Get A Grip Gino Wickman, Mike Paton, 2014-04-08 It's time to take your business to the next level. Eileen Sharp and Vic Hightower were frustrated. After years of profitable, predictable growth, Swan Services was in a rut. Meetings were called and discussions held, but few decisions were made and even less got done. People were pointing fingers and assigning blame, but nothing happened to solve Swan's mounting problems. It felt as though they were working harder than ever but with less impact. The company Eileen and Vic had founded and built for 10 years was a different place. It just wasn't fun anymore. Their story is not unusual. The challenges they were facing are common, predictable, and solvable. Get A Grip tells the story of how Swan Services resolves its issues by implementing the Entrepreneurial Operating System®. With the help of EOS, Eileen, Vic, and their leadership team master a set of managerial tools that allow them to get traction on their business, grow the business, and deliver better results for clients. The story of Swan Services is a fable, but the Entrepreneurial Operating System® is very real and has helped thousands of businesses worldwide. A complete entrepreneurial toolkit, EOS has helped thousands of businesses get to where they want to be. In Get A Grip, learn how Swan Services leaders learned to develop and commit to a clear vision, establish focus, build discipline, and create a healthier and more cohesive team. With

characters and situations created from collective business experiences and stories, *Get A Grip* is a fable that will ring true for entrepreneurial leaders the world over and guide them to get their companies on track.

How to Be a Great Boss Gino Wickman, René Boer, 2016-09-13 If your employees brought their A-Game to work every day, what would it mean for your company's performance? Studies have repeatedly shown that the majority of employees are disengaged at work. But it doesn't have to be this way. Often, the difference between a group of indifferent employees and a fully engaged team comes down to one simple thing—a great boss. In *How to Be a Great Boss*, Gino Wickman and René Boer present a straightforward, practical approach to help bosses at all levels of an organization get the most from their people. They share time-tested tools that have worked for more than 30,000 bosses in every industry. You can learn to be a great boss—and dramatically improve both your organization's performance and your team's excitement about their work. In this book you will discover: How to surround yourself with great people How to make more effective use of your time The difference between leadership and management and why they're equally important The five leadership practices and five management practices of all great bosses How to create accountability How to develop productive, relationships with each of your people How to deal with direct reports that don't meet your expectations *How to Be a Great Boss* provides practical tools that you can apply immediately with your people, allowing you to focus on improving and growing your organization and truly enjoy what you do.

What the Heck Is EOS? Gino Wickman, 2017-09-05 Has your company struggled to roll EOS out to all levels of your organization? Do your employees understand why EOS is important or even what it is? *What the Heck is EOS?* is for the millions of employees in companies running their businesses on EOS (Entrepreneurial Operating System). An easy and fast read, this book answers the questions many employees have about EOS and their company: What is an operating system? What is EOS and why is my company using it? What are the EOS foundational tools and how do they impact me? What's in it for me? Designed to engage employees in the EOS process and tools, *What the Heck is EOS?* uses simple, straightforward language and provides questions about each tool for managers and employees to discuss creating more ownership and buy-in at the staff level. After reading this book, employees will not only have a better understanding of EOS but they will be more engaged, taking an active role in helping achieve your company's vision.

The EOS Life Gino Wickman, 2021-09-21 Do what you love—with people you love. Make a huge difference. Get compensated accordingly. And still have time for other passions. *The EOS Life* will help you to discover, clarify, and customize the life you want to live: one where you do what you love every day, with the people you love doing it with—while at the same time making a huge difference and impact, getting compensated very well for doing it, and still having plenty of time to pursue other passions, hobbies, and interests that energize you. From Gino Wickman, creator of the Traction Library, *The EOS Life* will give you practical, real-world, time-tested tools and insights to maximize your productivity, vitality,

happiness, and work-life balance. This book is a must-read for all entrepreneurs and their leadership team members interested in living their ideal life.

Rocket Fuel Gino Wickman, Mark C. Winters, 2015-04-28 Discover the vital relationship that will take your company from What's next? to We have liftoff! Visionaries have groundbreaking ideas. Integrators make those ideas a reality. This explosive combination is the key to getting everything you want out of your business. It worked for Disney. It worked for McDonald's. It worked for Ford. It can work for you. From the author of the bestselling *Traction*, *Rocket Fuel* details the integral roles of the Visionary and Integrator and explains how an effective relationship between the two can help your business thrive. Offering advice to help Visionary-minded and Integrator-minded individuals find one another, *Rocket Fuel* also features assessments so you're able to determine whether you're a Visionary or an Integrator. Without an Integrator, a Visionary is far less likely to succeed long-term, and realize the company's ultimate goals—likewise, with no Visionary, an Integrator can't rise to his or her full potential. When these two people come together to share their natural talents and innate skill sets, it's like rocket fuel—they have the power to reach new heights for virtually any company or organization.

Process! Mike Paton, Lisa González, 2022-09-27 This deep-dive into the revolutionary EOS method to strengthen a company's process component will help leaders at all companies—from early stage startups to established corporations—run better businesses and live better lives. Part of the TRACTION Library, Process! proves that a high-level, 20/80 approach to getting your core processes “followed by all” will help you: Get consistently exceptional results Improve and innovate as necessary Free yourself to live your ideal life If you own, run, or lead in a fast-moving business, you're likely driven by passion and a desire to be free. Many leaders mistakenly believe instilling rigor and discipline for process throughout your organizations will inhibit freedom. They couldn't be more wrong. It's when you're stuck in the day-to-day, putting out fires and cleaning up messes, that passion turns to frustration. Freedom seems somewhere between elusive and impossible. The secret to getting unstuck is process. This inspiring, informative field guide will prove it's possible to establish rigor and discipline for process while also increasing creativity, flexibility, and innovation. Process! will help you identify a handful of core processes that make your business uniquely valuable. You'll learn how to document and simplify the major steps in those processes so they can be done the right and best way, every time. Finally, you'll execute a simple, step-by-step plan that is helping more than 10,000 entrepreneurs around the world consistently get the results they want.

People Mark O'Donnell, Kelly Knight, CJ DuBe', 2024-04-02 Master the People Component of your business by building an intentional culture with the Entrepreneurial Operating System (EOS). The second installment of the Traction Library's EOS Mastery Series, People gives readers all the tools they need to create a thriving workplace culture and shows why it's an absolutely essential part of any successful business. Hit-or-miss hiring, flagging productivity, infighting, employees in positions not suited to their strengths, or an inability to attract and retain good candidates are just some of the symptoms of a haphazard company. And they won't go away on their own—you have to have the courage to build an intentional culture. Using the proven EOS heart-centered leadership approach, readers will learn how to: Identify and implement your company's Core Values Adopt healthy cultural habits without overcomplicating things Attract, hire, and retain the right people Creating an intentional culture isn't optional—it's crucial to ensuring the future of your business and improving the quality of your life.

People will teach entrepreneurs how to get their employees on board and on the same page for a culture overhaul.

All Business Is Personal Joseph A. Michelli, 2025-05-13 Drawing lessons from the industry-leading business practices at One Medical, a brand transforming the customer experience in healthcare, *All Business Is Personal* gives readers tools to blend the powerful benefits of today's rapidly improving technology with individuals' unique talents, all in the name of providing only the best for their customers-- Provided by publisher.

Start with Who W. Craig Reed, 2024-01-16 Ken Blanchard, co-author of *The New One Minute Manager*, says *Start with Who* is “thought-provoking” and “shows business, marketing, and sales professionals how to persuade any client with just twelve bullets and a story.” *Start with Who*, with a foreword by EOS Visionaries Mike Paton and Mark O'Donnell, is the next generation beyond business books written decades ago, including Simon Sinek's *Start with Why* and Gartner's *The Challenger Sale*. The groundbreaking science, examples, and concepts in this book are delivered in easy-to-understand terms, mingled with touches of humor, and designed to help drive meteoric success for sales, marketing, and recruiting professionals who have started or work for small to medium businesses. Executives at larger firms can also benefit greatly from the cutting-edge “trust-building” science, storytelling techniques, and proven sales enablement approaches described within these pages. Over 90 percent of customers buy on trust, but only 3 percent of salespersons are trusted. *Start with Who* takes science-based storytelling for sales, marketing, and talent acquisition to a new level by showing you how to blend Aristotle's Persuasion Model, business neuromarketing, the educational 4MAT system, and a new approach to the Three-Act Play to build customer and candidate trust with only twelve bullet points and a story. All salespersons know that “facts tell and stories sell.” Having trained and coached thousands of sales and marketing professionals for leading firms, New York Times bestselling author W. Craig Reed leverages decades of experience to help individuals hone their messaging down to a few short bullet points presented in a compelling yet easy-to-understand story format designed to teach, persuade, and drive action.
