

Once Upon A Town

Albert A Gayle

Once Upon a Town Bob Greene, 2024-02-27 This New York Times bestseller shares the true story of a small Midwest town's hospitality to U.S. soldiers traveling to the battlefields of World War II. In search of the best America there ever was, award-winning journalist Bob Greene finds it in Nebraska where he discovers the echoes of the most touching love story imaginable: a love story between a country and its sons. During World War II, American soldiers from every city and walk of life rolled through North Platte, Nebraska, on troop trains en route to their ultimate destinations in Europe and the Pacific. The tiny town, wanting to offer the servicemen warmth and support, transformed its modest railroad depot into the North Platte Canteen. Every day of the year, every day of the war, the Canteen—staffed and funded entirely by local volunteers—was open from five a.m. until the last troop train of the day pulled away after midnight. Astonishingly, this remote plains community of only twelve, zero people provided welcoming words, friendship, and baskets of food and treats to more than six million GIs by the time the war ended. In this poignant and heartwarming eyewitness history, based on interviews with North Platte residents and the soldiers who once passed through, Bob Greene tells a classic, lost-in-the-mists-of-time American story of a grateful country honoring its brave and dedicated sons. Bob Greene is a virtuoso of the things that bring journalism alive. —Tom Wolfe Lovely . . . inspiring . . . uplifting . . . I was moved to tears, and you will be, too. —Ann Landers

Wish I Might: A Small Town Southern Romance Kait Nolan, 2016-11-03 She's determined to succeed on her own. He's the charming bookstore owner who never expected the girl of his dreams to walk through his door—again. Cecily Dixon came to Wishful to prove herself—without leaning on her influential last name or trust fund. Her marketing internship is winding down, and with no job lined up yet, she's trying to figure out what's next. The plan? Keep things simple, stay under the radar, and definitely don't fall for a guy who makes her want to stick around. Reed Campbell is living his dream, running a cozy, slightly chaotic bookstore in the heart of town. When Cecily shows up offering to help him modernize his business, he sees more than a chance to grow—he sees a second shot with the woman he hasn't been able to stop thinking about since the summer spark that almost became something more. She's hiding a secret. He's hoping for a fresh start. And in a town like Wishful, love has a funny way of finding its moment—if they're brave enough to take it. Sweet, swoony, and full of small-town heart, *Wish I Might* is a slow-burn romance about unexpected second chances, geeky charm, and building the life you really

want.

Burn For You: A Small Town Romantic Suspense Kait Nolan, 2018-07-13 He risked everything to get close to her. Now she's the one woman he can't walk away from—no matter how dangerous things get. Delaney Newell is trying to rebuild her life from the ground up. After a humiliating scandal and a hard-won recovery, she's focused on staying out of trouble, finishing her EMT certification, and keeping a low profile in Wishful, Mississippi. Complications? Not on the agenda. Sean Murphy is a sexy, steady firefighter with a protective streak and a not-so-secret crush. What started as casual drinks quickly sparks into something far more serious. But Delaney's past isn't just messy—it's combustible. And someone's just lit a match. When an arson accusation threatens everything Delaney has fought to reclaim, Sean steps in. But proving her innocence means exposing secrets she's kept buried—and trusting Sean with a truth that could shatter them both. Full of fierce loyalty, slow-burn chemistry, and small-town heat, *Burn For You* is a deeply emotional love story about rising from the ashes and finding the courage to be loved just as you are.

Watch Over Me: A Small Town Romantic Suspense Kait Nolan, 2018-05-08 She came to town to care for family. He's the man offering her shelter and something more. But someone's watching—and they want her gone. After the death of her partner and the fallout from a whistleblowing scandal, Houston cop Rowan Beale is benched and burned out. When her great-uncle suffers a heart attack, she heads to the small town of Wishful to help with his recovery—and maybe hide from the wreckage of her life. Nash Brewer isn't looking for complications. The ex-Navy pilot is content with flying charters, fixing up his place, and staying out of trouble. But when Rowan shows up next door—fierce, guarded, and haunted—he can't ignore the pull between them or his instinct to protect. What starts as wary friendship soon simmers into something more. But when someone from Rowan's past leaves a threatening message close to home, it's clear her enemies haven't forgotten her—and they don't care who gets caught in the crossfire. An emotionally charged romantic suspense, *Watch Over Me* is a powerful story of loyalty, healing, and choosing to trust the one person who sees through your armor.
