In Five Years Rebecca Serle, 2020-03-10 A NEW YORK TIMES BESTSELLER A Good Morning America, FabFitFun, and Marie Claire Book Club Pick “In Five Years is as clever as it is moving, the rare read-in-one-sitting novel you won’t forget.” —Chloe Benjamin, New York Times bestselling author of *The Immortalists* Perfect for fans of *Me Before You* and *One Day*—a striking, powerful, and moving love story following an ambitious lawyer who experiences an astonishing vision that could change her life forever. Where do you see yourself in five years? Dannie Kohan lives her life by the numbers. She is nothing like her lifelong best friend—the wild, whimsical, believes-in-fate Bella. Her meticulous planning seems to have paid off after she nails the most important job interview of her career and accepts her boyfriend’s marriage proposal in one fell swoop, falling asleep completely content. But when she awakens, she’s suddenly in a different apartment, with a different ring on her finger, and beside a very different man. Dannie spends one hour exactly five years in the future before she wakes again in her own home on the brink of midnight—but it is one hour she cannot shake. *In Five Years* is an unforgettable love story, but it is not the one you’re expecting.

Rebecca Serle Boxed Set Rebecca Serle, 2025-10-28 In the Rebecca Serle Collection, take a trip to New York City in *In Five Years*, Positano in *One Italian Summer*, and Los Angeles in *Expiration Dates*, featuring three beloved novels from the New York Times bestselling author. *BONUS CONTENT: Rebecca Serle’s exclusive itineraries for the best spots to visit in NYC, Positano, and LA, as seen in her novels* In the modern classic *In Five Years*, “the rare read-in-one-sitting novel you won’t forget” (Chloe Benjamin, New York Times bestselling author) Dannie, an ambitious lawyer, has just nailed the most important job interview of her career and accepted her boyfriend’s marriage proposal. But that night she wakes up in a different apartment with a different man—five years in the future. When she returns to her present, one hour later, Dannie must consider how the future she saw is different from the one she is planning—and whether what she thinks she wants is

really what she needs. In this “magical trip worth taking” (Associated Press), *One Italian Summer* follows Katy on a solo adventure to Positano, where her recently deceased mother Carol spent the summer right before she met the love of her life. While on the trip to grieve her mother (and best friend and first phone call)...Carol suddenly appears—healthy, sun-tanned, and thirty years old. As Katy and Carol explore Positano together, Katy will be forced to reconcile the mother who knew everything with the young woman she’s just met. In *Expiration Dates*, “a passionate story about love and trust” (People), every time Daphne meets a new man, she receives a slip of paper with his name and a number on it—the exact amount of time they will be together. But when she receives a blank piece of paper on the eve of a blind date, she embarks on a relationship that has her doubting the paper’s prediction and wrestling with what it means to both trust fate, and follow your heart.

When You Were Mine Rebecca Serle, 2022-10-18 Seniors Rosaline Caplet and Rob Monteg, neighbors and best friends, have finally become a couple at their Southern California high school, but when Rosie's estranged cousin Juliet moves back into town and pursues Rob in an unstable, needy, and vindictive manner, Rosie starts to worry not just about Rob's emotions, but about his very life.

Summary of In Five Years SellWave Audio, 2025-11-13 *In Five Years* is a captivating and emotionally charged love story

that explores fate, choice, and the unpredictability of life. Dannie Kohan, a highly ambitious and organized lawyer, lives life according to meticulous plans and measurable goals. Her worldview is structured and predictable, starkly contrasting with her best friend Bella, whose whimsical approach to life embraces spontaneity and chance. Dannie believes she has it all figured out—her dream job secured, her relationship on track, and her future seemingly set. Then, in a moment that defies explanation, Dannie experiences a vision of her life exactly five years into the future. She awakens in an unfamiliar apartment, with a different engagement ring, and next to a man she does not recognize. This brief glimpse—just one hour—throws her carefully curated life into disarray, forcing her to confront questions about love, destiny, and what truly matters. As Dannie navigates the tension between the life she's planned and the life she has seen, she is challenged to examine her deepest desires, the choices she's made, and the relationships she may have overlooked. The story deftly balances romance with introspection, creating a narrative that is both heartfelt and suspenseful. Readers are drawn into Dannie's journey of discovery, feeling the intensity of her emotions as she grapples with love, loyalty, and the possibility that the life she envisions may not align with the life she is meant to live. *In Five Years* is not a conventional love story—it is a poignant meditation on timing, serendipity, and the fragile unpredictability of life. It reminds us that love, career, and destiny are often interwoven in ways we cannot anticipate, and that sometimes the most extraordinary truths are revealed in a single, transformative hour.

Expiration Dates Rebecca Serle, 2025-02-04 Daphne Bell believes the universe has a plan in store for her. Ever since she was young, whenever she met a new guy, Daphne would find a slip of paper with exactly how long they'd spend together—4 months, two weeks, one night. That's how she met her ex-boyfriend and current best friend, Hugo, the only person in

Daphne's life who knows of her secret. Followed by a string of men and countless dates, Daphne resigned herself to the fact that she was never meant to find the one, to be in love, until one night when she receives a paper on her way to a blind date, except this time, the paper is blank. Jake is everything you want in a guy--kind, hard-working, and perfectly handsome. But as they get to know each other and their relationship becomes increasingly more serious, Daphne wonders if this is the right path for her, and worries about the secrets she's hiding from Jake. When part of Daphne's past becomes a part of her present, she is forced to confront everything she's been hiding from the those she loves most and must make a pivotal decision to choose whether to live her life according to others, or herself. This story is about being single and searching for love, but it's also a story about destiny and what people mean to us.--

The Edge of Falling Rebecca Serle, 2014-03-18 From the New York Times bestselling author of *In Five Years* comes a dark and seductive novel about the dangers of obsessive love. Caggie never wanted to be a hero, but some things are decided for us. Growing up among Manhattan's social elite, Caggie always had everything she could want, including a storied last name. But after saving a girl from the brink of suicide, Caggie becomes infamous, and now all she wants is to be left alone. After all, she's still reeling from the death of her younger sister last January, the subsequent destruction of her relationship with her high school boyfriend, Trevor, and the way in which her family has since fallen apart. So when mysterious Astor appears on the Upper East Side, he just might be the rescue she needs. But what is he hiding? As life as she knew it begins to unravel, Caggie realizes Astor's past may be as dark as her own. And in a world in which she's been branded a hero, Caggie will soon discover that no one can save you...not until you save yourself.

One Italian Summer Rebecca Serle, 2022-03-01 INSTANT NEW YORK TIMES BESTSELLER In this "magical trip worth taking" (Associated Press), the New York Times bestselling author of *In Five Years* returns with a powerful novel about the transformational love between mothers and daughters set on the breathtaking Amalfi Coast. When Katy's mother dies, she is left reeling. Carol wasn't just Katy's mom, but her best friend and first phone call. She had all the answers and now, when Katy needs her the most, she is gone. To make matters worse, their planned mother-daughter trip of a lifetime looms: to Positano, the magical town where Carol spent the summer right before she met Katy's father. Katy has been waiting years for Carol to take her, and now she is faced with embarking on the adventure alone. But as soon as she steps foot on the Amalfi Coast, Katy begins to feel her mother's spirit. Buoyed by the stunning waters, beautiful cliffsides, delightful residents, and, of course, delectable food, Katy feels herself coming back to life. And then Carol appears—in the flesh, healthy, sun-tanned, and thirty years old. Katy doesn't understand what is happening, or how—all she can focus on is that she has somehow, impossibly, gotten her mother back. Over the course of one Italian summer, Katy gets to know Carol, not as her mother, but as the young woman before her. She is not exactly who Katy imagined she might be, however, and soon Katy must reconcile the mother who knew everything with the young woman who does not yet have a clue. "Rebecca Serle is known for her

powerful stories that tug at the heartstrings—and her latest is just as unforgettable” (Woman’s World) as it effortlessly shows us how to move on after loss, and how the people we love never truly leave us.

As booksellers gather for the annual Winter Institute convention, where they get to meet the season’s big authors and hope to cart home pre-publication review copies, Buzz Books 2020 presents passionate readers with some of the same insider’s look at 44 books on the way. [Note our previously standalone young adult edition is now folded in to this edition, along with adult fiction and nonfiction.] Our “digital convention” features such major authors as bestsellers Brit Bennett, Sue Monk Kidd, and David Nicholls, along with Veronica Roth, of *Divergent* fame, with her first adult novel. Other sure-to-be popular titles are by Amy Engel, Debra Jo Immergut, Anna Solomon, and Ellen Marie Wiseman. Buzz Books has had a particularly stellar track record with highlighting the most talented, exciting debut authors. A legal thriller by Erica Katz has already been optioned by Netflix, and novels by Naoise Dolan and Kate Reed Petty were sold at auction. Kawai Strong Washburn has literary bona fides, as does Raven Leilani, Benjamin Nugent, and Ilana Masad. Our nonfiction selections range from comedian Mike Birbiglia’s account of becoming a father to transgender activist and author Jennifer Finney Boylan’s *Good Boy: My Life In Seven Dogs*. Benjamin Taylor shares his friendship with Philip Roth in *Here We Are*. Finally, we present early looks at new work from four up-and-coming young adult authors: Laura Bates, Brandy Colbert, Kim Johnson, and Court Stevens. The Dinner List Rebecca Serle, 2019-03-07 From the bestselling author of *In Five Years* 'We've been waiting for an hour.'

That's what Audrey says. She states it with a little bit of an edge, her words just bordering on cursive. That's the thing I think first. Not, Audrey Hepburn is at my birthday dinner , but Audrey Hepburn is annoyed . What if your dream dinner party were to actually happen? For New Yorker Sabrina, fantasy becomes reality when she arrives at her thirtieth-birthday celebration to find not only her best friend but also her long-dead father, her admired philosophy professor, the love of her life - and silver-screen icon Audrey Hepburn. Unbelievable though this may seem, as the wine and conversation start to flow it becomes clear that these individuals have each played a crucial role in the course Sabrina's life has taken - and that they have come together at this moment in time for a reason... Follow Sabrina over one evening and ten years as she grapples with the definition of romance, the expectations of love - and how to navigate her way to happiness in this bittersweet romance for our times. 'wistful, delicious, romantic, magical' Gabrielle Zevin, New York Times bestselling author

Once and Again Rebecca Serle,2026-03-10 New York Times bestselling author Rebecca Serle, the author behind “heartbreaking, redemptive, and authentic” (Jamie Ford, New York Times bestselling author) modern classic In Five Years, returns with an unforgettable tale of a family of women with an astonishing gift: the ability to redo one moment in their lives. The women of the Novak family were each born with a gift: they can, just once, turn back time. Lauren has known since she was fifteen that her mother Marcella saved Lauren’s father from a deadly car accident. Dave is alive and happy, and out on the Malibu waves. But ever since, Marcella, her power spent, has lived in fear of what she won’t be able to reverse. Her own mother, Sylvia, is her polar opposite: a free-spirited iconoclast with a glamorous past she only hints at. Lauren has spent her life between these two role models—and waiting for her own catastrophe to strike. Then one summer, Lauren’s husband takes a job in New York and she moves back to Broad Beach Road, back into her childhood home on the shores of Malibu. Lauren looks forward to surfing with her dad again and perhaps repairing an unspoken fracture in her relationship with her mother. What she doesn’t expect is for the boy next to door to return home as well: Stone, Lauren’s first love, who broke her heart nearly a decade before. As Lauren falls into familiar patterns, with her family and, more dangerously, Stone, she finds herself thinking about all the choices, large and small, that have brought her to this moment. And wondering, finally, if one of them should be undone.
