From counting the headline to line breaks, from decks to jumps, from editing numbers and photo captions to editing for organization, The Copy Editing and Headline Handbook is the complete source of essential information for the copy editor. Whether copy editing on a computer or on the printed page, for a newspaper or for a magazine, Barbara Ellis shows how to clean, organize, and proof copy like a pro. With special sections on libel, captions, forbidden words, job hazards, and head counts, as well as a section of the most commonly used symbols in copy editing and proofreading, the Handbook is essential for every copy editor's bookshelf.

Chaplaincy: What in "H" Was I Thinking? Susan R. Street-Beavers D.Min., 2015-11-25 For many, the route of coming into and through CPE and the process of self-discovery is mysterious and puzzling, fraught with fear and uncertainty. With amazing clarity and insightful wisdom, Dr. Susan Street-Beavers demystifies the CPE process. You are guided step-by-step with humor, poetry, prayer, scripture, and thought provoking questions through the story of Dr. Susie's journey to wholeness. Whether you are a nurse, social worker, therapist, pastor, elder, leader in your church community, or already a chaplain or just thinking and praying about it, this book offers skills to enhance self-awareness, growth in interpersonal relationships, and the strengthening of your ministry. An absolute must read for seminary students, church leaders and all who might consider participating in Clinical Pastoral Education (CPE) and desire their experience to be a journey of wholeness. -Dr. Frank A. Thomas In this book, Dr. Susie gives the reader a view of her personal journey through the clinical pastoral education (CPE) process. From this book, the reader will learn that many people become chaplains, as a result of going through the CPE process. Whether one becomes a chaplain or serves in another ministry, the self-reflection and growth experienced from the CPE process help make us better people. Dr. Susan Street-Beavers shares that the growth that she experienced caused her to write, What in h was I thinking? The h means heaven. The benefits gained by going through the CPE process can help to aid the CPE journeyer in her/his walk with God as we strive to share divinity with those that we are called to serve. -Dr. James A Nooks

Create a Culture of Kindness in Elementary School Naomi Drew,2021-08-30 Increase empathy in the elementary classroom with ready-to-use lessons that teach students positive skills and attitudes. Kids learn better and feel better about themselves in an atmosphere of safety and respect. This book shows you how to help students in grades three through six: Foster kindness, compassion, and empathy Manage anger Prevent conflict Respond to conflict Address name-calling and teasing Deal with bullying Accept differences With mini lessons that span those seven topic areas, you can build community and student relationships in 20 minutes or less per day. The prep work is already done: each of the 126 lessons has a script, and worksheets are available with the downloadable digital content. Included in the book are anger management activities, conflict resolution strategies, and character-building lessons. And with concrete ideas about how to address bullying in the classroom, these lessons help students understand what bullying is and how they can stand up to bullies. Based on a nationwide survey of more than 2,000 students and teachers, this resource can be used alone or as a complement to anti-bullying or character education programs already in place. The digital content in this book includes reproducible handouts, bonus activities, forms for parents, and information on schoolwide responses to bullying.
