From Death to Life Jesse Lefler, 2022-07-19 Have you ever been in so much pain that sometimes it's hard to breathe? Spiritual pain? Mental pain? Physical pain? I write this story to give you the hope no one was able to give me because people didn't understand. Just about every character you read about is someone I know and the struggles they had in their lives. From divorce to panic attacks, it's all here. The characters in From Death to Life are all in heaven, and they each have a job to do. Walking into the spiritual world can be fascinating and scary at the same time. They are waiting for Christ to return, but in the meantime, their jobs are complicated. From heaven to hell on earth, it's a complex military structure. A thought can become an action. Action becomes a habit. Habit becomes a serious addiction. Let this story take you in and see that it does get better. God promised us, and he doesn't lie.

Demon's Wrath: Death in Caguas Patrick James Ryan, 2023-06-24 Brutal murders have been occurring in the rural villages of Caguas, Puerto Rico. A sinister force is beginning to show its terrifying presence. Michael Moretti, a seasoned expert in these matters, is hired by the Vatican City for his greatest challenge. But as he works with his partner Roberto, he begins to doubt his Catholic faith and capacity to defeat such an abomination. He falls in love with a beautiful woman who could jeopardize his mission. While the murders continue, Michael, Roberto and their Vatican mentor Cardinal Pussilano must pursue an unstoppable ancient evil while leaving a trail of bloody Carnage and monster mayhem only author Patrick James Ryan (Blood Verse) can deliver!

But even if their mission is a success, the truth behind the “most haunted place on earth” may not be the comforting revelation the world is hoping for. Collects HAUNT YOU TO THE END #1-5

Beyond the Realms of Death Charles Sherrod, 2024-02-05 Chris's beloved Sarah has tragically passed away unbeknownst to him. While his heart struggles to accept her disappearance, he befriends Becky, who experiences a paranormal encounter in her home while painting over artwork created by Sarah. Through a series of brutal murders, his dreams and visions lead him on a paranormal journey through a storm. The nightmares turn to déjà vu as the ghosts of Sarah and a man who looks like a gravedigger attempt to lead Chris to Sarah. A botched seance performed by amateur paranormal investigators leads police to believe that evil spirits are responsible for the deaths of Chris's friends. Detectives employ professional paranormal investigators to discover the shocking identity of the gravedigger. Chris discovers that he has extra sensory perceptions, and in spite of Becky's protests, he follows a phantom to a corpse. Armed with new information Chris goes beyond the realms of death, where the eccentric investigators help him confront the demons that haunted him.

The Oxford Handbook of Witchcraft in Early Modern Europe and Colonial America Brian P. Levack, 2013-03-28 The essays in this Handbook, written by leading scholars working in the rapidly developing field of witchcraft studies, explore the historical literature regarding witch beliefs and witch trials in Europe and colonial America between the early fifteenth and early eighteenth centuries. During these years witches were thought to be evil people who used magical power to inflict physical harm or misfortune on their neighbours. Witches were also believed to have made pacts with the devil and sometimes to have worshipped him at nocturnal assemblies known as sabbaths. These beliefs provided the basis for defining witchcraft as a secular and ecclesiastical crime and prosecuting tens of thousands of women and men for this offence. The trials resulted in as many as fifty thousand executions. These essays study the rise and fall of witchcraft prosecutions in the various kingdoms and territories of Europe and in English, Spanish, and Portuguese colonies in the Americas. They also relate these prosecutions to the Catholic and Protestant reformations, the introduction of new forms of criminal procedure, medical and scientific thought, the process of state-building, profound social and economic change, early modern patterns of gender relations, and the wave of demonic possessions that occurred in Europe at the same time. The essays survey the current state of knowledge in the field, explore the academic controversies that have arisen regarding witch beliefs and witch trials, propose new ways of studying the subject, and identify areas for future research.

Haunted Lambeth James Clark, 2013-02-01 Haunted Lambeth is a collection of real-life stories of apparitions and poltergeists from all across the London Borough of Lambeth. Included are the ghost stories of Lambeth Palace, the terrifying tradition of the 'Tomb of the Tradescants', a ghost at The Old Vic Theatre, the dream house that haunted the entertainer Roy Hudd, supernatural echoes of Waterloo's Necropolis Railway, the ghosts of Ruth Ellis and others at Streatham's Caesar's Nightclub. These stories have been collected and researched over many years, and come from a variety of sources including original newspaper articles, books and, as often as possible, personal communication with people directly involved.
