

Books By Poul Anderson

Poul Anderson

Going For Infinity Poul Anderson, 2003-05-23 More than just a collection of some of Poul Anderson's most acclaimed works, *Going for Infinity* is both a celebration and a memoir of Anderson's distinguished sixty-year career in science fiction and fantasy. Along with several Hugo and Nebula Award-winning stories, Anderson also shares autobiographical musings, and fond memories as he looks back at a lifetime spent crafting many of science fiction's most memorable adventures. Between the short story and novel excerpts collected here, which range over the entire length of Anderson's career, he reminisces about his experiences, including his encounters with such peers and colleagues as John W. Campbell, Anthony Boucher, Gordy Dickson, Jack Vance, Clifford Simak, and Harlan Ellison. *Going for Infinity* provides a firsthand look at six decades of science fiction and fantasy, as lived by one of the field's most honored contributors. From the moons of Saturn to the shores of an enchanted isle, the astounding breadth of Poul Anderson's imagination is on ample display throughout this once-in-a-lifetime collection, along with a personal glimpse into the man himself.

Fantastic Stories Presents the Poul Anderson Super Pack Poul Anderson, 2016-05-15 Poul Anderson is a member of the Science Fiction hall of fame. He won seven time Hugo Awards and three Nebula Awards in addition to being awarded Grand Master by the Science Fiction Writers of America. He was a giant in the science fiction field, publishing dozens of novels. His shorter works appeared in magazines such as *Astounding*, *Galaxy*, *The Magazine of Fantasy and Science Fiction*, and *Planet Stories*. Collected in this Super Pack are fourteen stories that helped Poul Anderson chisel his name across the face of Science Fiction. Over five hundred pages of thrilling stories that will not disappoint. Included in the collection are: *Industrial Revolution*, *Innocent at Large*, *Sargasso of Lost Starships*, *Duel on Syrtis*, *The Sensitive Man*, *Lord of a Thousand Suns*, *Out of the Iron Womb!*, *Star Ship*, *Witch of the Demon Seas*, *Sentiment, Inc.*, *Security*, *Inside Earth*, *The Valor of Capten Varra*, *The Chapter Ends*.

The Worlds of Poul Anderson Poul Anderson, 1974

The Sensitive Man Poul Anderson, 2011-09 Conspiracy seems to be as much a part of our times as it was in the times of Guy Fawkes and the Gunpowder Plot. Hence it finds frequent reflection in all branches of fiction, including science fiction. Yet, as in life, something new has been added, the most gigantic conspiracy of all, the human conspiracy against conspirators. Which makes for a fine stirring story in this short novel of the future by Mr. Anderson, one of our best young

authors. So the editors of Fantastic Universe wrote when they published this tale in January 1954. But there's more to be had from Anderson himself. The Mermaid Tavern had been elaborately decorated, he wrote, beginning the tale. Great blocks of hewn coral for pillars and booths, tarpon and barracuda on the walls, murals of Neptune and his court -- including an outsize animated picture of a mermaid ballet, quite an eye-catcher. But the broad quartz windows showed merely a shifting greenish-blue of seawater, and the only live fish visible were in an aquarium across from the bar. Pacific Colony lacked the grotesque loveliness of the Florida and Cuba settlements. Picture the world he's describing. Imagine a world like that

Poul Anderson, Science Fiction Collection Poul Anderson, 2014-07-25 Poul William Anderson (1926 - July 31, 2001) was an American science fiction author who began his career during one of the Golden Ages of the genre and continued to write and remain popular into the 21st century. Anderson also authored several works of fantasy, historical novels, and a prodigious number of short stories. He received numerous awards for his writing, including seven Hugo Awards and three Nebula Awards. In this book: Industrial Revolution, 1963 The Valor of Cappan Varra, 2009 Sentiment, Inc., 1967 The Sensitive Man, 1954 Security, 2007 Duel on Syrtis, 1961 The Chapter Ends, 1954

The Book of Poul Anderson Poul Anderson, Patrick L. McGuire, Sandra Miesel, Gordon R. Dickson, 1975

Poul Anderson - Sci-Fi Boxed Set Poul Anderson, 2022-01-04 Discover the golden age of science fiction with some of the best stories of intergalactic battles, space adventures and alien contact in this Poul Anderson collection of selected SF stories: Captive of the Centaurianess Lord of a Thousand Sun Out of the Iron Womb Sargasso of Lost Starships Star Ship Swordsman of Lost Terra The Virgin of Valkarion Tiger by the Tail Witch of the Demon Seas

The Book of Poul Anderson Poul Anderson, 1975-06-17

The Burning Bridge Poul Anderson, 2011-06 Usually there are two reasons why something is done; the reason why it needs to be done, and, quite separate, the reason people want to do it. The foul-up starts when the reason-for-wanting is satisfied ... and the need remains. . . ! The fleet numbered fifteen, more than half the interstellar ships humankind possessed. But Earth's overlords had been as anxious to get rid of the Constitutionalists (the most stubborn ones, at least; the stay-at-homes were ipso facto less likely to be troublesome) as that science-minded, liberty-minded group of archaists were to escape being forcibly absorbed by modern society. Rustum, e Eridani II, was six parsecs away, forty-one years of travel, and barely habitable: but the only possible world yet discovered. A successful colony would be prestigious, and could do no harm; its failure would dispose of a thorn in the official ribs. Tying up fifteen ships for eight decades was all right too. Exploration was a dwindling activity, which interested fewer men each generation.

The Book of Poul Anderson Poul Anderson, 1978-06-06

Industrial Revolution by Poul Anderson, Science Fiction, Adventure Poul Anderson, 2011-05 Ever think how deadly a thing it is if a machine has amnesia -- or how easily it can be arranged. . . ?

Two Worlds of Poul Anderson Poul Anderson, 2010-02-10

The Day of Their Return Poul Anderson, 1994 While the new Terran Commissioner will do whatever is necessary to preserve the Empire, Ivar, a fugitive sought by both the Empire and Terra's alien rivals, becomes a potent symbol to those who would resist Imperial rule. Reissue.

Security Poul Anderson, 2007-10 Poul Anderson was one of the most popular authors in SF. Born in 1921, he began his career in the Golden Age of SF in the 1950s, and was a regular contributor to *Astounding SF* magazine (later *Analog SF*) edited by John W. Campbell. His work encompassed science fiction and fantasy, including the Polesotechnic League series and the Terran Empire series featuring Dominic Flandry, and the fantasy *Kingdoms of Ys* series, written with his wife Karen. He received seven Hugo and three Nebula Awards, and a SFWA Grandmaster Award among other honors. He died in 2001. *Security* takes place in a future America, where Control and Efficiency are emphasized, and unquestioned loyalty is required. Nobody wants a repeat of the catastrophic war that happened seventy-five years previously, and sacrifices must be made to insure the ultimate peace. Or so Dr. Allen Lancaster, a Sector Chief on a Project believes, until *Security* decides his planned vacation will be spent in space on a top secret project. People who learn too much have been jailed or even shot as security risks. Is Dr. Lancaster's new assignment a blessing or a curse? He will find out . . .

Industrial Revolution Poul Anderson, 2011-06 Ever think how deadly a thing it is if a machine has amnesia -- or how easily it can be arranged. . . ?

Explorations Poul Anderson, 1991-11-01 An outstanding collection of science fiction stories by one of the most respected names in the field. These six classic Anderson stories involve interplanetary or interstellar voyages of discovery. The real strength of the book is . . . Anderson's genius for the novella and novelette forms. . . .--Booklist.
