

S About Male Friendship

Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman

Mark Twain and Male Friendship Peter Messent, 2009-10-30 Biographies of America's greatest humorist abound, but none have charted the overall influence of the key male friendships that profoundly informed his life and work. Combining biography, literary history, and gender studies, *Mark Twain and Male Friendship* presents a welcome new perspective as it examines three vastly different friendships and the stamp they left on Samuel Clemens's life. With accessible prose informed by impressive research, the study provides an illuminating history of the friendships it explores, and the personal and cultural dynamic of the relationships. In the case of Twain and his pastor, Joseph Twichell, emphasis is put on the latter's role as mentor and spiritual advisor and on Twain's own waning sense of religious belonging. Messent then shifts gears to consider Twain's friendship with fellow author and collaborator William Dean Howells. Fascinating in its own right, this relationship also serves as a prism through which to view the literary marketplace of nineteenth-century America. A third, seemingly unlikely friendship between Twain and Standard Oil executive H.H. Rogers focuses on Twain's attitude toward business and shows how Rogers and his wife served as a surrogate family for the novelist after the death of his own wife. As he charts these relationships, Messent uses existing work on male friendship, gender roles, and cultural change as a framework in which to situate altered conceptions of masculinity and of men's roles, not just in marriage but in the larger social networks of their time. In sum, *Mark Twain and Male Friendship* is not only a valuable new resource on the great novelist but also a lively cultural history of male friendship in nineteenth-century America.

Men's Friendships Peter M. Nardi, 1992-02-26 Current and much-needed, this book offers an analysis of the social forces which shape the way friendship is organized. Through varying perspectives, contributors show that a variation exists within--as well as between--the genders. They focus on diversity in men's friendships, and how men develop and maintain friendships with other men and women. Part I focuses on philosophical and historical questions; Part II illustrates the strong connection between social structure and men's friendships; and the final chapters consider cultural diversity. *Men's Friendships* reorganizes existing knowledge and introduces fresh perspectives within the framework of men's studies. This volume is sure to stimulate debate, raise questions, and offer suggestions for future research. A very interesting collection, particularly those on black men's relationships--where the author compares working class and middle class black American men's relationships--a history of friendship and the changing nature of men's intimacy and power, and intimacy and sexuality

in male athletes' friendships. --Working with Men Theory and research on men's studies are alive and well, and Peter Nardi's edited book, Men's Friendships, is a significant contribution to this literature. The book not only provides a useful account of how men develop and maintain their friendships, it introduces a variety of rigorous approaches (historical, sociological, and cross-cultural) to examine this topic. --Journal of Men's Studies Provides a thought-provoking, multifaceted look at how men handle friendship under a variety of conditions. . . . Some of the authors present data-based research findings; others give reflective integrative essays. General readers, undergraduate students, and above. --Choice Theory and research on men's studies are alive and well, and Peter Nardi's edited book, Men's Friendships, is a significant contribution to this literature. The book not only provides a useful account of how men develop and maintain their friendships, it introduces a variety of rigorous approaches (historical, sociological, and cross-cultural) to examine this topic. . . . Men's Friendships is not only an important contribution to men's studies, it is necessary reading for anyone interested in studying friendships. --The Journal of Men's Studies Overall, this book demonstrates the vitality of research and theory on men's friendships. Men's Friendships is not only an important contribution to men's studies, it is necessary reading for anyone interested in studying relationships. --Personal Relationships Issues The anthology . . . provides an excellent overview of the permutations of men's friendships. It is both tightly organized and wide ranging, a particularly difficult accomplishment for a collection. . . . Men's Friendships is one of the most interesting additions to the growing friendship literature. It significantly opens up the debate over gender differences in friendship--both within and between genders. --Masculinities
