Katrin Zwirgmaier

Under His Protection Kc Rice,2018-07-20 "A story of reckoning that walks a fine line between vengeance and obsession....." They killed his brother. They stole a piece of his life and got away with it. Antonio "Parker" Denoti has dedicated his life to bringing down the man responsible, Mano Torret, the boss of one of Chicago's most notorious crime families. His only hope lies with Cashenna Ramsey, a beautiful young woman- unwittingly sucked into Torret's web of deception and crime- who agrees to testify against him. Now Parker must keep her alive long enough to take the stand. Cashenna is taken into protective custody and whisked away to a secret location. Under Parker's protection, he was certain she was safe. But when he arrives at the safehouse, he finds nothing but bloodshed and bodies. His team is dead, and his witness - missing. Under His Protection, promises to be a suspense filled, action packed romance, full of desperation, hope and passion.

The Complete Lyrics of Irving Berlin Robert Kimball,Linda Emmet,2005-12 (Applause Books). Gathered together in one volume for the first time, here are all of the incomparable song lyrics of Irving Berlin the lyrics of more than 1,200 songs, 400 of which have never before appeared in print along with anecdotal, historical, and musicological commentary and dozens of photographs. Berlin came from a poor immigrant family and began his career as a singing waiter, but by the time he was nineteen he was publishing his songs and quickly found fame with Alexander's Ragtime Band in 1911. In the extraordinary six decades that followed, Berlin wrote one popular hit after another: Blue Skies * Always * Cheek to Cheek * White Christmas * God Bless America * There's No Business Like Show Business * and many more. He also wrote a number of the classics of musical theater's Golden Age, climaxing with Annie Get Your Gun . He penned three Astaire and Rogers films Top Hat, Carefree , and Follow the Fleet as well as the scores of Holiday Inn, Easter Parade , and other films. The breadth of his accomplishment is staggering.

Michael Jackson Shawn Henning,2010-06-17 Shawn Hennings new book is a powerful and overwhelming tribute and legacy to Michael Jackson. In one book, hes collected love letters, reflections, eulogies, poems, essays and drawings from people throughout the world who have a special appreciation for the King of Pop, Michael Jackson. I was particularly

impressed at the diversity of material, from so many different countries and cultures all of it heartfelt and illuminating. In *We Love You More*, we learn about the many different ways that Michael Jackson affected people from all walks of life. The participants talk about how Michaels music, creativity and public example affected their lives and helped them to be better people. The contributions are a wonderful cathartic output to help to come to terms with the loss of Michaels huge talent. They will not only comfort those who have written them, but those who read them. People will learn about the experiences they have in common, with people throughout the world, who followed Michaels career, his music, his good deeds and the example he set for this generation and generations to come. The book will also be of comfort to Michaels own family. They will see that the spirit of Michael will continue in people everywhere and in many ways and for many reasons. Its also fascinating to learn what people have to say about different songs and what they meant to their lives. Im impressed by the diverse elements in the book from eulogies, to memories to poems and beautiful drawings and paintings and even photo montages at the end. Mr. Henning youve done a wonderful service to the Michael Jackson fan community and I commend you. Sincerely yours, Larry Nimmer

The Harder They Fall Gary Stromberg, Jane Merrill, 2010-07-20 Updated with photos and new interviews. The heady, drug-induced decades of the sixties and seventies provide the backdrop for this all-star account of addiction and recovery. Among the celebrities interviewed by Gary Stromberg for *The Harder They Fall* are comedian Richard Lewis; musicians Alice Cooper, Grace Slick, Dr. John, and Chuck Negron (Three Dog Night); actors Malcolm McDowell and Mariette Hartley; Pulitzer Prize-winning poet Franz Wright; writer Anne Lamott; and athletes Doc Ellis and Gerry Cooney. The good news? All are recovering and leading lives of extraordinary accomplishment. My own disease would like to tell you that my 'isms' are now my 'wasims.' But as this book reads, it's an ongoing process that leads to the sweetest spirituality. My hat's off and great kudos to those who share their story like it is for those of us who still need to hear it. -Steven Tyler - Aerosmith Read this book! Here are the real winners in life. The best and the brightest with devastating illnesses, living clean, sober, confident, happy lives. If you want to know about alcoholism and addiction and how to get weller than well, read this book. Capt. Ronald E. Smith - Chairman of the Dept. of Psychiatry, National Naval Medical Center and for twelve years the Psychiatric Consultant to the U S Congress Here are the stories of twenty-one celebrities who had everything until their abusive chemicals showed them that, at the bottom, they had nothing at all. These pioneers in the modern drug abuse epidemic eventually each found their way into recovery, even redemption. These inspiring stories tell of the joy of finding a way of being that is more precious than fame and fortune. Robert L. DuPont, M.D. - White House Drug Czar for President Nixon and Ford (1973 to 1977), author of *The Selfish Brain*

Fast Forward, Play, and Rewind Michael Oberman, 2020-10-15 The Doors, James Brown, the Grateful Dead, the Sir

Douglas Quintet, David Bowie—the list goes on. . . . From 1967 to 1973, Michael Oberman interviewed more than three hundred top musical artists. Collected together for the first time, *Fast Forward, Play and Rewind* presents more than one hundred interviews Oberman conducted with the most important musical artists of the day. Along the way, Oberman touches on the influence of his brother, who interviewed the Beatles and other top artists from 1964 to 1967. He also recounts stories from his later career working for the major Warner-Elektra Atlantic recording company and producing concerts for Cellar Door Productions and managing recording artists. Want to know the true story of how David Bowie became Ziggy Stardust? That and dozens more true tales that might seem like fiction are waiting inside the pages of *Fast Forward, Play and Rewind*. Each short interview is an invitation for readers to relive (or live for the first time) one of the greatest periods in rock 'n' roll history.
