**Lew White**

The Books of the Natsarim and the Enlightened Ones Parable Of the Vineyard Ministries, 2023-02-08 The Book of the Natsarim (commonly translated as Nasorine, or Nazarene) and the Book of Yochanon (John) the Enlightened of Elohim were included together in a text known as the Gospel of the Kailedy, meaning Wise Strangers. The origins of this work are debated, as no original manuscripts have ever been found. However, it is commonly believed that the books were preserved and passed down by Celtic believers in the 1500's after previously being saved from arson- possibly either the burning of the library of Alexandria or the Glastonbury Abbey fire in 1184. It has been tucked away alongside a secular work known as the Kolbrin, however they don't remotely share any similarities. It is more likely that they were both passed down through the same or a similar group of people and timeline. Whether this is a complete and divinely inspired text can certainly be debated, nevertheless we do believe that it contains words from our Messiah that were not all captured in the canonical gospel accounts. As stated by the apostle Yochanon, if everything the Messiah did were recorded, all of the books in the world could not contain them. (John 21:25) In this volume, you will find astonishing parables new and old. The new bringing deeper convictions and a sincere desire to look within oneself, and the old being expounded upon greatly. The timing of these books beginning to circulate is encouraging, as more and more believers are waking up to the true gospel; salvation in Messiah alone and the importance of keeping the Torah of the Most High, a concept confirmed again and again in this text. Certain scriptures such as Matthew 5:17-19 are clarified to mean exactly what the Ruach Ha'Qodesh (Holy Spirit) has already been revealing to many of us, that the Torah is still for us today. I have not come to abolish the Torah or to change the teachings of the prophets, but to complete them, adding any necessary clarification and interpreting them to the understanding of men. But the time has come to ask: When will they be put into practice? When will men bring Yahuah out of the Temple and make Him a participant in their daily lives? When will men carry these things in their hearts and stop paying them lip service? I say with certainty, so long as Earth and the Heavens above it remain, not even the smallest particle shall be deducted from the Torah until the purpose it serves has been completed. Therefore, if anyone try to avoid even the least obligation imposed by the Torah, or to set aside the slightest of its restrictions, or teach others to do the same, he will be an insignificant thing in the life to come. But whoever lives by them, leading others to do likewise, will achieve the greatest heights of glory. (Book of the Natsarim 9:41-42) Please note this text has been revised to restore the sacred names of the

Most High and His Son, as well as the original names of people and places. It is also separated into two separate books, which were formerly compiled together under the title 'The Gospel of the Kaledy'. Chapter and verse numbers have also been added for ease of reference. Some disciples came to Yahusha and asked whether they should not withdraw into the wilderness, where they would dedicate their lives to Yahuah. Yahusha said, Of what use would my teachings be in the wilderness? Are you going to save rocks from sin, or convert camels? Will you enlighten the wind, or give wisdom to mirages? Where is the benefit if what you learn cannot be put into practice? Learning and good conduct must go hand in hand, and the greatest wisdom is that which teaches men to live in harmony. They who seek to escape the tests and trials of life are cowards. Are you going to withdraw from the conflict through lack of courage, standing silently by while the wicked swallow up the good? (Book of the Natsarim 4:41-42) Edited and Compiled by: Adam & Victoria Fink Parable of the Vineyard Ministries

**The Gospel of the Kaledy** Spencer Coffman,2024-05-06 The Gospel of the Kaledy, which means Wise Strangers, is a compilation of The Book of John the Baptist and The Book of the Natsarim, commonly translated as Nasorine or Nazarene, and is usually published as one text. There are several copies available online both digitally, and in print. Most of those are public-domain works without modifications. The book you are about to read is compiled and edited for your reading pleasure. The two books are separate and chapter and verse numbers are added for easy reference. The names of the Father and the Son are restored, while the other terms are in plain English. The text is sectioned by topic and each section has a topic heading. Perhaps the most noteworthy modification is that Scripture references for as many sentences as possible have been painstakingly added to help display the parallels between this book and the Scriptures. This also helps support the validity of the text. In addition, the words spoken by our Savior are in red. May this book bless you, your family, and all you share it with.

**Message of the Natsarim** Lew White,2017-07-20 Message Of The Natsarim is a new English translation of the letters written by the first followers of Yahusha. It gives the reader a sense of being among the eye witnesses who lived their lives learning from the only perfect person that ever lived on Earth. They taught and obeyed the Ten Commandments, but this idea has been strongly resisted since the time of Constantine. New traditions were adopted from paganism, and those patterns are expressed openly instead of the original Words to live by, the Ten Commandments. Love has grown cold without them. The clarity of the Message is alarmingly eye-opening, and once you have received it you will be completely awake. This is the red pill or the real thing people spend a lifetime pursuing. The Message has been called by several familiar religious terms such as Gospel, Evangel, Euangelion, and these are all based on the Hebrew word BESORAH. The most simple English word that fits the meaning is the word message. When get to hear the Message in English straight from the Hebrew source the writers were inspired in, it will change you. The Message is not about religion, it is an announcement of a coming day called the Day

of Yahuah. This Message is more urgent than anyone suspects, and it will be announced in spite of the institutions that unwittingly serve the restrainer. When your mind hears the Message, you will be changed, and have to share it with everyone around you. The Truth changes everything. Up to now, readers have been hearing mostly Greek terms. A messenger (Greek angel) bears a message (Greek euangelion), and now the reader can break through the barrier of understanding by restoring the Hebrew roots of the belief.

*Last Natsarim* Lew White,2019-08-26 Last Natsarim is the book that explains who the first Natsarim were, and how far mankind fell from their teachings. The Last Natsarim are now here to bring the final message to all mankind in the end-times. We are the first-fruits, ambassadors raised up in the end-times to announce the coming of the reign of Yahusha. The beginning is near, and the reign of Babel is soon to disappear and be forgotten forever. The Earth is to be cleansed, and the Last Natsarim are calling for the last time for men to be restored to favor with Yahuah. The themes from Scripture described in this book are terrifying for those who have little exposure to them, so it is recommended that an adult be present for those under 18. **Bynv** Yahusha HaMashiak,Lew White,2019-03-05 BYNV Description:The BYNV is an acronym for The Besorah Of Yahusha Natsarim Version. This updated translation has many new features. This bulky size of one thick book containing 66 books is now contained in two thinner volumes. BYNV Volume 1 features BARASHITH (Genesis) through YEKEZQAL (Ezekiel), and BYNV Volume 2 features HUSHA (Hosea) through REVELATION. Whether a beginner or advanced student, the

expanded GLOSSARY is included in both volumes. In this two-volume series, the transliteration rather than the Hebrew letters for the Name Yahuah is used. An English reader will be able to pronounce the Name with letters familiar to them. As you continue to read these transliterations used directly from Hebrew, it will show how much distortion was caused by the Greek and Latin we've inherited. The expanded glossary explains many details that will enrich everyone's comprehension. For example, the Greek Pharaoh is rendered Farah as it appears phonetically if taken directly from the Hebrew into the English. The Greek and Latin distortions are eliminated as much as possible. For those who have never considered how encumbered they were before by words, this translation uses plain English for describing the original Hebrew ideas; instead of firmament, or expanse, it uses the word space. The order of the books is another feature, enabling the reader to flow from one book into the other. certain words they encounter, and most books have the meaning of the book beside their title. This book and its companion volume are an enormous leap forward in comprehending the Mind of our Creator, ending the famine of the Words of Yahuah so His Word can go forth into the world with understanding of His purpose. This book will challenge the experienced student of Scripture, and pour clean Living Water into the fresh minds of new seekers. Look for both volumes by searching BYNV at Amazon books. The Kindle eBook for the BYNV includes Barashith through Revelation.

Gnostic Mysteries of Sex Tobias Churton, 2015-08-17 An exploration of the sexual practices and doctrinal secrets of Gnosticism • Reconstructs the lost world of Gnostic spiritual-erotic experience through examination of every surviving text written by heresiologists • Investigates the sexual gnosis practices of the Barbelo Gnostics of the 2nd century and their connections to the Gnostic Aeon Sophia, the Wild Lady of Wisdom • Explains the vital significance of “the seed” as a sacrament in Gnostic practice Examining every surviving text written by heresiologists, accounts often ignored in favor of the famous Nag Hammadi Library, Tobias Churton reveals the most secret inner teaching passed down by initiated societies: the tradition of sexual gnosis--higher union with God through the sacrament of sex. Discovering actual sex practices hidden within the writings of the Church's authorities, he reconstructs the lost world of Gnostic spiritual-erotic experience as taught by initiated masters and mistresses and practiced by Christian couples seeking spiritual freedom from the world. Churton explores the practices of the “first Gnostic,” the historical Simon Magus, and explains the vital significance of “the seed” in Gnostic practice, showing it to be the sacramental substance par excellence. He illuminates the suppressed truth of why the name “Valentine” came to be associated with ennobling erotic love and reveals profound parallels between sexual gnosis and Tantra, suggesting that gnosis lies at the root of the tantric path. Solving a millennia-old riddle regarding the identity and secret symbol of Sophia, the mysterious Gnostic “Aeon,” Churton investigates Sophia's connections to Barbelo, also known as Pruneikos, the Wild Lady of Wisdom, and the central focus of the Barbelo Gnostics of the 2nd century, whose religious sex practices so shocked orthodox Christian contemporaries that they were condemned, their cults of spiritual gnosis and “redemption by sin” driven underground. Churton exposes the mystery of Sophia in the philosophy of the medieval

Troubadours and explores William Blake's inheritance of secret Renaissance sexual mysticism through the revolutionary English poet Andrew Marvell. Showing how Blake's sexual and spiritual revolution connects to modern sexual magic, Churton also examines the esoteric meaning of the free-love explosion of the 1960s, revealing how sex can be raised from the realm of guilt into the highest magical sacrament of spiritual transformation.

101 Prophetic Ways God Speaks Hakeem Collins, 2019-11-19 God is speaking. Are you listening? Often, we convince ourselves that God only speaks to “really spiritual” people. But the truth is that God longs to speak to every one of His children. You can hear His voice! 101 Prophetic Ways God Speaks will help all believers access the supernatural voice of God, speaking direction...

The Nazarene Paul Sides, 2017-02 Welcome to my book, The Nazarene. May Yahuah give us all eyes to see the Truth, the ears to hear what the stars proclaim day after day, night after night, and the mind to overcome 2,000 years of the Lying Pen of the Scribes. Today we are faced with the traditions/doctrines passed down generation after generation that are “nothing but lies, false gods, and things of no profit”. In this book, I am going to overcome these lies. I am going to show the proper meaning and intent of Scripture by correcting the mistranslations and demonstrate the meaning in context. I will portray The Nazarene in proper context of The Heavenly Scroll, within the proper relationship to his Father, and lay out his life as a human being. I will show that Yahusha came to show us The Way whereby we all can achieve the Fullness of Deity in our bodies, Fulfill The Law, and defeat death. That “Way” is Mikveh, Circumcision, and Offering on Passover. While these Hebrew Roots teachers claim to have ‘come out of Babylon’ they remain knee deep in it. These “teachers” are self-appointed and remain Hellenized... They all have denied The Creator’s Witness of Yahusha written in the stars at creation called The Heavenly Scroll. Instead of teaching the Truth, that Yahusha was given Glory with Yahuah at Creation, written in The Heavenly Scroll, where The Branch is foretold as a “Lamb that would be slaughtered”; they teach us that Yahusha pre-existed and was co-creator. These men who claim to understand the Scriptures, have denied the very source of inspiration of all the Prophets, as they all to a man, were Witnessing the coming of the Branch, Orion, in The Heavenly Scroll. We have twisted the Scriptures to serve our own blasphemous purposes to tickle the ears of the people who want a demi-god in the image of all pagan religions. Much like when the Israelites rejected Yahuah as their King and demanded a human King like all the pagan nations. We have adopted “the way of the pagans” in the most fundamental pagan doctrine of all! Incarnation. Yahusha the Nazarene was rejected 2,000 years ago, betrayed by everyone he knew, beaten to the edge of death, and then nailed to a tree. He has suffered no less over the past 2,000 years, as we have falsely accused Yahusha the Nazarene of being “God in

the flesh” and used his image to idolize a ‘man who died’ as God in our hearts! In Yahusha’s name we are taught to blaspheme our Creator, deny the Set Apart Ruach, and commit the unpardonable sin! We have created in our own minds, an image of a demi-god we say was ‘Yahuah in the flesh’ making Yahuah out to be a liar, forcing the Creator to be conformed to our own human image (instead being conformed to His Divine Image), and we deny The Creator’s (Yahuah’s) immortality teaching that He came to Earth as a man and died (that is a pagan myth originating in Babylon). Scripture openly declares that Yahusha is NOT ‘Yahuah, who came in the flesh’. I will explain exactly what “according to the flesh” means in this book and prove Yahuah would not, could not, ever “come in the flesh”. Instead of Yahusha, we are taught “Yahuah came in the flesh” which is The Spirit of the False Messiah. We have twisted the Scriptures to serve our own blasphemous purposes to tickle the ears of the people who want a demi-god in the image of all pagan religions. Much like when the Israelites rejected Yahuah as their King and demanded a human King like all the pagan nations. We have adopted “the way of the pagans” in the most fundamental pagan doctrine of all! Incarnation. Our translators cater to the whims of the people and continue to force feed humanity false translations knowingly! Scholars have proven these translations to be in error, proven the Name of Yahuah was removed, proven the name of the Messiah has been replaced by the name of the False Messiah. Textual Critics The Nazarene 3 have known for hundreds of years that the Greeks twisted the Scriptures and where they are in error. Scholars now openly admit that the Apostle Sha’ul’s writings were twisted even further by the “Reformers” into what we call The Pauline Doctrine. The Pauline Doctrine is a mistranslated, Greek appropriate, sound bite driven implied LIE! It is 100% contrary to what Sha’ul taught as a “Leader of the Nazarenes”. Yet today, these self-appointed teachers do not have the anointing to correct Sha’ul’s work even going so far as to commit false witness against Sha’ul, blaming him for what the ‘Greeks’ have done, as if Sha’ul is the author of The Pauline Doctrine. In doing so, they have taken one of the most inspired, anointed, and qualified teachers of the Nazarenes from us! I will show us what it means to be Nazarene, what they believed and what Yahchanan, Yahusha, Yaakov and Sha’ul taught that continued to be believed for 500 years before the Nazarenes were driven underground by Christians and Hellenized Jews. I will prove that not one of them accepted The Virgin Birth, they rejected Incarnation, they taught Yahusha was Adopted upon his Mikveh (just like we are), they kept the ‘intent’ of The Law, not the letter, they followed the ancient Enochian Path; and they knew that Yahusha Fulfilled The Law through Mikveh (he was NOT a “Living Torah”). Yahusha was the Fulfillment of the Debar (Predestined ‘Plan’ written in The Heavenly Scroll) not the Logos (Word made flesh). These issues are at the very foundation of The Yahushaic Covenant. The teachers in the Hebrew Roots movement show a total disconnect from who The Nazarenes were, what they taught, and what the Nazarene’s believed! Overall these teachers today in the Hebrew Roots and Messianic Movements show very little Spiritual anointing to even teach. Yet, they “appear” as worthy teachers to the masses, unless you truly understand what they teach.

*The Path of the Way* Amaliyah Siler, 2020-12-13 This book is a reference manual for the coming times of the tribulation. It

is packed full of Scripture and points directly to specific ways to WAR in Ruach and Truth as we who call ourselves Warriors in these end of days! This is a manual for the ekklesia of Natsarim and will benefit the entire body. This is only one weapon of the many ABBA YAHUAH gives to HIS children.

**The Missing Family of Jesus** Tobias Churton, 2012-01-01 The Holy Family of Jesus as commonly depicted in religious art is a myth fabricated by the early Christian church. Explaining this assertion, Tobias Churton leads the reader on a fascinating and highly readable quest to discover all that is to be found in the historical sources about Jesus' family background, parentage and siblings and the possibility of his having descendants. When Romanized Christianity decided to bend the historical facts about true early Christianity, Jesus was required to be the only son of God and to have been the product of a virgin birth, so that he could avoid the taint of original sin. Any inconvenient siblings had to be written out of history to prevent them from muddying the theological waters. Even today, in Catholic encyclopedias of the saints, St James the Just (the 'Zadokite'), while regarded as Jesus' brother by the majority of Church Fathers, is instead called the 'son of Alphaeus', deliberately obscuring any theologically compromising family relationship. This investigation is based on a thorough examination of a broad range of sources: the canonical evidence (Gospels and Epistles); apocryphal evidence including the Gnostic gospels and rejected works of early Christianity (including the Dead Sea Scrolls and the works of Josephus, Hegesippus and Eusebius); and myths and legends about 'heirs', known as the Desposynoi, who either travelled to France or remained in Palestine centuries after Jesus. 'It must be the case that behind both the historical and the legendary evidence there exists a missing, truthful picture of the family of Jesus. The task of the book is to establish as much of that truth as is historically possible within the bounds of reasonable probability.' (Churton)

*The Holy Land Key* Ray Bentley, 2014-02-18 Don't Just Read Prophecy. Step into Its Fulfillment. The study of prophecy inspires elaborate timelines and speculation about which world leader might rise to power in the last days. But meanwhile, it's far too easy to miss the significant prophetic signs contained in stories of biblical characters, in God's creation, and in the lives and actions of today's Israelis and Palestinians. The Holy Land Key opens our eyes to little-known aspects of prophecy, including: · God's master plan revealed in the seven Feasts of the Lord · The ingathering of God's people, and the ways Israelis are hearing from God today · Significant prophetic patterns discovered in the lunar cycle · Awe-inspiring testimonies to God's glory spelled out in the night sky · Glimpses of God's future kingdom revealed in the stories of well-known figures

from Scripture For decades, author and pastor Ray Bentley has partnered with God's people in Israel, including Judea and Samaria, the area known as the West Bank. There, he witnesses the fulfillment of prophecy firsthand. This is your introduction to prophetic signs that God reveals in sometimes unexpected ways. He does not want us to miss the work he is doing to usher in the coming Kingdom.

**Love** Lew White,2019-10-25 LOVE - Introduction To The BYNV provides a peek at the preview pages of the Besorah Of Yahusha Natsarim Version (BYNV) translation by Lew White. A reader of any English translation should be aware of what has been left out their favorite versions, and millions never realized the Name of the Creator was removed by most of them. The traditions handed-down to us over many generations have greatly influenced how translators have approached the Scripture of Truth. William Tyndale was a translator who used congregation instead of church and was burned at the stake for it. This is a bold, new approach that uses the Hebrew transliterations of names and places, and corrects misunderstood phrases, and all is explained in this book. The introductory pages of the BYNV, as well as the Glossary, will help a reader see how much of Yahuah's viewpoint has been cluster-blocked by gentile translators. This book is written from the perspective that obedience is expressed in the practices one lives by. This book is loaded with questions that pastors hope they are never confronted by. Those who read about the excuses for the things people do will experience a paradigm shift, and they will never want to go back to the vomit they once lived by.
