

El Gran Dios Brown

George William Woodyard, Osvaldo Pellettieri

El gran dios Brown Eugene O'Neill, 1987

Sueño y tragedia en el teatro norteamericano Isaac Chocrón, 1984 En este ensayo, que cubre un largo tramo de la creación teatral norteamericana, Isaac Chocrón traza un penetrante cuadro de las relaciones que han conectado la realidad social con la dramaturgia del gran país. En la historia de todas las culturas, la actividad teatral se ha caracterizado siempre por sus virtudes representativas y por una tendencia a constituir un verdadero indicador de los valores que sostiene la sociedad que la engendra. En el caso de los Estados Unidos, Chocrón detecta la significativa transformación que, como un vuelco total, conduce su teatro a partir de 1920, hacia contenidos críticos y desgarrados. En ese momento se registra el viraje que termina con las luces del sueño americano para iniciar las sombras de la tragedia americana. El texto sigue los pasos de ese proceso y con preciso aparato metódico lo ubica en el doble plano de la realidad social y en su correspondencia escénica. El camino se cumple ejemplificado con piezas fundamentales de O'Neill, C. Odets, T. Wilder, L. Hellman, A. Miller, T. Williams, E. Albee y sin descuidar el teatro musical que tan importante desarrollo tiene en Estados Unidos. -- Back cover

Dictionary of Mexican Literature Eladio Cortés, 1992-11-24 This volume features approximately 600 entries that represent the major writers, literary schools, and cultural movements in the history of Mexican literature. A collaborative effort by American, Mexican, and Hispanic scholars, the text contains bibliographical, biographical, and critical material--placing each work cited within its cultural and historical framework. Intended to enrich the English-speaking public's appreciation of the rich diversity of Mexican literature, works are selected on the basis of their contribution toward an understanding of this unique artistry. The dictionary contains entries keyed by author and works, the length of each entry determined by the relative significance of the writer or movement being discussed. Each biographical entry identifies the author's literary contribution by including facts about his or her life and works, a chronological list of works, a supplementary bibliography, and, when appropriate, critical notes. Authors are listed alphabetically and cross-referenced both within the text and the index to facilitate easy access to information. Selected bibliographical entries are also listed alphabetically by author and include both the original title and English translation, publisher, date and place of publication, and number of pages.

De Eugene O'Neill al "Happening" George William Woodyard, Osvaldo Pellettieri, 1996

Diccionario Akal de Teatro Manuel Gómez García,1998-01-02 Este libro pretende comprender el conjunto de las artes y ciencias del espectáculo, trascendiendo lo que pudiera ser específicamente teatral desde un criterio restrictivo, para abarcar también ámbitos como el circo y la danza. Sus referencias biográficas y terminológicas totalizan más de 20.000 palabras o locuciones, agrupadas en torno a numerosos conceptos y en particular a los siguientes: actor, argot teatral, autor, baile, comedia, director, drama, escenario, espectáculo, iluminación, interpretación, movimientos espirituales, música, personaje, público, puesta en escena, teatro, texto, tragedia y vestuario. Caracterizada por el rigor en su elaboración, la obra centra su análisis en el conjunto de la escena mundial a lo largo de la historia, si bien se presta especial atención al teatro español, y particularmente a nuestros autores, actores y directores contemporáneos.

Borges babilónico Jorge Schwartz,2023-03-30 Borges babilónico propone un recorrido, desde la A hasta la Z —de 1910, el año del cometa y del Centenario, pasando por los versos A fair field full of folk, los nombres Dabove, Santiago o Keaton, Buster, los términos memoria y censura, los lugares Jardín Botánico o Buenos Aires, hasta Zunz, Emma—, por más de mil entradas que permiten descifrar temas, referencias o citas que aparecen en la obra de Jorge Luis Borges. Para algunos lectores y críticos, los cuentos, la poesía y los ensayos del escritor se caracterizan por la invención de geografías imaginarias, lugares fantásticos o animales fabulosos. Otros resaltan su forma singular de aludir al tiempo y a la historia. Borges circuló entre realidades e invenciones, fabulaciones y verdades, y proporcionó distintas e infinitas lecturas. Con la dirección de Jorge Schwartz, más de setenta colaboradores escribieron cada una de las diferentes entradas para acceder a esta suerte de enciclopedia. Para ser fiel al espíritu borgiano, recomendamos que el Borges babilónico, además de obra de consulta, sea también de lectura. Será una fuente continua de sorpresas; por ejemplo, leer a Robert Louis Stevenson entre Josef von Sternberg y Snorri Sturluson responde a una lógica semejante a la idea de 'buena vecindad' de la biblioteca de Aby Warburg.

Largo viaje hacia la noche Eugene O'Neill,2021-09-02 Eugene O'Neill (1888-1953), reconocido como el iniciador del teatro norteamericano, fue el primero en recoger las tendencias de la dramaturgia europea y crear un estilo propio y personal. Sin duda Largo viaje hacia la noche es la obra más acabada de O'Neill. En ella los elementos formales y estructurales que constituyen el original modo de hacer de este autor encuentran su expresión más perfecta. El propio O'Neill dijo de ella que era la mejor obra que había escrito.

Miscelanea Jorge Luis Borges,2011-11-10 Reunidos en un solo volumen los mejores ensayos y críticas de Jorge Luis Borges. «Novalis, memorablemente, ha observado: Nada más poético que las mutaciones y las mezclas heterogéneas. Esa peculiar atracción de lo misceláneo es la de ciertos libros famosos: la Historia natural de Plinio, la Anatomía de la melancolía de Robert Burton, la Rama de oro de Frazer, tal vez la Tentación de Flaubert.» Quizá sea este volumen un catálogo de la curiosidad lectora de Borges. Aquí se convocan sus juicios sobre libros y acontecimientos, juicios que hallaron la forma de

ensayos y notas, artículos y crónicas, prólogos y reseñas, versiones y traducciones, conferencias y clases. Desde sus colaboraciones en Sur y El Hogar hasta sus lecciones magistrales ante un público universitario, pasando por la glosa de clásicos y contemporáneos a los que abrió las puertas de su biblioteca personal, todo ello se reúne en este escrutinio -donoso e ingenioso- titulado Miscelánea.

Obras y apuntes. Tomo IX: Camila Henríquez Ureña Salomé Camila Henríquez Ureña,2020-09-10 En la obra y apuntes de la Profesora Emérita Salomé Camila Henríquez Ureña es común encontrar frases o párrafos entrecomillados o referencias a pasajes o personajes que luego no aparecen a pie de página con las aclaraciones correspondientes, como es tradicional en los libros. Esto se debe a la práctica, universalmente válida, que siguen los profesores en la preparación de sus clases, y que después se aclaran en el aula, proceder que forma parte del ritual pedagógico. Conocedora de la ejemplar honradez intelectual y personal de Camila, y su proverbial modestia, la Comisión que tuvo a su cargo la investigación de toda su papelería con el objetivo de realizar su publicación, estimó que era lo más adecuado respetar los originales y hacer la presente aclaración, teniendo en cuenta que Camila nunca consideró que dichos trabajos fueran a publicarse. Así mismo consideró que con el objetivo de evitar repeticiones innecesarias se publicará en el tomo titulado Documentos Varios el catálogo donde aparecen clasificados cada uno de los documentos de Camila que se encuentran en los archivos del Insituto de Literatura y Lingüística de Cuba. Solamente en el caso de aquellos en que fue necesario de ponerle un título por no poseerlo, se hará la correspondiente aclaración a pie de página.

Eugene O'Neill Madeline C. Smith,Richard Eaton,2001-04-23 In the last half century, the American theater has become more a part of the global theatrical community and as a result, America's playwrights and their works are receiving more attention internationally. Eugene O'Neill is perhaps the one American playwright who has gained the most renown with the global expansion of American theater. This work is not only an annotated bibliography of published works about O'Neill, but a careful record of the scores of productions of O'Neill's work both within and without the United States, in English-speaking countries and elsewhere, and the large number of published translations of his plays covering the years 1973 through 1999. The eight sections of this large work, each annotated, are: A articles in English; B books (with reviews indicated); C dissertations; D non-English language articles, books, and dissertations; E and F listings by play title of productions of O'Neill's plays in the United States and abroad; G primary works by O'Neill; and H miscellaneous information on O'Neill productions.

Teatro completo Rodolfo Usigli,2005 El tomo quinto del Teatro completo de Rodolfo Usigli contiene sus escritos de historia y crítica del teatro del siglo XX mexicano. Es, esencialmente, la poética entera de uno de los autores que definieron la forma de hacer teatro en nuestro país. Dice Luis de Tavira en el prólogo a este volumen: Rodolfo Usigli fue capaz de construir la obra dramática más consistente de la primera mitad de nuestro siglo XX y de formular la preceptiva dramática que resulta el fundamento de la dramaturgia mexicana moderna. Amigo de pocos y maestro de todos, es el proponente del pensamiento teatral mexicano más profundo y apodíctico del siglo XX: aprender a pensar el teatro desde México, ser capaces de inventar a México en el teatro.
