**Other Side** Gene Olsen, 2013-09 Inside the old dark tower, the gray-hooded men kept up the ancient chant. Hour after hour they have been repeating the same five words: Stone, draw the stranger in. the stress of maintaining the required intensive concentration filled them with mind-numbing pain. But they could feel something, someone, a lone male, walking

straight toward the ancient circle of stone. Feeling the presence, they raised the volume and speed of the chant. Any moment now and the prey would be inside the tall stone-ringed pit. They looked down in anticipation; this was their reward. They were gray men of great power; dark men in dark robes, the brotherhood of the Gray wizards.

200 Themes for Devising Theatre with 11-18 Year Olds Jason Hanlan, 2024-02-22 Shortlisted for Outstanding Drama Education Resource at the 2025 Music & Drama Education Awards A unique resource for drama teachers providing 200 stimuli and age-appropriate individual topics within those to help inspire and guide young people in devising performance. It contains useful information on devising techniques, workshops, schemes and lesson ideas for introducing devising and guidance on how to analyse the work and give feedback. Following on from his successful book 200 Plays for GCSE and A-Level Performance, author Jason Hanlan has once again solved one of drama teachers' most frequently encountered problems: how to unlock the best devised performance with their students. Devising as a group requires a level of collaboration, which - without a strong framework - often descends into wild flights of fancy and a myriad of dead ends. Excellent ideas can be lost or diluted in an often-awkward attempt to tie it all together to fit a narrative. The main body of this book is a unique numbered listing of 200 stimuli, designed to both inspire and focus the mind, with an example of a possible topic and 'ways in' that would be suitable for each level: Civil rights Each stimuli is given its own page dedicated to exploring its possibilities as a piece of devised theatre for different age groups, and offering suggestions for plays, films and books to look at; artefacts and images to examine; ideas to consider; and further research you can draw on.

Richards, comes a pulse-pounding YA thriller about a girl who goes on a mysterious scavenger hunt, only to discover that someone knows her worst secret...and is out for blood. I know seven dirty secrets: One caused the fall. One did nothing. One saw it all. One didn't care. One used their head. One played the hero. One was left for dead. And as Cleo and Hope embark on the hunt, the seemingly random locations and clues begin to feel familiar. In fact, all of the clues seem to be about Cleo's dead boyfriend, Declan, who drowned on a group rafting trip exactly a year ago. A bracelet she bought him. A song he loved. A photo of the rafting group, taken just before Declan drowned. And then the phone calls start, Declan's voice taunting Cleo with a cryptic question: You ready? As the clock on the scavenger hunt ticks down, it becomes clear that someone knows what really happened to Declan. And that person will stop at nothing to make sure Cleo and her friends pay.
