**Stephanie Lacava**

*I Fear My Pain Interests You* Stephanie LaCava, 2022-09-27 A punky, raw novel of millennial disaffection, trauma and 1960s cinema Margot is the child of renowned musicians and the product of a particularly punky upbringing. Burnt-out from the burden of expectation and the bad end of the worst relationship yet, she leaves New York and heads to the Pacific Northwest. She's seeking to escape both the eyes of the world and the echoing voice of that last bad man. But a chance encounter with a dubious doctor in a graveyard, and the discovery of a dozen old film reels, opens the door to a study of both the peculiarities of her body and the absurdities of her famous family. A literary take on cinema du corps, Stephanie LaCava's new novel is an audaciously sexy and moving exploration of culture and connections, bodies and breakdowns.

*Nymph* Stephanie LaCava, 2025-10-14 Not yet thirty, Bathory has assembled a peculiar rsum: model, sex worker, linguist, Latin scholar, and assassin. The last of these has been the family trade for generations. Growing up, Bathory, her mother, and her father made an isolated, strange, and loving - if very unusual - family unit. Her lonely childhood games mimicked spycraft and wet-work, while her parents watched and shared their arcane theories about love and death. As a student in New York, her life changes on accepting a job at a dilapidated card shop in Manhattan. This is a front for an agency that

allows her to put her inherited skills to use while pursuing romance in the city. However, steering clear of attachment is as dangerous as anything else she does and means sidestepping a certain alluring figure from her father's past. She is equally intent on dying young, a less difficult proposition given her heritage, the company she keeps - call girls, conflicted cops, trustfund hoodlums - and the people pursuing her. Will Bathory escape both fate and family, or does satisfaction and salvation lie only in their embrace?
