*Jump into the Story* Ray R. Friesen,2019-02-27 Preaching is a challenging, privileged, and awesome responsibility. As important as mining the text for its meaning and message and making connections to our twenty-first-century world is the responsibility to engage the imaginations of the people in the pews (or chairs). In this book, Ray Friesen—life-long preacher and retired pastor—has provided twenty examples of how to be creative and engage those imaginations. Most were written under the pressures of bi-vocational ministry (preaching forty times a year as half-time pastor and operating a mediation practice). They are offered to you, not as sermons for you to preach, but as examples of what is possible, even with all the other responsibilities you may have. Each sermon and type of creativity will create an opportunity to set your imagination and creativity free to engage the imaginations, hearts, and dreams of your parishioners.

**Quebec's Eastern Townships and the World** Cheryl Gosselin, Andrew C. Holman, Christopher Kirkey, 2025-03-04 The Eastern Townships of Quebec are celebrated in popular discourse as a charming and remote nature playground for busy Montrealers, an appendage to stately Quebec City, and a northern abutment to the Northeast Kingdom of the United States. A closer look reveals a region with its own gravity, sense of being, and worldly connections. Quebec's Eastern Townships and the World examines the region's direct links to larger prevailing international forces and identities. Here, the Eastern Townships take centre stage as the reader encounters the vibrancy of a place marked not by its insularity but by its long history: a central meeting ground shaped by its many engagements with the world. The book provides new perspectives on compelling and significant topics in Townships history and culture, including Indigenous land use, the mobility of peoples to and from the region, linguistic diversity, economic production, education, sport, religion, and culture in myriad forms. These studies recast the Eastern Townships as a centre, a borderland, a lieu de passage between nations, communities, and peoples. Featuring original and compelling insights, Quebec's Eastern Townships and the World confirms that this beautiful region was and is a global place, one intimately connected to the world.

*The Routledge Handbook of Literary Geographies* Neal Alexander, David Cooper, 2024-08-09 The Routledge Handbook of Literary Geographies provides a comprehensive overview of recent research and a range of innovative ways of thinking literature and geography together. It maps the history of literary geography and identifies key developments and debates in the field. Written by leading and emerging scholars from around the world, the 38 chapters are organised into six themed sections, which consider: differing critical methodologies; keywords and concepts; literary geography in the light of literary history; a variety of places, spaces, and landforms; the significance of literary forms and genres; and the role of literary geographies beyond the academy. Presenting the work of scholars from different disciplinary backgrounds, each section offers readers new angles from which to view the convergence of literary creativity and geographical thought. Collectively, the contributors also address some of the major issues of our time including the climate emergency, movement and migration, and the politics of place. Literary geography is a dynamic interdisciplinary field dedicated to exploring the complex relationships between geography and literature. This cutting-edge collection will be an essential resource for undergraduate and postgraduate students in both Geography and Literary Studies, and scholars interested in the evolving

interface between the two disciplines.

**The Madness of Crowds** Louise Penny, 2021-08-24 Instant #1 New York Times Bestseller AARP The Magazine - Recommended Summer Reading CNN - A Most Anticipated Book of August Bustle - A Most Anticipated Book of August Chief Inspector Armand Gamache returns to Three Pines in #1 New York Times bestseller Louise Penny's latest spellbinding novel You're a coward. Time and again, as the New Year approaches, that charge is leveled against Armand Gamache. It starts innocently enough. While the residents of the Québec village of Three Pines take advantage of the deep snow to ski and toboggan, to drink hot chocolate in the bistro and share meals together, the Chief Inspector finds his holiday with his family interrupted by a simple request. He's asked to provide security for what promises to be a non-event. A visiting Professor of Statistics will be giving a lecture at the nearby university. While he is perplexed as to why the head of homicide for the Sûreté du Québec would be assigned this task, it sounds easy enough. That is until Gamache starts looking into Professor Abigail Robinson and discovers an agenda so repulsive he begs the university to cancel the lecture. They refuse, citing academic freedom, and accuse Gamache of censorship and intellectual cowardice. Before long, Professor Robinson's views start seeping into conversations. Spreading and infecting. So that truth and fact, reality and delusion are so confused it's near impossible to tell them apart. Discussions become debates, debates become arguments, which turn into fights. As sides are declared, a madness takes hold. Abigail Robinson promises that, if they follow her, ça va bien aller. All will be well. But not, Gamache and his team know, for everyone. When a murder is committed it falls to Armand Gamache, his second-in-command Jean-Guy Beauvoir, and their team to investigate the crime as well as this extraordinary popular delusion. And the madness of crowds.

**Murder in Paradise** Ann Cleeves, 2025-01-28 Before Shetland and Vera, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. Newlyweds Jim and Sarah are welcomed home from their honeymoon to the Scottish island of Kinness with a huge celebration. But the cheerful festivities take a dark turn when the groom's sister slips and tumbles to the perilous rocks below . . . and the whole island is present to witness the bitter end. But did Jim's younger sister Mary fall? Or was she pushed? George Palmer-Jones, retired birdwatcher and amateur detective, suspects the latter. But proving it will be difficult—no one wants to upset the balance of the island's ancient relationships. Kinness is a paradise lost, filled with hidden secrets, and it's George's job to piece together the unravelling threads.
