

Dieta Scardale Dia Por Dia

JE Gale

Enlaces-Workbook Eileen W. Glisan, Judith L. Shrum, 1991-05

El peso ideal Cecilia Garau, 2012-10-01 Una propuesta de alimentación saludable para reeducar nuestro paladar, dejar de lado las dietas mágicas y las conductas obsesivas relacionadas con la comida, y al fin aprender a comer. «A través de su enfoque familiar y nutricional, Cecilia Garau estimula la planificación y el comer consciente ofreciendo recursos prácticos. Lo que sugiere es posible, y su mirada positiva permite construir una noción sobre cómo mejorar el acto de comer con cambios simples, al alcance de todos». Alberto Cormillot Cecilia Garau cuenta con la experiencia profesional y propia, porque ella misma mantiene su peso ideal con naturalidad. Así, tira por la borda varios mitos que nada tienen que ver con la buena alimentación y nos explica cómo funcionan las dietas más famosas y por qué son peligrosas a largo plazo. Nos enseña a autodiagnosticar cómo comemos, a descifrar qué se esconde detrás de las etiquetas de los productos, a comprar mejores alimentos, a conocer qué deben comer los niños y las embarazadas, a comer en familia, en salidas- como dice la autora- a pasar «de la cajita feliz a la caja de herramientas para aprender a alimentarnos». Este libro nos acerca a la ciencia de la nutrición para descubrir todo lo que no sabemos sobre nuestra alimentación.

El gran libro de las dietas y de las combinaciones alimentarias Equipo de expertos Cocinova, 2022-02-12 * Un completo diccionario con multitud de alimentos, completa la información contenida en este libro. En él el lector encontrará para cada alimento las calorías, los glúcidos, los lípidos y las proteínas suministrados por 100 g de parte comestible y también las combinaciones aconsejadas y desaconsejadas de cada producto, así como las asociaciones neutras. * Este libro, en definitiva, quiere aportar su propia contribución a una alimentación más sana y equilibrada de todos, en la convicción de que mantener el peso ideal y conservar la salud ya no es una utopía sino que alcanzar estos objetivos es una verdadera necesidad. La solución está en nosotros mismos, en nuestro esfuerzo y nuestra fuerza de voluntad.

Descubre tu coeficiente alimenticio y pierde peso Susan Albers, 2015-10-13 Susan Albers, doctora en psicología presenta un programa de tres pasos innovadores para conquistar el impulso del comer emocional- un enfoque práctico, prescriptivo, proactivo utilizando la inteligencia emocional que te ayudará a bajar de peso, comer saludablemente, con atención plena, y no agregar más kilos. Este libro va más allá de dietas tradicionales para explorar la relación entre las emociones y la alimentación, que revelan cómo, cuando aumentas tu inteligencia emocional, aumenta naturalmente tu

capacidad para gestionar con éxito su peso. Al explicar el vínculo entre un alto coeficiente y una buena relación con la comida, la psicóloga clínica doctora Albers te guía a través de las barreras emocionales más comunes a la alimentación saludable y consciente, y ofrece 25 herramientas y técnicas que puede utilizar para adaptar el plan a sus necesidades individuales. Basado en docenas de estudios clínicos que asocian una baja inteligencia emocional con los malos hábitos alimenticios, incluyendo comer después de estar lleno, comer sus cosas favoritas cuando está enojado o aburrido, y comer en exceso alimentos. Este libro ofrece esperanza y ayuda que funciona para cualquier persona, no importa cuántas veces han tratado de manejar el comer emocional en el pasado.

Pasajera en tránsito Yolanda Reyes, 2006

Los patitos feos también besan Jane Green, 2011-03-04 ¿Qué será capaz de hacer Jemima para superar su adicción a la comida y convertirse en la atractiva modelo de sus correos electrónicos? Jemima Jones está gorda, muy gorda. Sus delgadas compañeras de piso la tratan como a una criada y su maravillosa, delgadísima y guapísima jefa en el Kilburn Herald, mucho más tonta que ella pero mejor pagada, actúa como si Jemima fuera su sierva. Si a esto le sumas que está loca por su encantador, sexy e inalcanzable colega Ben, la conclusión es que la vida de Jemima necesita un cambio. Cuando conoce a Brad por internet le llega la oportunidad de reinventarse: será la felina, guapa, gimnasio-adicta y glamurosa J.J. Pero aquí llega el problema... Su Romeo a larga distancia no tarda en pedirle una cita. Con un argumento que nunca decae y un sorprendente final, esta novela es la crónica de una búsqueda: la de la mujer que Jemima siempre quiso ser; un viaje en el que aprenderá un montón de lecciones sobre la atracción, la adicción, el significado del verdadero amor y, finalmente, sobre quién es ella misma. Reseña: «El tipo de novela que devoras de una sentada.» Cosmopolitan
