*Marvin and the Man* Randall Croom, 2007-12-13 After being passed over for yet another promotion at The Company, Marvin comes to the sobering realization that his life is a failure. He watches others around him become happier and more successful while he continues to fail time and time again. Every time he feels like he's getting close to something better, he runs into insurmountable obstacles that could have only been put there by one person: The Man. A shadowy group called They is out to get him—he just knows it. Even worse, The Man is keeping him down and destroying his dreams. At a breaking point Marvin finally decides enough is enough. He's going to try to find The Man and stop his reign of terror once and for all. With his best friend, Herbert, Marvin sets out on the long journey to the Ivory Tower in hopes of finding The Man. The mysterious They seem to foil the pair at every turn, and the dangers the duo face on the road to the Ivory Tower are painfully real. Now Marvin stands to lose his job, his reputation, and perhaps even his life. He faces hard truths and difficult decisions in the dark days ahead. Against the all-powerful Man and his unlimited resources, does Marvin even stand a chance?

Invading the Heavens Kynan Bridges, 2018-08-14 Is a brick wall blocking your spiritual path? Is a barrier of fear, lack, sickness, or anxiety hindering your vision of heavenly possibilities? Then it's time to reach up and receive the power for a supernatural breakthrough so you can move forward into the blessings on the other side. *Invading the Heavens* describes miraculous, faith-building breakthroughs. In these powerful pages, Dr. Kynan Bridges will teach you how to invade the heavens for your breakthrough by responding to heavenly instruction just as Peter responded to Jesus's instruction with, "Because You have said it, I will do it." As you do, you will gain the confidence to: Believe you live under an open heaven. Press into the promises of God. Avoid the roadblocks of the devil. Embrace the "breaker" anointing. Do the impossible with faith in God's possible. Don't stay stymied for a minute longer. It is God's will for you to receive what He has promised you. Break through to the life you've been waiting for!

Where Everybody Looks Like Me Ron Stodghill, 2024-05-21 A richly reported account of the forces threatening America's historic black colleges and universities—and how diverse leaders nationwide are struggling to keep these institutions and black culture alive for future generations. American education is under siege, and few parts of the system are more threatened than black colleges and universities. Once hailed as national treasures, historically black colleges and universities (HBCUs) such as Spelman College, Morehouse College, and Howard University—the backbone of the nation's black middle class which have produced legends including Dr. Martin Luther King, Jr., Thurgood Marshall, and Oprah Winfrey—are in a fight for survival. The threats are numerous: Republican state legislators are determined to merge, consolidate, or shut down historically black colleges and universities; Ivy League institutions are poaching the best black high school students; President Obama's push for heightened performance standards, and cuts in loan funding from the U.S. Department of Education. In this tightly woven narrative full of intriguing characters, *Where Everybody Looks Like Me* chronicles this near breaking point for black colleges. Award-winning journalist Ron Stodghill offers a rare behind-closed-doors look into the private world of the boards of directors, the black intelligentsia, the leaders of business, law, politics, culture, and sports, and other influential figures involved in the debate and battle to save these institutions. Told from the perspective of a family, *Where Everybody Looks Like Me* shows their struggle to secure the best education for their child. *Where Everybody Looks Like Me* is a tale of vision and vanity—of boardroom backbiting, financial chicanery, idealism and passion. Here are administrators, celebrities, alumni, and others whose lives are intricately tied to these institutions and their fate—whether they will remain strong and vital, or become a revered part of our cultural past.
