With No One As Witness Elizabeth George,2005-03-15 When an adolescent boy's mutilated body is found, it doesn't take long for the police to realize that this is the work of a serial killer.

With No One As Witness LP Elizabeth George,2005-03-15 In *With No One As Witness*, Elizabeth George has crafted an intricate, meticulously researched, and absorbing story sure to enthrall her readers. Detective Inspector Thomas Lynley, along with his longtime partner, the fiery Barbara Havers, and the newly promoted Detective Sergeant Winston Nkata are back and on the hunt for a sinister killer. When an adolescent boy's nude body is found mutilated and artfully arranged on the top of a tomb, it takes no large leap for the police to recognize this as the work of a serial killer. This is the fourth victim in three months -- but the first to be white. Hoping to avoid charges of institutionalized racism in its failure to pursue the earlier crimes to their conclusion, New Scotland Yard hands the case over to Lynley and his colleagues. The killer is a psychopath who does not intend to be stopped. Worse, a devastating tragedy within police ranks causes them to fumble in their pursuit of him. With a surprise ending that will shock readers to the core, *With No One As Witness* is full of the mesmerizing action and psychological intrigue that are the hallmarks of Elizabeth George's work.
