

Calcul Du Taux De Roulement

JL Elias

La Gestion de L'Approvisionnement Gilles Savard,1998

Dictionnaire canadien des relations du travail Gérard Dion,1986 Dans la première section, chaque notice comprend la traduction anglaise et une définition du terme et son contexte. Plusieurs annexes : sigles et abréviations; conventions et recommandations de l'OIT, Charte canadienne des droits et libertés, Charte québécoise des droits et libertés de la personne, des textes de législation du travail, les événements marquants en relation de travail au pays et des statistiques syndicales. Plus de 2500 termes et quelque 600 locutions et maximes latines ajoutés à cette édition.

La distribution Marc Vandercammen,Nelly Jospin-Pernet,2010-02-16 Fruit de la collaboration de consultants en marketing et d'enseignants, cet ouvrage présente de manière pratique et didactique, au travers de nombreux exemples, l'ensemble des thématiques liées à la distribution d'aujourd'hui. Enrichi d'exemples réels et d'études de cas, ce manuel est organisé en trois parties enrichies et mises à jour pour cette 3e édition. · les concepts : l'évolution et le rôle de la distribution dans la prise de décision marketing, les fonctions exercées par les intermédiaires du commerce, l'influence des consommateurs, de l'environnement, des pouvoirs publics et de la technologie sur son développement. · l'univers de la distribution actuelle : les structures de distribution, les formes et les modes de distribution, les stratégies de développement, les spécificités de la distribution d'aujourd'hui comme l'e-commerce, le trade marketing, le category management, la situation des marchés belge, français, suisse et canadien. · les aspects pratiques de la distribution : la logistique, la gestion des stocks, la recherche marketing, le développement et le choix des réseaux et circuits, les points de vente, le merchandising, la force de vente, le marché business to business. Un glossaire très utile, deux index dont un consacré aux enseignes, marques et entreprises et un site compagnon complètent l'ouvrage. Ouvrage de référence, il offre aux étudiants, aux enseignants, aux commerçants, aux industriels, aux distributeurs, aux producteurs et aux dirigeants des PME une information complète et pratique sur la distribution. Avec compléments sur le site <http://vandercammen.deboeck.com>.
