**In the Key of Us** Mariama J. Lockington, 2022-04-26 STONEWALL HONOR BOOK ● From the author of the critically acclaimed novel *For Black Girls Like Me* and the Schneider Family Book Award Winner *Forever Is Now*, comes a coming-of-age story surrounding the losses that threaten to break us and the friendships that make us whole again. Thirteen-year-old Andi feels stranded after the loss of her mother, the artist who swept color onto Andi's blank canvas. When she is accepted to a music camp, Andi finds herself struggling to play her trumpet like she used to before her whole world changed. Meanwhile, Zora, a returning camper, is exhausted trying to please her parents, who are determined to make her a flute prodigy, even though she secretly has a dancer's heart. At Harmony Music Camp, Zora and Andi are the only two Black girls in a sea of mostly white faces. In kayaks and creaky cabins, the two begin to connect, unraveling their loss, insecurities, and hopes for the future. And as they struggle to figure out who they really are, they may just come to realize who they really need: each other. Mariama J. Lockington's *In the Key of Us* is a lyrical ode to music camp, the rush of first love, and the power of one life-changing summer.

**Just the Three of Us** Narciso S. Albarracin Jr. M.D., 2023-01-12 The book is about the author's childhood during World War 2, his pursuit of a medical vocation, establishing a career in America, raising a family, and facing the challenges of the enterprise of life made possible by, in addition to his beloved wife, a third partner. The book includes accounts of life in an empty nest, milestone celebrations, tribulations, and divine interventions called Godwinks. It is a response to the primal need for humans to leave an account of their presence in this planet.

**Songbird** Sarah Williams, They say music has the power to heal, but for me, it was also the cause of my heartache. Chase and I were inseparable once. Young, reckless dreamers with guitars in our hands and stars in our eyes. We were a song that the world couldn't silence, a duo destined for greatness. But then one night, everything changed. Our song was silenced, and our bond shattered into broken chords and empty promises. Now, years later, I'm back. Not by choice, but because my career as a country music singer is slipping through my fingers, and the only way to save it is to play a charity concert in the place where it all began. A chance to prove to the world, and myself, that I still belong in the spotlight. But returning home also means facing Chase, the boy who became a man I no longer recognize. Our past wounds still raw, and the scars we both hide threaten to tear us apart once again. The music we used to create together still lingers in my heart,

but is it enough to mend what was broken? Or have we strayed too far from our harmonious melody to ever find it again? This is my second chance, a chance to turn heartbreak into hope, to rewrite the song of our past and create a new melody for our future. But it will take courage, to face the music of our past and risk everything - love, legacy, and even my very soul. Will our love be strong enough to overcome the pain of our past?

**Broadway Sheet Music** Donald J. Stubblebine, 1995 Stubblebine, also the author of *Cinema Sheet Music* (1991), provides a comprehensive listing of the published songs from every composer in all Broadway shows, 1918 through 1993. Each of the 2,562 entries include the show's title, year the show opened, a listing of all songs in the production with composers and lyricists, and the show's leading players. The sheet music cover is also described, along with a one-line synopsis of the show. A limited number of shows that closed before reaching Broadway are also included. Indexed by song and by composer/lyricist. c. Book News Inc.

**True Stories From the Near South** J. McMillen, 2011-08-05 TRUE STORIES FROM THE NEAR SOUTH is a collection of short fiction set for the most part in the rural Mid-South. Some of the stories have more urban settings, but all take place in that long-ignored and little-understood area of America where the South meets the mountains. In time, they are set in the mid-twentieth century. They span the period from early industrialization to the invasion of modern American culture carried on the wings of television. Some are sad and some funny, but all tell of a people lost in the middle of American culture.
