**The First Family Detail** Ronald Kessler, 2014 As in a play, presidents, vice presidents, and presidential candidates perform on stage for the public and the media. What the nation's leaders are really like and what goes on behind the scenes remains hidden. Secret Service agents have a front row seat on their private lives and those of their wives and children. Crammed with new, headline-making revelations, *THE FIRST FAMILY DETAIL: Secret Service Agents Reveal the Hidden Lives of the Presidents* by Ronald Kessler tells that eye-opening, uncensored story. Since publication of his New York Times bestselling book *In the President's Secret Service*, award-winning investigative reporter Ronald Kessler has continued to penetrate the wall of secrecy that surrounds the U.S. Secret Service, breaking the story that Secret Service agents who were to protect President Obama hired prostitutes in Cartagena, Colombia and revealing that the Secret Service allowed a third uninvited guest to crash a White House state dinner. Now in this new book, Kessler presents far bigger and more consequential stories about our nation's leaders and the agency sworn to protect them. Kessler widens his scope to include presidential candidates and former presidents after they leave the White House. In particular, he focuses on first ladies and their children and their relationships with the presidents. From observing Vice President Joe Biden's reckless behavior that jeopardizes the country's safety, to escorting Bill Clinton's blond mistress at Chappaqua, to overhearing First Lady Michelle Obama's admonitions to the president, to witnessing President Nixon's friends bring him a nude stripper, to seeing their own agency take risks that could result in an assassination, Secret Service agents know a secret world that Ronald Kessler exposes in breathtaking detail. *THE FIRST FAMILY DETAIL* reveals: • Vice President Joe Biden regularly orders the Secret Service to keep his military aide with the nuclear football a mile behind his motorcade, potentially leaving the country unable

to retaliate in the event of a nuclear attack. · Secret Service agents discovered that former president Bill Clinton has a blond mistress who lives near the Clintons' home in Chappaqua, New York. Within minutes of Hillary Clinton's leaving, the woman—codenamed Energizer by agents—shows up to be with Bill and stays every day while the likely future presidential candidate is away. · The Secret Service covered up the fact that President Ronald Reagan's White House staff overruled the Secret Service to let unscreened spectators get close to Reagan as he left the Washington Hilton, allowing John W. Hinckley Jr. to shoot the president. · Secret Service agents have been dismayed to overhear Michelle Obama push her husband to be more aggressive in attacking Republicans and to side with blacks in racial controversies. · Secret Service Director Mark Sullivan diverted agents from protecting President Obama and his family at the White House and ordered them instead to protect his assistant at her home and illegally retrieve confidential law enforcement records as a favor to her. · Because Hillary Clinton is so nasty to agents, being assigned to her protective detail is considered a form of punishment and the worst assignment in the Secret Service. · Secret Service agents were ordered to ignore security rules and allow the SUV carrying actor Bradley Cooper to drive unscreened into a secure restricted area when President Obama was about to deliver his speech at the White House Correspondents Dinner. · Vice President Joe Biden has racked up costs to taxpayers of a million dollars to fly to and from his home in Delaware on Air Force Two. His office tried to cover up the costs of the personal trips. · Because the Secret Service refused to provide enough magnetometers at his campaign events, Mitt Romney regularly left himself open to assassination by giving speeches to crowds that had not been screened. · Vice President Joe Biden swims nude at the vice president's residence in Washington and at his home in Delaware, offending female Secret Service agents.

*Secret Lives of First Ladies* Cormac O'Brien,2005-06-02 From the author of our popular Secret Lives of the U.S Presidents comes another rambunctious look at White House history--and this time, women are in the spotlight. Secret lives of the First Ladies features outrageous and uncensored profiles of all the presidents' wives. You'll discover that Dolley Madison loved to chew tobacco, Mary Todd Lincoln was committed to an asylum, and Mamie Eisenhower never missed an episode of As the World Turns. You'll also learn why Hillary Clinton went to work for Wal-Mart (long before she started campaigning for a higher minimum wage). Complete with biographics of every first lady, Secret Lives of the First ladies tackles tough questions that other history books are afraid to ask: How many of these women owned slaves? Which ones were cheating on their husbands? And why did Eleanor Roosevelt serve hot dogs to the King and Queen of England? American history was never this much fun!

**The Secret Lives of Citizens** Thomas Geoghegan, 1998 Annotation Thomas Geoghegan has a gift for storytelling and a voice that conveys both humor and passion while illuminating the subject at hand. With his previous book (Which Side Are You On?, a finalist for the National Book Critics Circle Award) and his essays and commentary, he has become one of our most important political observers. Now, at a time when the cynicism about our government's value is a topic of heated discussion, Geoghegan vividly redefines the terms of the debate. Combining memoir and trenchant observation, he uses his own life to explore what it means to be a national civil servant and a local citizen. As the Federal government yields power to the states, and as the weakness of our central government keeps us from knowing what we can expect of it, it is important to understand what kind of civic life we must lead in order to secure the promise of a better life. Enormously engaging and revealing, *The Secret Lives of Citizens* is certain to become one of the most widely read and discussed books of the season.
