Naked Christians Frederick Mundle, 2022-08-30 Naked Christians comprises a collection of poems which either warns of the lack of eternal life in the souls of many naked Christians (1) who think they live as the body of Christ but do not, (2) who dare to call themselves Christians but have not as yet been born again, (3) who have been duped by false shepherds into believing that there are many ways to God the Father other than the only way of Jesus Christ, (4) who believe that repentance is just a one-time act if it is even necessary at all in the first place, (5) who may be weakening, if saved at all, while they are being engulfed by deniers of God's word. Who can sit in a naked church in the midst of naked Christians being instructed by a naked pastor and still hope to be found in the presence of the Lord in the millennium?

Early Broadway Sheet Music Donald J. Stubblebine, 2010-08-25 This work, a companion to the author's Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993 (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

Drag Me Out Like a Lady Jentri Anders, 2022-09-13 She was arrested in the Berkeley Free Speech Movement. She was at the Be-In when Timothy Leary told us to drop out. She was in the battle of People's Park when James Rector was killed. She was tear-gassed on campus at UC Berkeley. She was at Altamont when a Hell's Angel murdered a concertgoer. Now she has written her autobiography, describing her unusual trajectory through an unusual era. In the spirit of Howard Zinn, Jentri Anders presents her life as an activist and anthropologist. A Southerner with deep roots in Georgia and Arkansas, she went to high school in Groveland, Florida, one of the most notorious locations in black history. Expelled from both a Georgia Bible college and Florida State University for political reasons, she moved to California, participated in the antiwar movement there, then was sexually and politically harrassed out of UC Berkeley. She dropped out of mainstream culture to become a back-to-the-land hippie in what is now called the Emerald Triangle in Humboldt County, California, then dropped back in, wrote the definitive ethnography of back-to-the-land hippies, and was featured in the Academy Award-nominated documentary film, Berkeley in the Sixties. A fascinating writer, Anders is also a scholar. Drag Me Out Like a Lady is thoroughly researched, indexed, referenced, and documented, including historical material from her personal files. Cultural

historians, anthropologists, activists, feminists, literate hippies, as well as people who just like weird stories, will all love this book

Encyclopedia of Great Popular Song Recordings Steve Sullivan,2013-10-04 From John Philip Sousa to Green Day, from Scott Joplin to Kanye West, from Stephen Foster to Coldplay, The Encyclopedia of Great Popular Song Recordings, Volumes 1 and 2 covers the vast scope of its subject with virtually unprecedented breadth and depth. Approximately 1,000 key song recordings from 1889 to the present are explored in full, unveiling the stories behind the songs, the recordings, the performers, and the songwriters. Beginning the journey in the era of Victorian parlor balladry, brass bands, and ragtime with the advent of the record industry, readers witness the birth of the blues and the dawn of jazz in the 1910s and the emergence of country music on record and the shift from acoustic to electrical recording in the 1920s. The odyssey continues through the Swing Era of the 1930s; rhythm & blues, bluegrass, and bebop in the 1940s; the rock & roll revolution of the 1950s; modern soul, the British invasion, and the folk-rock movement of the 1960s; and finally into the modern era through the musical streams of disco, punk, grunge, hip-hop, and contemporary dance-pop. Sullivan, however, also takes critical detours by extending the coverage to genres neglected in pop music histories, from ethnic and world music, the gospel recording of both black and white artists, and lesser-known traditional folk tunes that reach back hundreds of years. This book is ideal for anyone who truly loves popular music in all of its glorious variety, and anyone wishing to learn more about the roots of virtually all the music we hear today. Popular music fans, as well as scholars of recording history and technology and students of the intersections between music and cultural history will all find this book to be informative and interesting.
