

# Perdido Street Station By China Mieville

## China Mieville

*Perdido Street Station* China Miéville, 2003-07-29 WINNER OF THE AUGUST DERLETH AND ARTHUR C. CLARKE AWARDS • A masterpiece brimming with scientific splendor, magical intrigue, and fierce characters, from the author who “has reshaped modern fantasy” (The Washington Post) “[China Miéville’s] fantasy novels, including a trilogy set in and around the magical city-state of New Crobuzon, have the refreshing effect of making Middle-earth seem plodding and flat.”—The New York Times The metropolis of New Crobuzon sprawls at the center of the world. Humans and mutants and arcane races brood in the gloom beneath its chimneys, where the river is sluggish with unnatural effluent and foundries pound into the night. For a thousand years, the Parliament and its brutal militias have ruled over a vast economy of workers and artists, spies and soldiers, magicians, crooks, and junkies. Now a stranger has arrived, with a pocketful of gold and an impossible demand. And something unthinkable is released. The city is gripped by an alien terror. The fate of millions lies with a clutch of renegades. A reckoning is due at the city’s heart, in the vast edifice of brick and wood and steel under the vaults of Perdido Street Station. It is too late to escape.

Art and Idea in the Novels of China Miéville Carl Freedman, 2015-09-07 This book offers (in the first six chapters) critical readings of six novels by China Miéville, which are followed (in the seventh chapter) by a theoretical meditation on some of the conceptual issues raised by and engaged in the Miéville oeuvre. There comes a moment in *The City & the City*, though it is not necessarily the same moment for every reader, when you realise that Beszel and Ul Qoma are not separate realms but the same space divided. Likewise, art and idea are often subject to absurd partition, but then along comes an author such as China Miéville who shows them to be, in truth, indissoluble. So argues Freedman's inordinately readable and just as rigorous account of Miéville's major novels. Highly recommended. (Mark Bould, University of the West of England) Freedman offers a compelling interpretation of Miéville's novels informed equally by an impressive range of literary influences and a carefully documented exploration of historical antecedents. Seeing Miéville's genre hybridity as an illustration of the power of dialectical thinking, Freedman illuminates the complex utopian project of Miéville's fiction. Freedman is one of our finest critical voices on Miéville, one of the most important speculative writers of the 21st century. (Sherryl Vint, University of California, Riverside)

*Perdido Street Station* China Mieville, 2001-02 In the sprawling gothic city of New Crobuzon, a stranger has come to

request the services of Isaac, an overweight and slightly eccentric scientist. But it is an impossible request--that of flight--and in the end Isaac's attempts will only succeed in unleashing a dark force upon the city.

**China Miéville** Tony Venezia, Sherryl Vint, Raphael Zähringer, Dougal McNeill, Joe Sutliff Sanders, Paul March-Russell, Ben De Bruyn, Matthew Sangster, Anthony F. Lang, Jr., Mark P. Williams, Roger Luckhurst, 2015-12-01 The chapters in this collection respond to the range of interests that have shaped Miéville's fiction from his influential role in contemporary genre debates, to his ability to pose serious philosophical questions about state control, revolutionary struggle, regimes of apartheid, and the function of international law in a globalized world. This collection demonstrates how Miéville's fictions offer a striking example of contemporary literature's ability to imagine alternatives to neoliberal capitalism at a time of crisis for leftist ideas within the political realm.

Perdido Street Station China Miéville, 2014-03-10 Willkommen in der unmöglichen Stadt! Eine Stadt, eine Welt für sich, ein Moloch: Das ist New Crobuzon, bevölkert von Milliarden Menschen und Mutanten, unterjocht von einem strengen Regime und angefüllt mit den ungezählten Sehnsüchten, Ängsten, Problemen und Kämpfen seiner Bewohner. Als eines Tages ein seltsames Wesen den geheimen Laboren der Stadt entflieht, ahnt niemand, dass dies der Untergang New Crobuzons sein könnte. Auch Isaac Dan der Grimnebulin ahnt die Gefahr nicht, als er dem Wesen begegnet ...

Steaming Into a Victorian Future Julie Anne Taddeo, Cynthia J. Miller, 2013 This collection of essays explores the social and cultural aspects of steampunk, examining the various manifestations of this multi-faceted genre, in order to better understand the steampunk sub-culture and its effect on-and interrelationship with-popular culture and the wider society.

*Perdido Street Station* China Miéville, 2001-02-27 WINNER OF THE AUGUST DERLETH AND ARTHUR C. CLARKE AWARDS • A masterpiece brimming with scientific splendor, magical intrigue, and fierce characters, from the author who “has reshaped modern fantasy” (The Washington Post) “[China Miéville’s] fantasy novels, including a trilogy set in and around the magical city-state of New Crobuzon, have the refreshing effect of making Middle-earth seem plodding and flat.”—The New York Times The metropolis of New Crobuzon sprawls at the center of the world. Humans and mutants and arcane races brood in the gloom beneath its chimneys, where the river is sluggish with unnatural effluent and foundries pound into the night. For a thousand years, the Parliament and its brutal militias have ruled over a vast economy of workers and artists, spies and soldiers, magicians, crooks, and junkies. Now a stranger has arrived, with a pocketful of gold and an impossible demand. And something unthinkable is released. The city is gripped by an alien terror. The fate of millions lies with a clutch of renegades. A reckoning is due at the city’s heart, in the vast edifice of brick and wood and steel under the vaults of Perdido Street Station. It is too late to escape.

The Scar China Miéville, 2002-06-25 A mythmaker of the highest order, China Miéville has emblazoned the fantasy novel with fresh language, startling images, and stunning originality. Set in the same sprawling world of Miéville’s Arthur C. Clarke

Award-winning novel, *Perdido Street Station*, this latest epic introduces a whole new cast of intriguing characters and dazzling creations. Aboard a vast seafaring vessel, a band of prisoners and slaves, their bodies remade into grotesque biological oddities, is being transported to the fledgling colony of New Crobuzon. But the journey is not theirs alone. They are joined by a handful of travelers, each with a reason for fleeing the city. Among them is Bellis Coldwine, a renowned linguist whose services as an interpreter grant her passage—and escape from horrific punishment. For she is linked to Isaac Dan der Grimnebulin, the brilliant renegade scientist who has unwittingly unleashed a nightmare upon New Crobuzon. For Bellis, the plan is clear: live among the new frontiersmen of the colony until it is safe to return home. But when the ship is besieged by pirates on the Swollen Ocean, the senior officers are summarily executed. The surviving passengers are brought to Armada, a city constructed from the hulls of pirated ships, a floating, landless mass ruled by the bizarre duality called the Lovers. On Armada, everyone is given work, and even Remades live as equals to humans, Cactae, and Cray. Yet no one may ever leave. Lonely and embittered in her captivity, Bellis knows that to show dissent is a death sentence. Instead, she must furtively seek information about Armada's agenda. The answer lies in the dark, amorphous shapes that float undetected miles below the waters—terrifying entities with a singular, chilling mission. . . . China Miéville is a writer for a new era—and *The Scar* is a luminous, brilliantly imagined novel that is nothing short of spectacular. **BONUS:** This edition contains an excerpt from China Miéville's *Embassytown*.

*The New York Review of Science Fiction*, 2000

King Rat China Miéville, 2000-10-06 A London man is enrolled by the King of Rats to assassinate the Pied Piper of Hamelin who dethroned him. The man is Saul, whose rat mother joined humanity, making him immune to the piper's call. In his rat persona Saul eats garbage and climbs walls.

**Iron Council** China Miéville, 2004-07-27 Following *Perdido Street Station* and *The Scar*, acclaimed author China Miéville returns with his hugely anticipated *Del Rey* hardcover debut. With a fresh and fantastical band of characters, he carries us back to the decadent squalor of New Crobuzon—this time, decades later. It is a time of wars and revolutions, conflict and intrigue. New Crobuzon is being ripped apart from without and within. War with the shadowy city-state of Tesh and rioting on the streets at home are pushing the teeming city to the brink. A mysterious masked figure spurs strange rebellion, while treachery and violence incubate in unexpected places. In desperation, a small group of renegades escapes from the city and crosses strange and alien continents in the search for a lost hope. In the blood and violence of New Crobuzon's most dangerous hour, there are whispers. It is the time of the iron council. . . . The bold originality that broke Miéville out as a new force of the genre is here once more in *Iron Council*: the voluminous, lyrical novel that is destined to seal his reputation as perhaps the edgiest mythmaker of the day. **BONUS:** This edition contains an excerpt from China Miéville's *Embassytown*.

**Women in Science Fiction and Fantasy [2 Volumes]** Robin Anne Reid, 2008-12-30 Examines women's contributions to

science fiction and fantasy across a range of media and genres, such as fiction, nonfiction, film, television, art, comics, graphic novels, and music.--

**The Believer** ,2005

**The Scar: A Bas-Lag Novel 2** China Mieville,2002-05-01 From the author of Perdido Street Station, an epic and breathtaking fantasy of extraordinary imagination A colossal fantasy of incredible diversity and spellbinding imagination. A human cargo bound for servitude in exile... A pirate city hauled across the oceans... A hidden miracle about be revealed... These are the ingredients of an astonishing story. It is the story of a prisoner's journey. Of the search for the island of a forgotten people, for the most astonishing beast in the seas, and ultimately for a fabled place - a massive wound in reality, a source of unthinkable power and danger. PRAISE FOR CHINA MIEVILLE [Mieville's] wit dazzles, his humour is lively, and the pure vitality of his imagination is astonishing. Ursula K. Le Guin, *The Guardian* (on *Three Moments of an Explosion*) Dark and thought-provoking. *The San Diego Union-Tribune* (on *The City & The City*) Richly conceived. *The New York Times Book Review* (on *Embassytown*) Mieville more than delivers. *San Francisco Chronicle* (on *Kraken*) Compulsively readable. *The Washington Post Book World* (on *Perdido Street Station*)

*The Uses of Obsolescence* Joel Burges,2007

*The English Academy Review* ,2008

**Embassytown** China Miéville,2012-01-31 NEW YORK TIMES BESTSELLER In the far future, humans have colonized a distant planet, home to the enigmatic Ariekei, sentient beings famed for a language unique in the universe, one that only a few altered human ambassadors can speak. Avice Benner Cho, a human colonist, has returned to Embassytown after years of deep-space adventure. She cannot speak the Ariekei tongue, but she is an indelible part of it, having long ago been made a figure of speech, a living simile in their language. When distant political machinations deliver a new ambassador to Ariekei, the fragile equilibrium between humans and aliens is violently upset. Catastrophe looms, and Avice is torn between competing loyalties: to a husband she no longer loves, to a system she no longer trusts, and to her place in a language she cannot speak—but which speaks through her, whether she likes it or not.
