The Signs of The Judgement Day Maria Yaseen,2021-01-09 In this book on the signs of Judgment Day, all of the major and minor signs are discussed one after another, in a chronological way. This Book is a detailed review of all important signs of Judgment Day. Book will be narrating Quran and Sunnah. Book will also be narrating other sources. Then book will derive from those sources. Because we need to really think deeply about these things. There are major issues discussed. Like Ya'juj and Ma'juj. What do we say about them? Where are these billions of people? Where are they living? Dajjal is he alive or dead? What supernatural power does he have? Does this mean that Dajjal is some mystical force? Or is he an actual entity? These are various theories around them. And all of them are discussed in this book. In the genre of signs of judgment, you have these phrases that might be difficult to unpack. One of the wisdoms might be that, you only recognize it after it happens. And Allah knows best. The book mentions the minor signs and the major signs of Judgment Day. The minor cover categories of specific incidents and number general trends that will be events towards the end of times. Book mentions societal changes that will occur, including change in culture, the way people live and the way people interact with one another. Now, there are many Hadiths that are predicting signs of the Day of Judgement. There's entire section of hadiths that are not authentic. But book will be mentioning every hadith that is authentic. And to cover all bases, Book will inform on what unauthentic Hadiths say on that specific subject.

Philosophy and Science of Eschatology Andreas Sofroniou,2017-09-10 This book deals with Eschatology as a philosophical, scientific, technological, political, religious, mythological, astronomical, biochemical and a philological concept or belief concerning death, the end of the world, or the ultimate destiny of humankind. Specifically, any of the various religions, cultures and Christian doctrines concerning the Second Coming, the resurrection of the dead, reincarnation or the Last Judgment. For many readers the term eschatology is considered, mainly, as an established branch of theology concerned with the final events in the history of the world or of humankind.

The Weekly Khutbah Volume 3: 2015-2016 Saiyan Islam,2017-12-30 Every week Friday comes and for us Muslims, Friday is very crucial in the sense we have our Jummah prayers. Along with the Jummah prayers we have our weekly sermons. What happens is that most of us tend to forget the sermons delivered by the Imams. So I thought of this system of writing down all the sermons so that the knowledge we gain gets preserved. Furthermore the sisters who are mostly unable to attend the Jummah prayer in many countries do not get the chance to learn from the weekly sermons. The males can easily record their learning and teach the women at their home. All the sermons are from the Imams from the Masjids I attend weekly and the Hadiths mentioned are from their own sermons. Sometimes the Imams may tend to refer to weak Hadiths, I have tried my best to classify them as much as possible. May Allah have mercy upon us all and may we get guided to the Straight Path, Ameen.

End of Days Galadriel Graham,Al,2025-02-14 End of Days explores the fascinating world of apocalyptic prophecies across major religions, revealing shared visions of the end times. From Christianity's Book of Revelation to Islam's Day of Judgment, Hinduism's Yugas, and Norse mythology's RagnarÅk, the book examines how these narratives shape individual behavior and influence societies. It highlights intriguing facts, such as the parallel between RagnarÅk's destruction and rebirth and similar themes in other traditions, without adding new concepts. This book offers a unique comparative analysis, presenting diverse eschatological landscapes within a single volume. It provides the necessary historical and theological context to understand complex prophetic language, making it accessible to a broad audience. Beginning with an introduction to prophecy and eschatology, each chapter explores the specific prophecies of various religions, culminating in a comparative analysis of common themes and their psychological and social impacts. The book distinguishes itself by revealing both the unique aspects of each tradition and the shared human concerns that underpin them, such as justice, morality, and the ultimate fate of the world.

Signs Before the Cataclysm Ridwan Kekere-ekun, 2018-02-13 This book is all-encompassing and comprehensive in its descriptions of the portents of the Last Hour. Allaah sent Prophet Muhammad (ﷺ) with the truth to give glad tidings to mankind and to warn them before the strike of the Hour such that the Prophet (ﷺ) neither left any good except that he showed mankind and exhorted them to practise it, nor did he leave any evil except that he warned them about it and forbade them from indulging in it. It was expedient for the Prophet (ﷺ) to inform his followers about the coming of the Hour and the portents heralding it as well as other matters of the unseen as he (ﷺ) was the last Prophet and Messenger sent to mankind, while his followers are the last community or generation (Ummah). Although Allaah has concealed the knowledge of the exact time of the Hour and the Day of Resurrection from the whole of mankind, Allaah has, however, revealed to His chosen Prophet the signs of the Hour and has acquainted him with the events that would take place on earth before its coming. And all that the Prophet (ﷺ) has said on this matter were not out of his own desire; rather, they are revelation from Allaah, the Exalted and Most High. The preceding events before the Last Hour are generally grouped into two: I. Minor Signs or Lesser Signs or Distant Signs II. Major Signs or Greater Signs or Near Signs The minor or lesser signs are referred to as such not because they are less significant than the major signs but rather due to their repeated occurrence, their occurring without any specific sequence and their placement when compared to the major signs with respect to the blast of the Hour and Day of Resurrection; most of the minor signs occur from time to time and from places to places. The major signs, however, follow one another in a sequence; they are much closer to the Hour and actually herald it. These major signs are the closest signs to the last Day or Day of Resurrection. Today, some of the minor signs prophesied by the Prophet (ﷺ) are at their peak and some are still at the beginning of their development. All will eventually culminate into the major signs. These major signs will occur one after the other and they are referred to as Near Signs because they will be the signs closest to the establishment of the Last Hour when the trumpet will be blown. When a sign of the Hour mentioned by the Prophet (ﷺ) comes to pass and the people witness it, they begin to realize that the coming of the Hour is an inevitable event of which there is no doubt. They will hold the Hour with fear and esteem and make preparations for it by performing good deeds and eschewing evil deeds. This is Allaah's justice to mankind before the torment of the Day of Recompense, Lest a person should say: "Ah! Woe upon me that I neglected my duty towards Allaah and I was indeed among those who mocked [at the truth]," or lest he should say: "If only Allaah had guided me, I should indeed have been among the righteous," or lest he should say when he sees the torment: "If only I had another chance [to return to the world], then I should indeed be among those who do good." (ref. Soorah az-Zumar [39]:56-58) Attempts have been made in the book utilizing the most authentic and reliable

sources to enumerate the signs of the Last Hour prophesied by Prophet Muhammad (ﷺ). Likewise, effort has been made in the book to expel the distortions, prophecies and fantasies of the futurists, the seers and the prognosticators, who, at difference times, make predictions of the end and destruction of the universe, creating panic and commotion, and at the same time gaining recognition. It is a well-researched book and it is thoroughly referenced for seekers of knowledge and seekers of truth.

The Day Judgement in Islam Part 1 Maria Yaseen, 2021-06-02 This book is the continuation of the series; with the first book being the signs of the Judgement Day. In the previous book, we have talked about the major and signs the minor signs. We talked about all of the issues up until the coming of the Dajjal and the coming of Isa Ibn Maryam AS and Ya'juj and Ma'juj. Then we mentioned all signs until the Trumpet is blown. Now, we will continue from where we left off. We're going chronologically This book begins the next section of this series. Which is going to be a very, very detailed discussion of this topic, that will turn to the Quran and Sunnah. And we'll discuss what we know about one of the most fundamental pillars of our religion. That is the Day of Judgement itself. So, we'll discuss the reality of Qiyamah from the beginning of Qiyamah. Meaning the Trumpet being blown, up until the very end, which is when people will be taken to their final destination, either Jannah or Jahannam.

Sign of the Final Hour Lewis Dalton, 2023-10-26 In the first place, we would like to stress that a Muslim should make his first priority to be prepared for the Day of Judgment. When a man came to the Prophet (peace and blessings be upon him) and asked, What is the exact date of the Day of Judgment? the Prophet answered, What have you prepared for that day? This indirect positive answer from the Prophet (peace and blessings be upon him) directs every Muslim to concern himself, before anything else, with performing good deeds and acts of worship so as to be safe on that day. This book reveals. Early Signs Minor Signs Major Signs of the final hour. The appearance of some signs of Judgment Day should motivate Muslims to turn back to their Lord, repenting and surrendering themselves to Him alone. Muslims should not sleep or wait with hands tied; rather, they should work for a better future for the whole Muslim Ummah and Islam, for Allah helps only those who want to help themselves.
