Rita Mae Brown

Wish You Were Here Rita Mae Brown, 1991-10-01 Curiosity just might be the death of Mrs. Murphy--and her human companion, Mary Minor Harry Haristeen. Small towns are like families: Everyone lives very close together. . .and everyone keeps secrets. Crozet, Virginia, is a typical small town-until its secrets explode into murder. Crozet's thirty-something postmistress, Mary Minor Harry Haristeen, has a tiger cat (Mrs. Murphy) and a Welsh Corgi (Tucker), a pending divorce, and a bad habit of reading postcards not addressed to her. When Crozet's citizens start turning up murdered, Harry remembers that each received a card with a tombstone on the front and the message Wish you were here on the back. Intent on protecting their human friend, Mrs. Murphy and Tucker begin to scent out clues. Meanwhile, Harry is conducting her own investigation, unaware her pets are one step ahead of her. If only Mrs. Murphy could alert her somehow, Harry could uncover the culprit before the murder occurs--and before Harry finds herself on the killer's mailing list.

Three Mrs. Murphy Mysteries Rita Mae Brown, 2003 Rita Mae Brown and her inseparable co-author, that fabulous feline Sneaky Pie Brown, are together again in this triple-threat collection of mystery and manners, southern-style. In fact, the first three novels in the Browns' Mrs. Murphy bestselling mystery series are reprinted here in their entirety. Whether you are already familiar with the detective work of postmistress Mary Minor Harry Haristeen and her tiger cat Mrs. Murphy or are new to the team, you are sure to be intrigued by their unique approach. It's murder with a touch of whimsy, all set in the cozy hamlet of Crozet, Virginia. Meet Harry's friends, neighbors...and suspects--folks like notorious society vamp Boom Boom Craycroft in *Rest in Pieces*, or the nice Miranda Hogendobber in *Murder at Monticello*, and get a good taste of Brown's wickedly observant take on manners below the Mason-Dixon line. Cat lovers, mystery aficionados, and anyone who might like an armchair visit to a delightful old town down South, is sure to enjoy these witty, cleverly-plotted tales of suspense.

Wish You Were Here , 2010

Rita Mae Brown Carol Marie Ward, 1993 Perhaps the best summation of Rita Mae Brown is that which she gives of herself: I'm a writer and I'm a woman and I'm from the South and I'm alive. Often categorized as essentially a lesbian or feminist writer, Brown has had to contend with her works being sometimes overshadowed by her politics and hence has not received the scholarly attention she might have otherwise. But the wit and exuberance of her novels, as well as their continued popularity, are testament to Brown's importance as a modern American author. Her first published works were

political essays, and by the 1970s she was an active figure in the women's and gay liberation movements. In Rita Mae Brown, Carol M. Ward guides the reader through critical analysis of the novels of this author whose subversiveness is honeyed with characters of spirited individuality and humor. Ward discusses Brown's version of the historical and the autobiographical novel and places her within the tradition of American Southern writers. She also examines how Brown's awareness of sexual, class, and regional differences has informed her fiction and its form, particularly as she deals with the themes of home and community. This needed study sheds light on an author whose political background has produced life-affirming fiction and a body of work that is of ever-increasing interest. Rita Mae Brown includes a bibliography helpful to admirers and students of Brown's work.

Sneaky Pie for President Rita Mae Brown, 2012-08-07 Ask not what your cat can do for you—ask what you can do for your cat. Tired of politics as usual? Despair not: Rita Mae Brown's intrepid feline co-author, Sneaky Pie, is taking time off from her busy schedule writing bestselling mysteries to run for President of the United States. It's never too late to start! With help from her friends—the irascible gray cat Pewter, the wise Corgi Tee Tucker, and Tally, the exuberant Jack Russell—Sneaky crisscrosses her home state of Virginia hoping to go where no cat since Socks Clinton has gone: 1600 Pennsylvania Avenue. After all, who better to get the economy purring again than an honest tabby with authentic political stripes? Sneaky has an animal-friendly agenda to unify all Americans—regardless of whether they walk on two or four feet or even if they fly. Human candidates have had their chance in Washington, and nowhere does it say in the Constitution that the next president cannot be a cat. Vote Sneaky! Includes a preview of Rita Mae Brown and Sneaky Pie Brown's next Mrs. Murphy mystery, *The Litter of the Law*.

Finding Our Place Nikki McCaslin, 2010-01-18 This unique one-volume reference guide provides positive and empowering biographical sketches of 100 famous and well-known adoptees throughout time, serving to counter the many negative stereotypes that exist that exist about people who were adopted, fostered, or lived in orphanages. This work looks at the lives of people who, despite circumstances in their childhood, were able to succeed in making important contributions to art, music, science, literature, politics, and entrepreneurship. This work answers the call to obtaining difficult-to-find information about well-known adoptees. High school students and general readers who are interested in learning more about positive role models in adoption and children's issues will find this book invaluable. McCaslin outlines the parameters she used for inclusion in the book, and then discusses the history of adoption from ancient civilization to today's society. Each entry focuses on the early life of the subject, as well as his or her career and achievements. Entries include Aristotle, Edward Albee, Ingrid Bergman, Oksana Baiul, Ella Fitzgerald, Faith Hill, Marilyn Monroe, Dave Thomas, Orson Welles and many more.

American Novel Explication, 1991-1995 Catherine Glitsch, 1998 Covers criticism of American novels found in journals and books published between the years 1991 and 1995.

Contemporary Fiction Writers of the South Joseph M. Flora, Robert Bain, 1993-08-23 The extraordinary flowering of Southern literary talent in the early twentieth century, the Southern Literary Renaissance, has continued virtually unabated, showing increasing vitality in recent decades. These newer fiction writers, poets, dramatists, and journalists reflect in their work the changing social conditions of the South while also presenting traditional Southern values and qualities. Their astonishing output constitutes a phenomenon worthy of being called a Second Southern Literary Renaissance. Joseph M. Flora and Robert Bain, editors of the acclaimed *Fifty Southern Writers before 1900* and *Fifty Southern Writers after 1900*, found that they could only begin to suggest the continuing abundance and significance of Southern writing in the latter volume. Retaining the same format, they have developed two new volumes for the contemporary period. The first, focusing on fiction, comprises forty-nine talented novelists, including such popular figures as Pat Conroy, Gail Godwin, T. R. Pearson, Anne Tyler, and Alice Walker. The companion volume, (*Contemporary Poets, Dramatists, Essayists, and Novelists: A Bio-Bibliographical Sourcebook* forthcoming from Greenwood Press) will cover primarily poets, playwrights, and essayists as well as fiction writers who have made major contributions to these other genres. The essays, written by scholars and critics, present in each case a biographical sketch, an analysis of the writer's style and major themes, an assessment of reviews and scholarship, a chronological list of works, and a bibliography of selected criticism. Considered individually and comparatively and with attention to the editors' introductory essay, these bio-bibliographical studies clearly demonstrate the state and strength of Southern letters.
