With illustrations showing 2, 3, 4, and 5 card combinations of cards in the popular Waite deck, *Tarot Card Combinations* is as beautiful as it is informative. The Unbinding Heather Hardison, Bound by a relentless hex that has spanned lifetimes, Alexandra Steele is haunted by past-life memories from the witch trials, still playing out in her current incarnation. When tragedy strikes those closest to her, Alex blames herself, suspecting her nemesis is responsible. Driven by loss, she intensifies her efforts to break the curse that has tormented her for ages and bound her to the witch who cast it. In the gripping conclusion of *The Divining Sisters*

Series, Alex, Izzy, and Hazel are pushed to their limits – those with past or present ties to Alex go missing, danger lurks around every corner, all while the witch who cast the curse wreaks havoc from the shadows. And a prophecy, passed down through generations, foretelling of a secret hidden gift is about to be unveiled. Can this gift break the shackles of the hex, allowing Alex to finally cut the ties that bind her to that dark past? As this modern-day story reaches its climax, a new chapter begins. Stay tuned for prequels that will delve into the haunting pasts of The Divining Sisters, as their destinies unfold, and the ties that bind them come to light. The Divining Sisters is a fictional divination book series that follows a group of women (witches, healers, diviners) who reincarnate lifetime after lifetime and reunite with their coven so they can fulfill a mission of keeping their craft of divination, healing, and magic alive for future generations. The series focuses on reconnecting with past-life gifts, sisterhood, empowerment through facing fears, & learning to step out of the shadows to embrace their intuitive gifts that help them not only heal themselves but each other. Trigger warning: This book series covers the historical witch trials in Salem, Massachusetts and all across Europe, delving into the harrowing details of the persecutions, accusations, and unjust treatment and torture that took place during those times. These scenes may be distressing for some individuals. About the author: Dr. Heather Hardison is a clinical psychologist in Tennessee and is the Host of the Podcast, Healing Thru Tarot, shining light on the tarot as a healing and therapeutic tool. With this fourth installment in this series, she wraps up the modern-day narrative, but the magic is just beginning as she plans to write several prequels chronicling the past witch incarnations of the main characters in The Divining Sisters Series. Watch for those standalone books to delve deeper into the captivating story of how the witch trials in Salem and Europe served as the bedrock for this enchanting series.

The Complete Dictionary of Tarot Card Combinations Kenneth Coombs, 2015-10-23 The hottest topic in the Tarot world these days is the study of Tarot card combinations. While it is important for the beginning student of Tarot to learn the individual meanings of the 78 Tarot cards both upright and reversed, it is more important to understand how the Tarot cards react and interact with each other in a Tarot spread. Finally, for the first time in the history of Tarot, every possible Tarot card combination is available in scientific detail in one place. Some have said that defining every possible Tarot card combination would be impossible, but here it is. It took me over ten years to analyze each of the 3003 possible combinations. I hope you gain as much insight as I have in your study of Tarot card combinations
