Come, Lord Jesus, Be Our Guest Marian Korth,2013 Come, Lord Jesus, be our guest. And he came-as a homeless man, a stranger, a friend. Marian Korth and her partner, Mim Jacobson, have served breakfast to thousands of overnight guests in their home, but they didn't bother to offer a cup of coffee to a homeless man huddling on their doorstep one cold winter morning. Why didn't they welcome this Jesus into their home? Marian has more to learn about hospitality, even after sixty years of adventures in hospitality. She can tell stories about being hospitable (or not) from: - Growing up on a small dairy farm in Wisconsin - Living in Chicago for twenty years - Returning to Wisconsin and turning their farmhouse into a bed and breakfast - Providing end-of-life care for guests who live with Marian and Mim in their home - Transforming their bed and breakfast into a spiritual retreat center Kindness is the common thread that runs through all these adventures in hospitality. The first verse Marian memorized as a child was Ephesians 4:32, Be ye kind, one to another, tender-hearted, forgiving one another, even as God for Christ's sake hath forgiven you. (She memorized it and still thinks about it in the King James Version.) In these stories, Marian reflects on what God is telling her about being hospitable. She thinks it's pretty exciting to know that God has told us, Be ready with a meal or a bed when it's needed. Why, some have extended hospitality to angels without ever knowing it! (Hebrews 13:2 The Message)

The Exile Zinaida Tulub,2018-01-01 Zinaida Tulub's novel The Exile is one of the most brilliant works in the canon of

fiction about Taras Shevchenko, the outstanding Ukrainian poet and artist. The idea of writing about Taras Shevchenko first occurred to her when she was in her thirties, during a period spent living in exile in Kazakhstan (1947-1956). Initially, Tulub worked on the screenplay for a film called Kobzar and Yakin, which can be seen as an early prototype for the novel. She was only able to start work on the latter after her return to Kiev in 1956, when she was granted access to archival material and memoirs. She completed the novel in 1962. Tulub's primary goal in the novel was to celebrate Taras Shevchenko's indomitable will and his burning desire to fight for the liberation of the nation, even when he was in exile. Armed with a wealth of detailed biographical information about Shevchenko, Zinaida Tulub created a thrilling portrait of the poet that is both historically accurate and artistically convincing. Depicting the first period of Shevchenko's exile in a detailed, comprehensive manner, Zinaida Tulub adheres strictly to the historical timeline, tracing step by step the path that fate had in store for the exiled poet. She doesn't leave out a single detail from Shevchenko's life, adding light and shade to every important moment or turning point along that treacherous path.

This Song is (Not) For You Laura Nowlin,2024-12-31 Music is the second most important thing, I say. That was something my mother would always say. We've stopped saying it out loud, but I think it all the same. The most important thing is love. From the author of the New York Times and USA Today Bestselling *If He Had Been With Me* comes a captivating novel about navigating—and protecting—the loves and friendships that sustain us. Ramona fell for Sam the moment she met him. It was like she had known him forever. He's one of the few constants in her life, and their friendship is just too important to risk for a kiss. Though she really wants to kiss him... Sam loves Ramona, but he would never expect her to feel the same way-she's too quirky and cool for someone like him. Still, they complement each other perfectly, both as best friends and as a band. Then they meet Tom. Tom makes music too, and he's the band's missing piece. The three quickly become inseparable. Except Ramona's falling in love with Tom. But she hasn't fallen out of love with Sam either. How can she be true to her feelings and herself without losing the very relationships that make her heart sing? *This Song is (Not) for You* is perfect for readers looking for: Contemporary teen romance books Unputdownable & binge-worthy novels Complex emotional YA stories Novels that explore monogamy, polyamory, and asexuality Characters with a passion for music Performance art

Historical Sources of Ethnomusicology in Contemporary Debate Ingrid Åkesson, Gerda Lechleitner, Susanne Ziegler,2017-05-11 This anthology concerns traditional music and archives, and discusses their relationship as seen from historical and epistemological perspectives. Music recordings on wax cylinders, 78 records or magnetic tape, made in the first half of the 20th century, are regarded today as valuable sources for understanding musical processes in their social dimension and as unique cultural heritage. Most of these historical sound recordings are preserved in sound archives, now

increasingly accessible in digital formats. Written by renowned experts, the articles here focus on archives, individual and collective memory, and heritage as today's recreation of the past. Contributors discuss the role of historical sources of traditional music in contemporary research based on examples from music cultures in West Africa, Scandinavia, Turkey, and Portugal, among others. The book will appeal to musicologists and cultural anthropologists, as well as historians and sociologists, and will be of interest to anyone concerned with sound archives, libraries, universities and cultural institutions dedicated to traditional music.
