

Peony Book Pearl S Buck

Pearl S. Buck

Peony Pearl S. Buck, 2012-08-21 A young Chinese woman falls in love with a Jewish man in nineteenth-century China in this evocative novel by the Nobel Prize-winning author of *The Good Earth*. In 1850s China, a young girl, Peony, is sold to work as a bondmaid for a rich Jewish family in Kaifeng. Jews have lived for centuries in this region of the country, but by the mid-nineteenth century, assimilation has begun taking its toll on their small enclave. When Peony and the family's son, David, grow up and fall in love with one another, they face strong opposition from every side. Tradition forbids the marriage, and the family already has a rabbi's daughter in mind for David. Long celebrated for its subtle and even-handed treatment of colliding traditions, *Peony* is an engaging coming-of-age story about love, identity, and the tragedy and beauty found at the intersection of two disparate cultures. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

Peony Pearl Sydenstricker Buck, 1975-02 A story of Chinese and Jewish coinflits.

Peony Pearl S. Buck, 1948

Pearl S. Buck's Chinese Women Characters Xionggya Gao, 2000 As a result, the reader will find that Buck's female characters, with their different degrees of individuality and typicality, form a realistic picture of Chinese women.--BOOK JACKET.

The Collected Novels Volume One Pearl S. Buck, 2018-03-13 From the Nobel Prize-winning author of *The Good Earth*: These three novels are fascinating portraits of women in China . In 1938, Pearl S. Buck became the first woman to win a Nobel Prize in Literature for *The Good Earth*, which had already earned her the Pulitzer Prize. Upon choosing Buck's novel for her book club in 2004, Oprah Winfrey said: Reading Pearl Buck's writing feels like reading poetry to me. I just love the quiet rhythm of the words. They evoke the simple beauty of the characters and the harsh mystery of China's ancient culture. The daughter of missionaries, the New York Times-bestselling author would continue to explore many aspect of Chinese culture in her work, and the three novels collected in this volume represent some of her most compassionate and revealing fiction. *Pavilion of Women*: This vivid and extremely interesting novel, set in early twentieth-century China, follows an upper-class wife's quest for personal freedom (*The New Yorker*). After Madame Wu turns forty, she encourages her husband to

take a young concubine so she can finally begin to discover her own mind—and a new world opens up before her as she reads forbidden books and studies English with a progressive former priest. Beautifully written . . . A fine, full flavorsome novel. — Newsweek
Peony: A young Chinese bondmaid in nineteenth-century China falls in love with the son of the wealthy Jewish family she works for. As the couple's traditions collide, their relationship faces opposition from every side. Peony has the vividness of scene and episode and character and the colorful detail that [Buck's] readers have come to expect of her novels in China. — New York Herald Tribune
Imperial Woman: In this richly woven . . . quite absorbing New York Times bestseller, Buck brings to life the story of Tzu Hsi, the magnetic and fierce-minded woman who rose from concubine to become the working head of the Qing Dynasty and the last empress of China for nearly half a century (The Nation) . Certainly, no fictioneer could imagine a more incredible woman. . . . Pearl Buck has done a remarkable and painstaking job in recreating her. — Saturday Review

Pearl S. Buck; a Biography Theodore F. Harris, 1969

Imaginary Ethnographies Gabriele Schwab, 2012 Through readings of iconic figures such as the cannibal, the child, the alien, and the posthuman, Gabriele Schwab analyzes literary explorations at the boundaries of the human. Treating literature as a dynamic medium that writes culture—one that makes the abstract particular and local, and situates us within the world—Schwab pioneers a compelling approach to reading literary texts as anthropologies of the future that challenge habitual productions of meaning and knowledge. Schwab's study draws on anthropology, philosophy, critical theory, and psychoanalysis to trace literature's profound impact on the cultural imaginary. Following a new interpretation of Derrida's and Lévi-Strauss's famous controversy over the indigenous Nambikwara, Schwab explores the vicissitudes of traveling literature through novels and films that fashion a cross-cultural imaginary. She also examines the intricate links between colonialism, cannibalism, melancholia, the fate of disenfranchised children under the forces of globalization, and the intertwinement of property and personhood in the neoliberal imaginary. Schwab concludes with an exploration of discourses on the posthuman, using Samuel Beckett's *The Lost Ones* and its depiction of a future lived under the conditions of minimal life. Drawing on a wide range of theories, Schwab engages the productive intersections between literary studies and anthropology, underscoring the power of literature to shape culture, subjectivity, and life.

Elk Grove Village Nancy Colby, Kelly Behnke, 2008 Prior to 1956, the area now known as Elk Grove Village was a massive cornfield. On July 17, 1956, Elk Grove Village was incorporated as a village, with a population of 116. Since that time, the growth of the village can only be described as phenomenal. Over 50 years, the village has dramatically changed since those early days of cornfields. The name Elk Grove Village was adopted from the great number of elk that roamed through the fenced-in portion of Busse Woods, along Arlington Heights Road, south of the Northwest Tollway. American Indians called the region Wapiti, meaning elk.

The Art of the Shoe Marie-Josèphe Bossan,2012-05-08 Abandoning a French look on the subject, Mrs. Bossan, the author, develops her study with a dichotomous vision: that of time that touches the history of mankind and that of geography and sociology, which lead to an almost ethnographic analysis. The author dissects the shoe and all that surrounds it: from its history to painting and literature. After this book, it will be difficult to publish a book with a more complete treatment of the subject. Illustrated with an iconography that is exceptional both for its aestheticism and the pieces chosen, this book is a reference for historians, sociologists and for the fashion victims and designers...
