**The Things You Can See Only When You Slow Down (Summary)** Haemin Sunim, 2018 getAbstract Summary: Get the key points from this book in 10 minutes. You don't have to be a best-selling Zen Buddhist monk like Haemin Sunim to find peace and serenity in life. And you don't have to turn your back on the material world and adopt a monastic existence. Sunim, born in Korea and educated in America, may have a more fully developed spiritual nature than most people, but he grounds his philosophical approach in reality: Accept life's challenges, don't flee from negative emotions, and define your own parameters for happiness and success. Sunim explains how to achieve contentment regardless of your circumstances. Everyone faces difficult challenges, he says - it's how you deal with them that determines your happiness. Ultimately, the author asks you to practice mindfulness - to be aware of your thoughts and actions, and how you interact with people and the world. getAbstract recommends his advice as insightful, informative and comforting. *Summary of Haemin Sunim's The Things You Can See Only When You Slow Down* Everest Media, 2022-07-02T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The world exists because of our minds. We cannot live in a reality that we are unaware of. We cannot focus on the world without focusing on something, and our minds focus on what interests them. Thus, the world exists because of our minds. #2 The world is experienced according

to the state of your mind. When your mind is joyful and compassionate, the world is joyful and compassionate. When your mind is filled with negative thoughts, the world appears negative. #3 When you are stressed, irritated, or angry, be aware of your feelings. As soon as you become aware of these emotions, you are no longer lost in them. Your awareness allows you to witness them from the outside. #4 When trust is shattered, when hopes are dashed, when a loved one leaves you, before doing anything, just pause your life and rest a moment. If you can, surround yourself with close friends and share food and drink while slowly letting out the bottled-up stories of betrayal, disappointment, and hurt.

*The Things You Can See Only when You Slow Down* Hyemin,2017 The world moves fast, but that doesn't mean we have to. **Love for Imperfect Things** Haemin Sunim,2020-02-04 Susan Cain, New York Times bestselling author of *Quiet: The world could surely use a little more love, a little more compassion, and a little more wisdom. In Love for Imperfect Things, Haemin Sunim shows us how to cultivate all three, and to find beauty in the most imperfect of things--including your very own self. A #1 internationally bestselling book of spiritual wisdom about learning to love ourselves, with all our imperfections, by the Buddhist author of The Things You Can See Only When You Slow Down* Hearing the words be good to yourself first, then to others was like being struck by lightning. Many of us respond to the pressures of life by turning inward and ignoring problems, sometimes resulting in anxiety or depression. Others react by working harder at the office, at school, or at home, hoping that this will make ourselves and the people we love happier. But what if being yourself is enough? Just as we are advised on airplanes to take our own oxygen first before helping others, we must first be at peace with ourselves before we can be at peace with the world around us. In this beautiful follow-up to his international bestseller *The Things You Can See Only When You Slow Down*, Zen Buddhist monk Haemin Sunim turns his trademark wisdom to the art of self-care, arguing that only by accepting yourself--and the flaws that make you who you are--can you have compassionate and fulfilling relationships with your partner, your family, and your friends. With more than thirty-five full-color illustrations, *Love for Imperfect Things* will appeal to both your eyes and your heart, and help you learn to love yourself, your life, and everyone in it. When you care for yourself first, the world begins to find you worthy of care.
