' of its flowing content, this inspiring book invites you to return to its pages again and again, as life brings new challenges or you find yourself in need of new inspiration.

Sacred Light Myndee Joan Garrett,2016-08-03 This book is intended to be a source of Light for those who are questioning their faith. It is simply a tool to help you find your sacred spiritual path in Life. What do you believe to be true that is untouchable, beyond doubt? Investigating your own treasured truths is an excellent place to begin your journey of illumination. What I know for sure is that a crisis can be the greatest gift. It is during our darkest moments that we can become extremely conscious of the precious Light within us. Let your wounds from Life reveal your authentic self by being a place for your Sacred Light to shine through. Losing my religion and discovering a profound faith in myself as a mystical being has convinced me that the greatest Love, purest Peace, and holiest Light must come from within. Love, Peace, and Light must be known in the very being of your Soul as the truth, and essence, of who you are in order to bestow genuine Love, Peace, and Light to others. Be the Light you want to see shining in this world so it can be reflected in every Soul you encounter. Breaking away from the Mormon Church created within me a profound yearning to speak my truth boldly, to live my Life unapologetically and authentically, to follow my heart unashamedly, and to contribute to the healing, and the encouragement, of others who are also finding their own way through this miraculous, mystical mystery called Life.
