

Dead End In Norvelt

LL Leslie

Dead End in Norvelt Jack Gantos,2011-09-13 Dead End in Norvelt is the winner of the Newbery Medal for best contribution to children's literature and the Scott O'Dell Award for Historical Fiction! Melding the entirely true and the wildly fictional, Dead End in Norvelt is a novel about an incredible two months for a kid named Jack Gantos, whose plans for vacation excitement are shot down when he is grounded for life by his feuding parents, and whose nose spews bad blood at every little shock he gets. But plenty of excitement (and shocks) are coming Jack's way once his mom loans him out to help a fiesty old neighbor with a most unusual chore—typewriting obituaries filled with stories about the people who founded his utopian town. As one obituary leads to another, Jack is launched on a strange adventure involving molten wax, Eleanor Roosevelt, twisted promises, a homemade airplane, Girl Scout cookies, a man on a trike, a dancing plague, voices from the past, Hells Angels . . . and possibly murder. Endlessly surprising, this sly, sharp-edged narrative is the author at his very best, making readers laugh out loud at the most unexpected things in a dead-funny depiction of growing up in a slightly off-kilter place where the past is present, the present is confusing, and the future is completely up in the air.

Dead End in Norvelt Jack Gantos,2013-06 In the historic town of Norvelt, Pennsylvania, twelve-year-old Jack Gantos spends the summer of 1962 grounded for various offenses until he is assigned to help an elderly neighbor with a most unusual chore involving the newly dead, molten wax, twist

Teen Talkback with Interactive Booktalks! Lucy Schall,2013-05-01 Covering the genres popular with today's teens—fiction and nonfiction, including poetry and graphic novels—this resource provides 110 great book choices for young adult reading, interactive booktalks, and individual writing activities. All educators and library professionals need practical resources with easily accessible information and activities that can be immediately applied. Teen Talkback with Interactive

Booktalks! is such a resource, supplying ready-to-use, interactive booktalks and curriculum connections for more than 100 recently published young adult books. This unique book is an invaluable tool for motivating teens to read. It shows how to make booktalks interactive and get teens participating in the presentation, rather than passively listening. Book selections include titles published from 2008 to 2012 organized in seven categories: Issues, Contemporary, Adventure/Survival, Mystery/Suspense, Fantasy, Heritage, and Multiple Cultures. Complete bibliographical information for each selection is included along with a literary classification as well as an age/grade level and gender designation. The read-alouds passages include talkback questions to facilitate discussion, and related works are supplied as suggestions for additional reading choices.

Beyond the Classroom Nanci Werner-Burke, 2014-09-19 Go beyond the walls of your classroom to build literacy and achievement. In this insightful book, you'll discover how you can better meet the rigorous goals of the Common Core by opening new lines of communication with colleagues, parents, and students. Each chapter centers around an action project that was designed to help teachers improve literacy by moving beyond the typical class lessons and worksheets. The projects include... A book club for families of kindergarten and first grade students, to help students build foundational literacy skills A book club designed to engage middle school students with young adult literature using digital forums Write with your child evenings to help parents connect with their middle school children An instructional team's challenge to use a range of mentor texts in their classrooms And much more! As you read each project, you'll come away with ideas and inspiration that you can apply to your own teaching. By challenging yourself to connect with parents and colleagues on a deeper level, you will be better able to align your work, adjust for your students, and achieve your teaching goals.

Reading Children's Literature: A Critical Introduction - Second Edition Carrie Hintz, Eric L. Tribunella, 2019-03-28 Reading Children's Literature offers insights into the major discussions and debates currently animating the field of children's literature. Informed by recent scholarship and interest in cultural studies and critical theory, it is a compact core text that introduces students to the historical contexts, genres, and issues of children's literature. A beautifully designed and illustrated supplement to individual literary works assigned, it also provides apparatus that makes it a complete resource for working with children's literature during and after the course. The second edition includes a new chapter on children's literature and popular culture (including film, television, and merchandising) and has been updated throughout to reflect recent scholarship and new offerings in children's media.

School Library Management Gail K. Dickinson, Judi Repman, 2015-01-26 This book compiles selected articles from Library Media Connection to help school librarians and pre-service librarians learn about how to implement best practices for school library management. At a time when budget cuts threaten the role of the school librarian, dynamic learning experiences can resurrect the usefulness of the library and the role of its staff. The seventh edition of this popular book helps librarians develop engaging school library programs for greater student involvement. Comprised of important articles from Library Media Connection (LMC), *School Library Management: Seventh Edition* is a compilation of best practices in the field of school library management. An excellent textbook for professors teaching LIS courses, the book contains updates to standards and technologies, and features the latest initiatives guiding practices, including Standards for the 21st Century Learner and Empowering Learners: Guidelines for School Library Programs. Each of the book's five sections features helpful tips from LMC and lists relevant resources for school library management. Selected articles address standards, inquiry, ethics, and information literacy. The book also includes a focus on the role of the school librarian in designing authentic assessments.

Hole in My Life Jack Gantos,2002-03-26 Becoming a writer the hard way In the summer of 1971, Jack Gantos was an aspiring writer looking for adventure, cash for college tuition, and a way out of a dead-end job. For ten thousand dollars, he recklessly agreed to help sail a sixty-foot yacht loaded with a ton of hashish from the Virgin Islands to New York City, where he and his partners sold the drug until federal agents caught up with them. For his part in the conspiracy, Gantos was sentenced to serve up to six years in prison. In *Hole in My Life*, this prizewinning author of over thirty books for young people confronts the period of struggle and confinement that marked the end of his own youth. On the surface, the narrative tumbles from one crazed moment to the next as Gantos pieces together the story of his restless final year of high school, his short-lived career as a criminal, and his time in prison. But running just beneath the action is the story of how Gantos – once he was locked up in a small, yellow-walled cell – moved from wanting to be a writer to writing, and how dedicating himself more fully to the thing he most wanted to do helped him endure and ultimately overcome the worst experience of his life. This title has Common Core connections. *Hole in My Life* is a 2003 Bank Street - Best Children's Book of the Year.
