Discipline Strategy Timothy Coomer,2020-01-07 Change begins with a decision. To move beyond that decision to positive life change requires discipline. In *Discipline Strategy*, Dr. Coomer translates the word DISCIPLINE into an acronym for a ten-step life change process. Don't be uncertain or confused for another day. You can become the hero of your own life's story. The DISCIPLINE STRATEGY® approach works for both business and personal challenges and will guide you from the point of decision to accomplishment. Dr. Coomer is a serial entrepreneur and personality researcher with a deep understanding of how personality impacts performance. To enhance your ability to implement the DISCIPLINE STRATEGY® process, this book includes a free comprehensive personality assessment. Many of today's self-help books offer a prescription for change but fail to provide an answer to your specific challenges. A better approach is to learn a process that supports genuine change and allows you to become your own customized expert. In this way, you'll learn to:

- [DECIDE] Make sound decisions.
- [INVESTIGATE] Investigate relevant topics.
- [SORT] Sort through information with a critical eye.
- [CONCEIVE] Conceive a detailed plan.
- [IMPLEMENT] Implement the plan.
- [PERSEVERE] Move forward with passion and perseverance.
- [LOOP] Use a feedback loop to evaluate your progress and make adjustments where needed.
- [INTENSIFY] Intensify your efforts where appropriate.
- [NOTICE] Take notice of what you have accomplished.
- [ENJOY] Enjoy the fruits of your labors using the positive psychology concept of PERMA.

This is your roadmap for change, the ultimate guide to making a great decision, becoming your own guru, and accomplishing your goal.

Blow the Cap off your Capability Yomi Akinpelu, 2020-01-07 You are designed for success. How can you achieve this success? The answer is straightforward: success comes as a result of few, simple, well-designed habits practised and repeated every day. So why doesn't everybody just do it? The answer is obvious, yet profound, according to John Rohn: it is because the things that are easy to do are also easy not to do. Does this book have the answers to all your life challenges? No! What this book will do is provoke you to think deeper and spur you to immediate, intelligent action. The message in this book is simple: be careful not to neglect doing the small things in your life that make the big things happen. Nothing will change unless you change. *Blow the Cap off your Capability* is a success and motivational toolbox with practical ideas and wisdom to help change your mindset and motivate you to prompt action so you can achieve your goals and live your best life beginning from right now. The chapters in this book are arranged in alphabetical order, covering a wide range of topics such as attitude, boundaries, comfort-zones, confidence, failure, integrity, leadership, procrastination, relationships and more. Some quotes from this book: Put your eggs in one basket and - watch that basket! (Andrew Carnegie) Success is not what you achieve, it's what you attract by the person you have become. (Jim Rohn) The secret to your success is found in your daily routine. (John Maxwell) The elevator to success is out of order, but the stairs is always open (Zig Ziglar) Jump, then grow wings on the way down. (Jack Canfield)
