Journey to Self-realization Paramhansa Yogananda,2023-08-03 For all who have ever sought to understand the enigmas of life, for those who have held within their hearts an uncertain hope about the reality of God, and for seekers who have already turned toward the Supreme in their quest, this anthology of talks offers illuminating insights and encouragement. In its pages, Paramahansa Yogananda explores little-known and rarely explained aspects of such subjects as meditation, life after death, health and healing, the unlimited powers of the human mind, the equality of man and woman, and the interrelatedness of all life.

It also offers tools for manifesting all that we desire in our personal lives.

Follow the Leader Jyotika Ellwood, 2011-06-08 *Follow The Leader: A Journey to Self Realization is a body, mind and soul book with a difference. It is designed to guide readers towards their highest potential through stories. * This fascinating book includes stories of personal experiences of self discovery, stories from different cultures including Native American like Geronimo and Australian aboriginal Dreamtime stories. This book explains the different religions and how they develop strong faith which is the positive aspect of religion whilst the opposite produces a blind faith or a faith seeped in prejudice that makes us judge ourselves as being holier than others. * The chakras are explained in stories as well, like the deeply moving story of Raicharan. The seven chakras are explained using scientific evidence to verify this amazing power of the body's secret healing system and how this energy allows one to reach their highest potential. Our sole purpose for being here is to develop our soul, and this can only be done when we consciously change all those negative traits of our inherited and conditioned personality by controlling the mind using the energy from within. This energy gives us the will-power to resist and control the weaker aspects of our human nature and allows our thoughts and actions to be guided by our higher self (personality). * Shri Patanjali, one of the earliest and greatest of Indian philosophers said, Concentrate on another's mind know that mind. Concentrate on strength like that of the elephant, get that strength. Concentrate on friendship, mercy, joy, excel in them.

Self-Realization Ghanshyam Sharma,2021-01-14 The book is a summary of my thirty-year journey into the depths of human consciousness and an effort to provide you a structured map to help accelerate your evolution.Experimenting with human consciousness poses unique challenges, when your thoughts, ideas, experiences, and assumptions are your biggest barriers, and you have been trained all your life to walk in exactly the opposite direction, how do you neutralize the barriers while juggling career, family, and life? How does it feel to touch your inner self, what are the signs that you are on the right path and how do you leverage your circumstances to make progress day after day?Ancient Indian sages have done plenty of work on human consciousness, Ramayana, Mahabhartar, Bhagwat Gita are all full of hidden pointers to fascinating possibilities, Yoga Sutra's of Patanjali is a beautifully written summary of the path, but how do you know if working on these pointers will lead you anywhere? Are these epics merely mythology and philosophy? Or is there deep science and wisdom hidden in these ancient stories? I started my journey on a skeptical note with all such questions in mind, but as I went deeper, what I discovered was so fascinating and mind blowing, that my life was completely changed.Whether you are looking to adopt meditation practice to bring peace and positivity or want to peek into the mysteries of existence, I would invite you to read my fascinating journey and use that to polish your own path.

The Yogi's Roadmap Bhavani Silvia Maki,2013-06-04 While the techniques of Yoga are well expounded upon in the West, little guidance has been offered to integrate these practices with our emotions and psychology. Traditionally, the Patanjali Yoga Sutra is recognized as the definitive guide, offering perennial wisdom in navigating life's challenges through the cultivation of viveka khyati, discriminating wisdom. In *The Yogi's Roadmap*, Bhavani Maki offers unique, contemporary insights into the Yoga Sutra, revealing that deep, personal inquiry is both the means and the experience, of embodying our true spiritual awakening.

Self-Realization Hubert Benoit,2015-04-20 Not enough religion in science, not enough science in religion: where and when will a world view emerge which incorporates and transcends these two determining aspects of our civilization? Hubert Benoit was someone who incorporated these conflicting perspectives creatively into his work as a psychotherapist. This book was completed towards the end of his life and contains a distillation of his thoughts and experience.

Awaken Our Spirit Within Patsie Smith,2013-02-12 In Awaken Our Spirit Within: A Journey of Self-Realization and Transformation, author Patsie Smith exposes the state of the human spirit. Our innate longing is to awaken from our spirits slumber and to live true to our spirits journey. Her words flow from our universal essence that we can hear and recognize with our hearts, and she conveys truth in clear, comprehensible language. Wisdom and clarity naturally become our path and our reality toward unconditional love, true happiness, and peace. The awakening and growth of our inner spirit is the key to the end of fear, ignorance, and suffering. The author is not affiliated with any particular belief system or religion, seeking instead to offer pure and universal wisdom. She offers the truth of our divinity within to all who seek their own ultimate reality and who are on the path of inner growth toward freedom from suffering and transcendence into inner peace. She presents spirituality in the context of all areas of our practical lives and the choices we make toward transformation. Awaken Our Spirit Within seeks to convey the crucial need to wake up to our true selves and make conscious choices on the human journey. It is only through our own individual awakening and living of our spirit's journey that true peace, freedom and unity filters collectively into the transformation of our lives and our world.

Mystical Verses of Lallā Laldyada,2007-01-01 Mystical Verses of Lalla is a rich introduction to Lalla, the great 14th centuries. Also known as Lallesvari and Lal Ded, she defied social conventions and proceeded on the journey of self-realization. Her verses speak across cultural boundaries and traditions and are as relevant today as they were six centuries ago. Jaishree Kak has beautifully translated the verses from Kashmiri into English. Joseph Singer's prints and drawings complement the verses, providing visual pathways into Lalla's verses. The fourteenth-century mystic poet Lalla, also known as Lallesvari and Lal Ded, is an integral part of Kashmiri language, literature, and culture. Lalla-Vakh or Lalla's verse-sayings have resonated orally for centuries in the valley of Kashmir. Lalla has been compared to Shakespeare, Hafiz, Kabir and Tulsidasa. And, she has been honored as the first Kashmiri poet who modernized Kashmiri language as well as literature. Her richness of language, turn of phrases, and metaphors are now standard expressions in modern Kashmiri.
