Creative Engagement Rachael Wonderlin, 2020-08-11 An activity book to help caregivers improve the quality of life of people who have dementia. Whether they are cared for at home or in an assisted living community, adults living with dementia should be offered a life that is interesting and fun. But what can you do to enhance the everyday experience of a loved one who is losing interest in or is unable to participate in their old hobbies and pursuits? In *Creative Engagement*, dementia activity expert Rachael Wonderlin and developmental psychology professor Geri M. Lotze provide dozens of creative, hands-on ways to engage with people living with cognitive loss. Teaching caregivers how to find dementia-friendly daily activities and introduce them into a person's life, this comprehensive, empathetic guide is aimed at both family members and professionals. Twelve chapters full of useful, tangible activities touch on a range of topics, including exercise, technology, cooking and baking, memory games, and arts and crafts. Focusing on both group and individual dynamics, mundane activities and specially tailored pursuits, Wonderlin and Lotze offer proven strategies for interacting with people living with dementia. The authors include detailed tips for building a dementia-friendly environment, creating a daily calendar, and scheduling community entertainment. They also suggest special activities geared toward people in hospice care and give targeted advice for dealing with caregiver stress. Drawing on Wonderlin's own practice while incorporating the latest scientific research on dementia and eldercare, *Creative Engagement* is unique in its dementia-positive approach. Anyone who cares for someone living with dementia will gain valuable knowledge from this compassionate book.

The Reckless Club Beth Vrabel, 2018-10-02 From award-winning author Beth Vrabel comes a new middle-grade *Breakfast Club* drama set in a old folks' home. On the last day of middle school, five kids who couldn't be more different commit separate pranks, each sure they won't be caught and they can't get in trouble. They're wrong. As punishment, they each have to volunteer one beautiful summer day-the last one before school-at Northbrook Retirement and Assisted Living Home, where they'll push creamed carrots into toothless mouths, perform the world's most pathetic skit in front of residents who won't remember it anyway, hold gnarled hands of peach fuzzed old ladies who relentlessly push hard candies, and somehow forge a bond with each other that has nothing to do with what they've done and everything to do with who they're becoming. All the action takes place in the course of this one day, with each chapter one hour of that day, as the five kids reveal what they've done, why they did it, and what they're going to do now.
