**How to Survive Your Murder** Danielle Valentine, 2022-08-30 *Scream meets Happy Death Day* in this terrifying young adult horror novel from New York Times bestselling scream queen Danielle Valentine. This terrifying book reads like a horror movie. No, wait. It has the suspense and shocks and screams of TEN horror movies in one. Great nasty fun! —R.L. Stine, author of *Goosebumps* and *Fear Street* Alice Lawrence is the sole witness in her sister's murder trial. And in the year since Claire's death, Alice's life has completely fallen apart. Her parents have gotten divorced, she's moved into an apartment that smells like bologna, and she is being forced to face her sister's killer and a courtroom full of people who doubt what she saw in the corn maze a year prior. Claire was an all-American girl, beautiful and bubbly, and a theater star. Alice was a nerd who dreamed of becoming a forensic pathologist and would rather stay at home to watch her favorite horror movies than party. Despite their differences, they were bonded by sisterhood and were each other's best friends. Until Claire was taken away from her. On the first day of the murder trial, as Alice prepares to give her testimony, she is knocked out by a Sidney Prescott look-alike in the courthouse bathroom. When she wakes up, it is Halloween night a year earlier, the same day Claire was murdered. Alice has until midnight to save her sister and find the real killer before he claims another victim.

But Reagan believes in her mother’s innocence and is determined to clear her name. *How to Survive Your Mother* Jonathan Maitland,2007 What does it feel like to find out things about your mother that you weren't supposed to know? In 2004, a chance encounter set investigative reporter Jonathan Maitland on the trail of a shocking scandal involving his own parents. Having spent his TV career hunting down rogues and conmen on behalf of the British public, it never occurred to him that the story of his own mother could be the most gripping - and disturbing - of them all. As he attempts to uncover the truth about what happened back in the 1960s, Maitland peels back the layers of his extraordinary childhood to reveal the astonishing history of his larger-than-life mother: her tempestuous marriages, her love affairs, her public suicide attempts and her outrageous money-making schemes. Entertaining, humorous, disturbing and revelatory, this movingly honest memoir will appeal to anyone who has ever had issues with their parents.
