

The Crossing Cormac McCarthy Summary

Neil Barron,Gale Group

Myth, Legend, Dust Rick Wallach,2000 For almost three decades, Cormac McCarthy solidified his reputation as an American writer's writer with remarkable novels such as his Appalachian Tales, The Orchard Keeper, Outer Dark, Child of God, Suttree, and his terrifying Western masterpiece, Blood Meridian. Then, with the publication of All the Pretty Horses, the first work of his celebrated Border Trilogy in 1992, McCarthy's popularity exploded on to a world stage. As his reputation burgeoned with the publications of The Crossing and Cities of the Plain, the critical response to McCarthy has grown apace.

Twentieth-Century and Contemporary American Literature in Context Linda De Roche,2021-06-04 This four-volume reference work surveys American literature from the early 20th century to the present day, featuring a diverse range of American works and authors and an expansive selection of primary source materials. Bringing useful and engaging material into the classroom, this four-volume set covers more than a century of American literary history—from 1900 to the present. Twentieth-Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical, cultural, and political contexts that have shaped American writing. Twentieth-Century and Contemporary American Literature in Context provides wide coverage of authors, works, genres, and movements that are emblematic of the diversity of modern America. Not only are major literary movements represented, such as the Beats, but this work also highlights the emergence and development of modern Native American literature, African American literature, and other representative groups that showcase the diversity of American letters. A rich selection of primary documents and background material provides indispensable information for student research.

The Crucifixion Fleming Rutledge,2017-02-09 Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome, degrading, public manner of his death by crucifixion, a mode of execution so loathsome that the ancient Romans never spoke of it in polite society. Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ. She shows how each of the biblical themes contributes to the whole, with the Christus Victor motif and the concept of substitution sharing pride of place along

with Irenaeus's recapitulation model.

Hicks, Tribes, and Dirty Realists Robert Rebein, 2021-10-21 Robert Rebein argues that much literary fiction of the 1980s and 90s represents a triumphant, if tortured, return to questions about place and the individual that inspired the works of Hawthorne, Melville, Twain, Faulkner, and other giants of American literature. Concentrating on the realist bent and regional orientation in contemporary fiction, he discusses in detail the various names by which this fiction has been described, including literary postmodernism, minimalism, Hick Chic, Dirty Realism, ecofeminism, and more. Rebein's clearly written, nuanced interpretations of works by Raymond Carver, Cormac McCarthy, Don DeLillo, Louise Erdrich, Dorothy Allison, Barbara Kingsolver, E. Annie Proulx, Chris Offut, and others, will appeal to a wide range of readers.

From Expectation to Experience James Boyd White, 1999 This collection of essays continues the work of James Boyd White in the rhetorical and literary analysis of law as a system for the creation of meaning. White's interest is in the intellectual and ethical possibilities of law, which he sees not merely as a logical enterprise, nor as a mere matter of politics and power, but rather as involving the activity of the whole mind, including its imaginative and affective capacities. The essays here are united by two basic themes: the idea that law can usefully be regarded not only as a set of rules designed to produce results in the material world, as it usually is, but also as an imaginative and intellectual activity that has as its end the claim of meaning for human experience, both individual and collective; and, second, the idea that education, including in the law, works by the constant modification of expectation by experience. *From Expectation to Experience* will interest lawyers, legal scholars, students of law, as well as those engaged in the fields of law and literature, ethics and literature, and rhetoric.--BOOK JACKET.
