A European Television Fiction Renaissance Luca Barra, Massimo Scaglioni, 2020-11-29 This book maps the landscape of contemporary European premium television fiction, offering a detailed overview of both the changes in the digital production and distribution and the emergence of specific national and transnational case histories. Combining a media-production approach with a textual and audience analysis, the volume offers a complex, stratified, systemic view of ongoing aesthetic, sociocultural and industrial developments in contemporary European TV. With contributions from leading experts in the field, the book first offers an overview of the industrial, policy and cultural context for the renaissance of European television drama over the past decade, based on original comparative research. This research is then supported by case study chapters from the key contexts within which quality European television is being produced, offering a complex and complete picture of the industry's strengths and limitations, its traditions and trends, its constraints and future perspectives. A European Television Fiction Renaissance is a must-read book for TV scholars working across Europe and beyond in the areas of media studies, international communications and television studies, media industries studies, production studies, European studies, and media policy studies as well as for those with an interest in television drama, Netflix, globalisation, pay TV and on demand.

MARIPOSA CAPOEIRISTA Lily Perozo, 2016-11-12 Elizabeth Garnett, es modelo desde niña, pero también por sus venas corre una desmedida pasión por la capoeira. Debido a un cambio de planes deberá pasar sus vacaciones en Brasil,

tierra que la vio nacer. Donde conocerá a tres hombres, que aparentemente no llevan una buena relación, pero que tienen tres cosas en común: Los tres son capoeiristas; tienen el mismo tatuaje de una flor de Lis y cautivantes ojos grises, que hipnotizan con solo una mirada. Elizabeth, inevitablemente caerá bajo el estudiado juego de seducción que los tres hombres despliegan, sin saber que tras la engañosa perfección que muestran, se esconde un terrible secreto. Crímenes dantescos de mujeres y desapariciones, mantienen en alerta a la ciudad. Nadie sabe dónde, cuándo ni cómo desaparecen, solo tienen por certeza, que la persona encargada de sembrar el terror, cumple el mismo patrón y que sigue rondando por la ciudad, cada vez más cerca de su próxima víctima.

El celuloide rosa Javier García Rodríguez,2008 Es un paseo por la historia del cine de temática homosexual. Es una historia crítica que engloba todos los géneros y todas las cinematografías del globo. Consta de más de mil referencias filmicas, por lo que presenta una visión muy completa del panorama del cine de temática homosexual: gay, lesbiano, transexual, bisexual... y con unas introducciones que ayudan a comprender mejor la importancia de cada filme. Al acabar la lectura, hemos transitado por una historia del cine general y un relato del devenir social homosexual. El libro se enmarca dentro de la nueva crítica queer, con responsabilidad social y valoración artística, y ofrece un nuevo canon, aunque deja un espacio para que el lector participe activamente y construya su propia Historia del Cine de temática homosexual. El autor propone dejar de peregrinar a la tumba de Judy Garland y abrir el espectro referencial a nuevas realidades y nuevos mundos. El mayor deseo es que El celuloide rosa sea útil tanto a nivel cinematográfico como personal. (EDITOR).
