*Science Speaks* Peter W. Stoner, Robert Chapman Newman, 1958-01-01

**Handbook of Biblical Evidences** John Ankerberg, John Weldon, 2008-03-01 Many Christians are afraid to talk about their faith for fear of not knowing what to say. How can they prepare themselves? That's the purpose of *Handbook of Bible Evidences*—written by two bestselling apologetics experts, John Ankerberg and John Weldon. They provide clear and thoughtful responses to the tough questions seekers are most likely to ask—questions such as... Hasn't evolution proved that Genesis is wrong? Isn't the Bible filled with historical and scientific errors? What evidence is there that Jesus rose from the dead? Focused on topics related to the Bible, Jesus Christ, and creation, this powerful resource deals head-on with false assumptions and frequent misconceptions people have. And it's based on more than 30 years of apologetics research and ministry to unbelievers. A superb tool for helping readers know how to share their faith with confidence! Formerly titled *Ready with an Answer*.

*Science Speaks* Peter Winebrenner Stoner, 1976

**The Debaters of This Age** Steven H Propp, 2019-02-05 It is June 2018 as an unusual group of scholars, professors, lecturers, and students gather in a California hotel. They are all attendees of an Apologetics conference intended to join qualified representatives of Christian, Deist, and Atheist thought for a two-week, no-holds-barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference. Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics. Catholicism, liberal Christianity, and Deism are also well-supported. The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students. As the participants argue over controversial issues such as cosmology, evolution, The Bible, historical evidence for Jesus, the resurrection, biblical prophecies, and the problem of evil, intellectual fireworks result. But what will result when such a volatile and eclectic group is placed face-to-face for more than two weeks? *The Debaters of this Age* is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time.

**Good Or God?** John Bevere, 2015-08-11 These days the terms good and God seem synonymous. We believe what's generally accepted as good must be in line with God's will. Generosity, humility, justice—good. Selfishness, arrogance,

cruelty—evil. The distinction seems pretty straightforward. But is that all there is to it? If good is so obvious, why does the Bible say that we need discernment to recognize it? Good or God? isn't another self-help message. This book will do more than ask you to change your behavior. It will empower you to engage with God on a level that will change every aspect of your life.

*The Anointed One* Ramin Pourfarzib PhD,2022-04-17 Why do people reject Jesus as their Messiah? There are many reasons—a lack of understanding of the Bible, belief that the Messiah has not come yet but will come, the idea that the New Testament was fabricated, or belief that humans do not need salvation. No matter the reasons for rejecting or accepting Jesus, it is vital to know the facts. *The Anointed One* examines ten common objections given in response to the fulfillment of the messianic prophecies through Jesus Christ and then provides biblical and historical evidence to address these issues. Some of these objections include the following: • The New Testament was corrupted over time. • There is no mention of Jesus in the Old Testament. • Jesus did not fulfill the messianic prophecies. • Jesus was a false prophet. • Jesus, along with His disciples, fabricated the scriptures in the New Testament. In contradicting these points, this study presents intelligent, honest, fair, and direct responses to these belief systems using the Hebrew scriptures and the Christian Bible. It cites a significant amount of scripture and features testimonies from Jewish rabbis and individuals who have accepted Jesus as their Messiah. Offering solid evidence for the case that the messianic prophecies were fulfilled through Jesus, the Anointed One, this study invites you on a journey to pursue and seek the truth.

**Evidence that Demands a Verdict, eBook** Josh McDowell,1999-10-13 Among important books in the defense of Christianity, this one has few equals. *Evidence That Demands a Verdict* is an easy-to-read, front-line defense for Christians facing the tough questions of critics and skeptics. Using secular evidences and other historical sources, Josh McDowell's faith-building book is a must read for every Christian.

Standing Under the Wrong Rainbow G. Deon Thompson,2014-09-12 *Standing Under the Wrong Rainbow* entwines insights from the Bible with the opinions of the author, G. Deon Thompson, to make the case for the durability of the traditional view of marriage as the lifelong union of one woman and one man, while exposing the shortcomings of modern arguments that speak in favor of gay marriage. Chapters treat a variety of topics, including the history of the notion of rights, the scriptural grounding for the traditional morality of marriage, philosophies of truth, the challenges of modern life, the sacrificial nature of godly love, and the essence of marriage as God intends it for human life. If you have found yourself struggling with contemporary debates over the nature of marriage, if you wonder whether the church's traditional teachings still apply in the twenty-first century, and if you feel a growing divide between the practice of your faith and the life of the

wider community, then *Standing Under the Wrong Rainbow* serves as a wake-up call and a guide to reclaiming the power of longstanding tradition.
