

Fire On The Velvet Horizon

Bertram Mitford

Once Upon a Kiss Tanya Anne Crosby, 2014-06-22 She came to wed his brother... and stole the Dragon's heart. The book that launched Avon's Romantic Treasures line, winner of RT's K.I.S.S. Award, and a HISTORICAL ROMANCE OF THE YEAR Nominee. To end a bitter feud, Dominique Beauchamp agrees to marry the lord of Drakewich. But when she rides through its gates, she never expects the stir of desire that seizes her heart—not for her betrothed, but for his brother, the notorious Black Dragon. Blaec d'Lucy has vowed loyalty to his brother above all else. From the moment he sees Dominique, he mistrusts her beauty as a weapon of deceit. Yet every glance lingers too long, every touch burns too deep, until resisting her becomes its own kind of torment. Their love is forbidden, their passion dangerous. Yet in the shadows of war and betrayal, Blaec and Dominique are powerless to deny the fire that binds them—sealed forever once upon a kiss.

Souls of Lions R. E. Mitchell, 2013-05-31 It is November of 1864, Major General William T. Sherman is about to lead his army of sixty thousand veterans into the heart of the Confederacy. It is the final, excruciating year of a war turned increasingly brutal and desperate. The men of the maligned and ill-fated Confederate regiment known as the Fiftieth North Carolina look alike. Their faces are dark with smoke, their ribs protrude like barn rafters, and their uniforms are an assortment of filthy rags indiscriminately liberated from Union and Confederate dead. Among these soldiers are George Hawkins and his brother, Walsh, unwillingly caught in the midst of a brutal war. As the regiment begins a four-hundred-mile death march from Savannah, Georgia, to Bentonville, North Carolina, George finds himself caught between his sense of honor and duty and his knowledge that they are fighting for a cause that is all but lost. Still, he takes consolation in doing in his duty and in his love of a woman a refugee he encounters during the chaos of the Confederate retreat. *Souls of Lions* is a tale of uncommon courage, heroic sacrifice, and flawed humanity amid great suffering in the swamps of North Carolina as two indifferent Confederate soldiers are transformed in the last violent months of the Civil War.

Holding the Bruised Rose Blossoms of an Attempted Genetic Rinse Thomas Goss, 2011-12-19 Rise wordsinger, to drench the expanding cosmos with the fiery voice of existence. Feel how the words boldly soar, from the sweet serenity of a woodland stream, to the torrid gargantuan swirl of galaxies colliding. And know, student of the universe, that all is revealed by your insatiable yearning: for in the joyful, sorrowful throes of artistic creation, we bathe in emotional singularities,

Exit the Subzone Tina Taylor,2012-11-05 They say that everything that happens, happens for a specific reason and Sebastian Blackwell and Michael Reed will soon come to realize that they are no exception of this age old rule. The events that will inevitably follow, shall entrap Sebastian within the unknown dimensions of his sleeping subconscious and as a result, a door shall be opened. Although not a sound penetrates the infinite darkness, a sound is made just the same. This door however, isn't technically a door at all and yet in the same breath, it is still an opening between the physical and spiritual realms. As for Michael Reed, Sebastians best friend, his path will cast him down into eternal darkness from which there will be absolutely no return. Doorways are everywhere, even those that shouldn't be there to begin with. Still, just because they shouldn't, doesn't mean that they aren't there and just because we cannot see them, doesn't mean that they dont exist.
