Sleigh Ride with the Cowboy Jen Peters,2020-11-16 A restless rancher. A single mom. A second chance at love. Wes Colton suspects he's coasting through life as a ranch hand, but dang it, he's good with animals. Besides, age and money put college out of reach, so working on the ranch is just fine. But when he runs into his high school sweetheart on a brief trip back to Huckleberry Falls to sell his grandmother's house, suddenly so much seems possible. Ellie McKean still hasn't forgiven Wes for dumping her to be a wandering cowboy. She's returned to Huckleberry Falls after a disastrous rebound marriage, but with a delightful daughter in tow and big dreams for a hair-styling career. Wes Colton? No way does he figure into her future plans. When Ellie's uncle can't do the annual sleigh rides in a town filled with Christmas festivities, Wes steps in to help. Between the stable and the small town, Ellie can't avoid him—or deny her growing feelings. Can Wes change his future so he can stay? Or will two hearts again be shattered?

Across Cultures Sheena Gillespie,Robert Singleton,2002 Designed to offer an appealing anthology where there is an increased general interest in connections between and among cultures, *Across Cultures*, Fifth Edition strives to promote understanding of diverse cultures. The book provides an extensive sampling of and advocates acceptance of a diversity of voices, while suggesting ways to probe the correspondences, interrelationships, and mutual benefits of that diversity. The selections cover an even greater variety of cultural facets than the table of contents indicates. For example, the readings in *Work*, the subject of Chapter 4, lead students to consider related subjects such as affirmative action, immigration, cultural displacement, family narratives, and definitions of success. Throughout the text, readers are encouraged to draw connections between and among readings through Correspondence questions that accompany each selection, thus developing their critical thinking skills. For those interested in developing their critical thinking, reading and writing skills, while learning about cultural diversity.

Frumpy Middle-Aged Mom Marla Jo Fisher,2020-11-24 Never mind the Real Housewives of Orange County—Marla Jo Fisher is the woman everyone can relate to, complete with bad parenting, rotten dogs, ill health, and fashion faux pas. For nearly two decades, in the Orange County Register and many syndicated papers, readers have delighted in Marla Jo's subversive humor, cranky intellect, and huge heart on her journey through broke, single, after-40 motherhood, when she adopted Cheetah Boy and Curly Girl, to her oddball adventures around the globe, to the sublime ridiculousness of life next door. Even while facing a devastating diagnosis, Fisher teaches us that humor is the balm that eases and the very thing that binds us together.
