Heartless Elsie Silver,2022-10-14 Working as a nanny for the world's grumpiest single dad should have been simple. Except I can't keep my eyes off him. And he can't keep his hands off of me. Cade Eaton is thirteen years older than I am and barely looks my way. Until I get him into the hot tub one night for a game of truth or dare. Then all bets are off-and so are our clothes. He's gruff, a little rough around the edges. But broad-shouldered ranchers with calloused hands and filthy mouths are this city girl's kryptonite. So who am I to resist? But it's in our quiet moments together that he softens. It's when he takes care of me that I realize his hardened exterior is just a façade. It's when I watch him go all sweet with his little boy that I really fall for him. Someone convinced him once that his best wasn't good enough. But I've never felt more cherished than I do in his arms. My contract may say this arrangement is only for two months. But my heart says this is forever.

Powerless (Special Edition) Elsie Silver,2023-02-10 After being left at the alter, a young woman finds solace with her childhood friend-who happens to be a famous hockey player-but what starts as a fun road trip soon turns into so much more as they explore their feelings for each other.
