The Mysterious Case of the Alperton Angels Janice Hallett, 2024-01-23 A New York Times Notable Book and Best Thriller of 2024 A whip-smart and “fast-paced mystery” (The Daily Telegraph, London) from the internationally bestselling author of *The Twyford Code* and *The Appeal* about a true crime journalist who revives a long-buried case about a cult—and finds herself too close to the story. Everyone knows the story of the Alperton Angels: the cult who brainwashed a teenage girl into believing her baby was the anti-Christ. When the girl came to her senses and called the police, the Angels committed suicide and mother and baby disappeared. Now, true crime author Amanda Bailey is looking to revive her career by writing a book on the case. The Alperton baby has turned eighteen; finding them will be the scoop of the year. But rival author Oliver Menzies is just as smart, better connected, and also on the baby’s trail. As Amanda and Oliver are forced to collaborate, they realize that the truth about the Angels is much darker and stranger than they’d ever imagined, and in pursuit of the story they risk becoming part of it.

This Might Hurt Stephanie Wrobel, 2022-02-22 From the national and USA TODAY bestselling author of *Darling Rose* Gold comes a dark, thrilling novel about two sisters—one trapped in the clutches of a cult, the other in a web of her own lies. Welcome to Wisewood. We’ll keep your secrets if you keep ours. Natalie Collins hasn’t heard from her sister in more than half a year. The last time they spoke, Kit was slogging from mundane workdays to obligatory happy hours to crying in the shower about their dead mother. She told Natalie she was sure there was something more out there. And then she found Wisewood. On a private island off the coast of Maine, Wisewood’s guests commit to six-month stays. During this time, they’re prohibited from contact with the rest of the world—no Internet, no phones, no exceptions. But the rules are for a good reason: to keep guests focused on achieving true fearlessness so they can become their Maximized Selves. Natalie thinks it’s a bad idea, but Kit has had enough of her sister’s cynicism and voluntarily disappears off the grid. Six months later, Natalie receives a menacing email from a Wisewood account threatening to reveal the secret she’s been keeping from Kit. Panicked, Natalie hurries north to come clean to her sister and bring her home. But she’s about to learn that Wisewood won’t let either of them go without a fight.

In Her Bones Kate Moretti, 2018-09-04 “A higher level than the standard thriller. Readers will enjoy this book for the suspense...[and] love it for the skill and mastery Moretti has for her craft.” —New York Journal of Books “Morbid...Moretti

pulls some tricky tricks.” —The New York Times New York Times bestselling author Kate Moretti’s next “exceptional...emotionally astute, [and] deliciously sinister” (Kirkus Reviews, starred review) thriller follows the daughter of a convicted serial killer who finds herself at the center of a murder investigation. Fifteen years ago, Lilith Wade was arrested for the brutal murder of six women. After a death row conviction, media frenzy, and the release of an unauthorized biography, her thirty-year-old daughter Edie Beckett is just trying to survive out of the spotlight. She’s a recovering alcoholic with a dead-end city job and an unhealthy codependent relationship with her brother. Edie also has a disturbing secret: a growing obsession with the families of Lilith’s victims. She’s desperate to see how they’ve managed—or failed—to move on. While her escalating fixation is a problem, she’s careful to keep her distance. That is, until she crosses a line and a man is found murdered. Edie quickly becomes the prime suspect—and while she can’t remember everything that happened the night of the murder, she’d surely remember killing someone. With the detective who arrested her mother hot on her trail, Edie goes into hiding. She’s must get to the truth of what happened that night before the police—or the real killer—find her. Unless, of course, she has more in common with her mother than she’s willing to admit... Perfect for fans of Ruth Ware, In Her Bones features Moretti’s “riveting and insightful” (Megan Miranda, New York Times bestselling author) prose and “chillingly satisfying” (Publishers Weekly) twists, and will leave you questioning the nature of guilt, obsession, and the toxicity of familial ties.

The Burning Library Gilly Macmillan, 2025-11-18 From the internationally bestselling author of *The Nanny and What She Knew* comes a thrilling dark academic tale of murder, obsession and ruthless ambition, set in remote St Andrews, Scotland. A deadly rivalry. A chilling secret. One woman who can decipher the truth. On a frigid, windswept day in Scotland’s Western Isles, Eleanor Bruton’s body is discovered on the shore. To her family Eleanor was an ordinary middle-aged woman. She did flower arrangements and plumped kneeler cushions at church. Little did they know she was harboring a dark and all-consuming secret. A scrap of fraying embroidery that seems worthless at first glance. For over a century, two rival organizations of women have gone to deadly lengths to secure the valuable artifact in the hopes of finding the original medieval manuscript from which it was torn. The Order of St. Katherine: devoted to the belief that women must pull strings in the shadows to exercise control. And the Fellowship of the Larks, determined to amass as many overt positions of power for women as possible...so long as their methods of doing so never come to light. When Dr. Anya Brown garners international attention for her translation of the cryptic Folio 9, she is handpicked by Diana Cornish, a professor and high-ranking member of the Fellowship, to join the exclusive Institute of Manuscript Studies in St. Andrews. Unbeknownst to Anya she’s been recruited at great personal danger to translate ancient texts that the Fellowship believes critical to their mission. Meanwhile at Scotland Yard, Detective Constable Clio Spicer begins a private investigation into the death of Eleanor Bruton. As all the women grow further entangled in this ancient web, circumstances spin wildly out of control and their lives may be in grave

danger. Perfect for fans of Alex Michaelides and Ruth Ware, *The Burning Library* is the story of a centuries-old secret set to divide and consume those who seek to unearth it.

Superb.” —Shari Lapena, New York Times bestselling author The bestselling author of *Anatomy of a Scandal*—now a hit Netflix series—returns with a psychological thriller about a politician whose less-than-perfect personal life is thrust into the spotlight when a body is discovered in her home. As a politician, Emma has sacrificed a great deal for her career—including her marriage and her relationship with her daughter, Flora. As a woman, she knows her reputation is worth its weight in gold but as a politician, she discovers it only takes one slip-up to destroy it completely. Fourteen-year-old Flora is learning the same hard lessons at school as she encounters heartless bullying. When another teenager takes her own life, Emma lobbies for a new law to protect women and girls from the effects of online abuse. Now, Emma and Flora find their personal lives uncomfortably intersected...but then the unthinkable happens. A man is found dead in Emma’s home. The Nanny Gilly Macmillan, 2019-09-10 “The Nanny kept me in white-knuckled suspense until the very last page. Gilly Macmillan’s breakout thriller is a dark and twisted version of *Downton Abbey* gone very, very wrong.” — Tess Gerritsen, New York Times bestselling author The New York Times bestselling author of *What She Knew* conjures a dark and unpredictable tale of family secrets that explores the lengths people will go to hurt one another. When her beloved nanny, Hannah, left without a trace in the summer of 1988, seven-year-old Jocelyn Holt was devastated. Haunted by the loss, Jo grew up bitter and distant, and eventually left her parents and Lake Hall, their faded aristocratic home, behind. Thirty years later, Jo returns to the house and is forced to confront her troubled relationship with her mother. But when human remains are accidentally uncovered in a lake on the estate, Jo begins to question everything she thought she knew. Then an unexpected visitor knocks on the door and Jo’s world is destroyed again. Desperate to piece together the gaping holes in her memory, Jo must uncover who her nanny really was, why she left, and if she can trust her own mother... In this compulsively readable tale of secrets, lies, and deception, Gilly Macmillan explores the darkest impulses and desires of the human heart. Diabolically clever, *The Nanny* reminds us that sometimes the truth hurts so much you’d rather hear the lie.
