Jerry McEwen

Meredith Willson - America's Music Man Bill Oates, 2005-08-15 Meredith Willson – America's Music Man is a loving, thorough and accurate examination of one of Broadway's great composers. It tells the story before, during and after The Music Man opened in 1957. The story of Willson's family, his life in Mason City, Iowa, and his eventual rise to the top of the music world forms the platform that led to four musicals and dozens of awards. Also included are Willson's activities scoring movies, directing orchestras on Old Time Radio, and even becoming a character on radio and television shows. This is the first in-depth look at the career of a real music man from north central Iowa.

The Big Parade Dominic McHugh, 2021 Though Meredith Willson is best remembered for The Music Man, there is a great deal more to his career as a composer and lyricist. In The Big Parade, author Dominic McHugh uses newly uncovered letters, manuscripts, and production files to reveal Willson's unusual combination of experiences in his pre-Broadway career that led him to compose The Music Man.

Amazing Iowa Michelle Murray, 2025-03-15 Whether you're a native, a recent resident, or just passing through, these stories of the weird, wild, and wonderful people and places of the great state of Iowa are waiting for you. Take a peek inside and you'll find people you've heard about in the news . . . as well as those you should have heard about. Learn about mobsters and artists (and why they loved to hide out here), musicians and authors (and why they seemed to flourish here), astronauts and inventors (and how they dreamed big), and athletes and coaches (and how they put Iowa in the spotlight). Of course, you'll discover the only remaining Frank Lloyd Wright-designed hotel in the world, Iowa's Hollywood and Broadway connections, and tantalizing foods that will make your mouth water. If that's not enough, check out the world record holder for hiccups; the woman whose daughter never had a Rice Krispie Treat, although her mom invented them; or some of the most haunted buildings and bridges in America, all found in this amazing state! Let Michelle Sprout Murray be your tour guide of her home state and prepare to be amazed!

"But He Doesn't Know the Territory" Meredith Willson, 2020-09-22 Chronicles the creation of Meredith Willson's The Music Man—reprinted now as the Broadway Edition Composer Meredith Willson described The Music Man as “an Iowan's attempt to pay tribute to his home state.” Now featuring a new foreword by noted singer and educator Michael Feinstein,

this book presents Willson's reflections on the ups and downs, surprises and disappointments, and finally successes of making one of America's most popular musicals. Willson's whimsical, personable writing style brings readers back in time with him to the 1950s to experience firsthand the exciting trials and tribulations of creating a Broadway masterpiece. Fresh admiration of the musical—and the man behind the music—is sure to result.
