Guide to Getting it On! Paul Joannides,2004

**Guide to Getting it on** Paul N. Joannides,2017 Covers many aspects of adult human sexuality, with a brief historical and educational overview of the body and detailed descriptions of various techniques, acts, and fantasies.

Guide to Getting It On Paul Joannides,2025-09-25 This book encourages you to explore dimensions of sexuality that people usually aren't told about--from the emotional part of getting naked together to why a guy who takes his penis too seriously might have trouble pleasing his partner. It covers subjects like hand jobs and heart throbs, kisses above and below the waist, friendship, and sex in different kinds of relationships. This book will help you be the person who your partner(s) tell their friends was the best lover they've ever had. It's also great to read with a partner, helping to make difficult conversations easy and fun to have.

*Girls' Guide to Getting It Together* Amber Lindley,2014-08-04 A brilliant new life in seven easy-to-follow steps. What could possibly go wrong? At twenty-four, Megan Riley has a boring job and a humdrum life. Then she stumbles across a magazine article called How to Be a Confident Woman. Her flatmate, Zara, thinks it's daft, but Megan is certain that this list is her path to a more exciting future. Clearing the chocolate stash out of her desk and investing in good lingerie are simple enough. It's the part about asking out a guy who's way out of her league that's a disaster waiting to happen. Liam Wiseman is gorgeous, funny and...totally not into Megan. It's almost enough to drive her into the arms of the successful London lawyer Megan's mum has picked out for her. Almost. As Megan strides boldly from one misadventure to the next, she discovers that being a strong, independent woman doesn't mean wearing an expensive bra or learning to make a chicken curry. True confidence means being herself—and being herself might just result in finding love along the way.

of life you've always hoped for, and to discover ways to put the ideas into motion.

*SEX GUIDE TO GETTING IT ON* □□□□□,2004-07-20

**Guide to Getting It on** Paul Joannides,2021-09-07 Proudly Announcing the 10th Edition of the GUIDE TO GETTING IT ON Few people had heard of Bumble and Hinge when the last edition of the Guide To Getting It On went to press four years ago. No one in their right mind would have guessed that Chaturbate would become the 28th most popular website in the US, or that women in college would pay for their tuition by selling pics on a website called OnlyFans. And good luck to any guy who calls a woman to ask her for a date instead of texting, because she'll probably think he's a stalker. Anyone who says Why would we need a new edition of a book on sex? needs to throw away their flip phone and wake up. Each new edition of the Guide to Getting It On has risen to the challenge of helping young adults negotiate an ever changing landscape of sex and relationships, and the new 10th edition is no different. Today's young adults are the first generation who began watching the most explicit porn in history on their phones in Middle School. They have very different expectations and needs from a book on sex today than when the first edition of 'The Guide' was published more than twenty-five years ago and was praised as one of the best books on sex ever written. At a time when YouTube has become the source of all wisdom, the 10th edition of the Guide To Getting It On remains the one book on sex that people still want to buy, read and share with a partner. And for readers who value videos, several chapters of the 10th edition have links to videos that were made to go with the book.

*Guide to Getting it On!* Paul Joannides,2004 Completely revised and with 30 additional illustrations, the newest edition of Guide to Getting It On! delivers the latest information on all aspects of sex.
