Break the Glass Olivia Swindler, 2023-12-05 Overnight, in a small town, careers, friendships, reputations, and futures are all on the line in a razor-sharp novel about scandals, secrets, and hard-earned dreams coming true. A small-town campus is rocked by scandal. Suddenly, four women find themselves in the crosshairs of an investigation that threatens to upend their lives. Lauren is the wife of a charismatic, now disgraced, university athletic director. To keep their marriage from crumbling, she's cleaned up his messes before. This one she never saw coming. Nora is the director's interim replacement. The groundbreaking career she's worked for is on the rise. As wife of the English department's dean, so is the scrutiny and the pressure. Anne is Nora's wide-eyed intern, thrust unprepared into the chaos of a headline-making story. And there's Alexis, an English professor in panic mode. Her own secret has always been safe. Until now. As the media descends, colleagues and friends begin to question everything they thought they knew about each other. Every one of them is getting caught off guard. And it feels like the whole world is watching.

Cynthia Starts a Band Olivia Swindler, 2021-07-06 The story of a singer who has it all and her attempt to start over and discover who she is when the world isn't looking from the author of Break the Glass. Eleanor Quinn was America's sweetheart. The lead singer in a wildly successful band and dating the most beautiful man in America, she lives a life most could only dream of. Then on the night of her engagement, she vanishes, leaving the world to wonder where and why she has gone. Eleanor sets out on a journey to regain agency in her life, to be something other than "Eleanor Quinn." She moves to Seattle determined to find herself again. Riddled with self-doubt, she realizes the only way she can ever be free is to share her side of the story. Although starting over is not as simple as she imagined, as the ghosts from her past force their way to her . . . "An adorable, funny, heartbreaking story about a girl determined to reclaim her life—Cynthia Starts a Band was a lovely and authentic story that will resonate with a lot of readers." —Drunk on Pop "This is a story of love—old and new, friendship and the resolve to start over." —Girl Who Reads
