*Reach Your Dreams* Alice Chan, 2011-06-16 Do you have a picture of your dream, but feel uncertain or even afraid of what it'd take to make it real? Do you feel an inner nudge to do something, but have no clear idea of what it is, let alone what to do? Are you frustrated with seemingly just marking time in your life, but don't know what you really want or what changes to make? Are you tired of wondering why things seem to just happen to you and wishing you had more control over your own destiny? Are you simply looking for a concise roadmap to raise your consciousness in how you live? If your answer to any of these questions is yes, this book has your answers! After feeling lost for many years, even questioning the point of being alive, author Alice Chan can deeply relate to your discontent and pain. By following these five steps, you too can create the life of your dreams: Release limiting beliefs and hidden barriers blocking your path to your dreams. Envision living the life you want and having your dreams fulfilled. Act on inner guidance to fulfill your dreams one smart step at a time. **Active Dreaming** Robert Moss,2011-03-11 As the success of the recent film Inception shows, dreams are a source of perennial fascination. Robert Moss has advanced our understanding of the phenomenon with his visionary and down-to-earth synthesis of contemporary dreamwork and venerable shamanic methods. His “active dreaming” involves re-entering dreams, exploring their possibilities, and directing the subconscious to illuminate and solve problems. He blazes a new trail, guiding readers to use the powers that govern their night dreams to pursue their ideal waking “dream lives.” Based on Moss's decades of teaching, the techniques he shares in these pages are proven, powerful, and even playful. Readers learn to understand and utilize synchronicity, shared dreaming, children's dreams, and healing dreams. The examples Moss shares encourage readers to face fears and tap into dormant power. The result is the freedom to choose — and then revel in — the life of their dreams.
