**Quotes: The Famous and Not so Famous** Terence M. Dorn Ph.D., 2021-11-24 The accumulation of the following quotes began when I served the Army chief of staff as a speechwriter and is a result of encouragement that my father provided to me every day of our lives together. This is a very small slice of the wisdom of the ages uttered by the more famous and not-so-famous people of their respective time periods. Much of that wisdom uttered decades and even hundreds of years ago are still as relevant today as they were when they were uttered. The times may change, but people don't.

Quotes from the Edge of Nowhere Gary Lewis LeRoy, MD,2020-12-03 Quotes from the Edge of Nowhere: The Art of Noticing Unnoticed Wisdom By: Gary Lewis LeRoy, MD. This book is about a twenty- to forty-year life journey. It recounts ten randomly selected personal quotes, saved in a cookie jar, and creates a life-learning narrative using the origin of the quote. Each story evolves by looking back at the signposts and hints of wisdom sprinkled along the author's life path. Many of these events whispered subtle quotes of wisdom to his conscience. It was up to the author to make sense of them or proceed on life's path, having missed an opportunity to obtain wisdom. All of us are on a similar journey cluttered with obstacles of the human condition. It is the author's desire that this little book of hope and inspiration will serve as a torchlight to illuminate the way on the reader's journey toward a more joyful life—one filled with knowledge, truth, and wisdom.

Many are attributed, with reference to particular works, while

others merely explain the meaning and sometimes the background. For example, a Carthaginian peace is a peace settlement that imposes very severe terms of the defeated side, and refers to the ultimate destruction of Carthage by Rome in the Punic Wars.
