*Speaking Truth to Power* Matthew Bailey, 2023-08-31 Emerging from a richly diverse oral narrative tradition, the heroic tale of the young Cid appears in multiple textual manifestations. From its first appearance circa 1300, the dynamic narrative of the legendary deeds of this young Castilian warrior eclipses the uninspired, matter-of-fact narration of the reign of Fernando I into which it is incorporated. In its analysis of the *Mocedades de Rodrigo*, the epic poem of Cid's youth, *Speaking Truth to Power* identifies the narrative cohesion and the aesthetic principles that elevated the story of the young Cid to its place of prominence among the epic narratives of medieval Spain. Examining the evolution of the narrative through various textual versions, Matthew Bailey highlights the permutations that propelled the young Cid's unparalleled popularity. The book traces this vibrant narrative tradition from its earliest manifestation in the aftermath of Charlemagne's imperial mission in Spain to the early modern drama of Guillén de Castro. It convincingly discerns the leadership qualities and the social impact of its legendary protagonists, from their manifestation in the Latin chronicles of early Iberia through the Renaissance, incorporating a wealth of previous scholarship in its innovative findings. *Speaking Truth to Power* provides readers with a heightened appreciation for the vibrancy of the poetic tradition that lives beyond the texts we study, the oral narratives that are continually refashioned for new audiences and contexts.

*Speak Truth to Power* Mignette Y. Patrick Dorsey, 2010-08-04 There are few essential volumes on life as lived in Alabama in this period written by African Americans. One longs for word from this silent realm and therefore cheers this offering from Ms. Dorsey ... The author has answered for the reader how Charles Patrick came to take such a heroic stance to challenge the abuse of Birmingham police.--Cleophus Thomas Jr., Attorney at Law, Trustee Emeritus of The University of Alabama -- Book Jacket.

*Black Children of Incarcerated Parents Speak Truth to Power* Britany Jenine Gatewood, Bahiyyah Miallah Muhammad, Sydni Myat Turner, 2023-11-16 This book centers directly impacted Black children who have lived through parental incarceration. Their stories are told from holistic perspectives incorporating the full range of collateral consequences. Shifting from the Eurocentric and capitalistic viewpoint, they move us beyond negative outcomes to a positive prism by providing insider perspective, strategy, advice, and compelling experiences. We center Black children of incarcerated parents' (BCOIP's) rich narratives to show how they are conscious thinkers with perspectives that can help

reimagine all Black children's lives and futures. These stories help readers better understand the importance of exploring the revolutionary ways BCOIP continue to survive, thrive, and transform amid the dynamic challenges surrounding mass incarceration. The book shifts the social dialogue from fear of intergenerational crime and incarceration to resilience, success, Black joy, and self-love, and moves from sympathetic into an empathetic agenda. The book brings to the forefront counter-storytelling through oral narratives that fill a gap in literature that leaves out the voices of children of incarcerated parents who are doctors, lawyers, professional athletes, musicians, community leaders, activists, professors, teachers, bestselling authors, and much more. These are vital experiences to share because not all BCOIP will end up in prison, jail, or a detention center. *Black Children of Incarcerated Parents Speak Truth to Power* will be of great interest to scholars from the humanistic social sciences and humanities. It is also a timely resource for students (high school, undergraduate, and graduate) in sociology, criminology, corrections, humanities, social work, counseling, education, social justice, and related courses, as well as agency administrators, community organizations servicing families of the incarcerated, specifically incarcerated parents and the children of incarcerated parents, themselves.

**Speaking Truth to Power** Anita Hill, 1998-10-20 Twenty-six years before the #metoo movement, Anita Hill sparked a national conversation about sexual harassment in the workplace. After her astonishing testimony in the Clarence Thomas hearings, Anita Hill ceased to be a private citizen and became a public figure at the white-hot center of an intense national debate on how men and women relate to each other in the workplace. That debate led to ground-breaking court decisions and major shifts in corporate policies that have had a profound effect on our lives--and on Anita Hill's life. Now, with remarkable insight and total candor, Anita Hill reflects on events before, during, and after the hearings, offering for the first time a complete account that sheds startling new light on this watershed event. Only after reading her moving recollection of her childhood on her family's Oklahoma farm can we fully appreciate the values that enabled her to withstand the harsh scrutiny she endured during the hearings and for years afterward. Only after reading her detailed narrative of the Senate Judiciary proceedings do we reach a new understanding of how Washington--and the media--rush to judgment. And only after discovering the personal toll of this wrenching ordeal, and how Hill copes, do we gain new respect for this extraordinary woman. Here is a vitally important work that allows us to understand why Anita Hill did what she did, and thereby brings resolution to one of the most controversial episodes in our nation's history.

**Speaking Truth to Power** Laurence Simmons, 2007 This is a book about a contentious subject, intellectual life in today's New Zealand. It is organised around the interviews with leading intellectuals such as Jane Kelsey, Brian Easton, Marilyn Waring, Nicky Hager, Sandra Coney, Ranginui Walker, Ian Wedde, Lloyd Geering and the late Michael King, and is introduced by reflective essays by Roger Horrocks, Andrew Sharpe, Stephen Turner and editor Laurence Simmons. What is very clear is that however much ideas and thinking are the subject of public scorn, these people have a huge impact on the

sort of country we live in and the way we treat each other. In their commitment to understanding and improving the social world they have faced hostility, incomprehension and rejection but their lives are rich, complex and dramatic as this book shows. It will annoy, excite, inspire and anger but it will also open up debate and invigorate discussion; it offers a vivid picture of how important our intellectuals are and how much we owe them.

**'Speaking Truth to Power'** Manu Belur Bhagavan,Eleanor Zelliot,Anne Feldhaus,2008 Seeking to recover histories and voices of 'those from below', this volume and its companion explore various issues raised by the lived realities of Dalits, a term deployed here broadly to encompass the specifics of the caste community while simultaneously pointing to solidarities with other marginalized groups. Together the two volumes examine areas like social hierarchy and reform, the role of religion, the idea of resistance, the functionality of the continued use of the term 'Dalit', and the scope of current and future Dalit literature. This volume focuses on the role of religion - encompassing beliefs, ethics, ritual, devotional literature, folk culture, popular narratives, and artistic expression - and its role in the construction and deconstruction of caste and power in India. In this context, it also examines the hierarchy of gender, in three different religious traditions (Hindu, Muslim, and Catholic Christian) and regions (Bengal, urban north India, and Tamil Nadu) in modern times. The book highlights the role of Buddhism in the social and political life of Dalits, focusing on readings of early Pali texts, conversions to Buddhism in modern times, and Buddhist artistic expression. It also critically investigates such areas as popular imagery of B. R. Ambedkar and mystical devotionalism. These books will interest scholars and students of Dalit and Third World studies, history, sociology, anthropology, and literature, as well as those concerned with the politics and histories of the dispossessed. The volumes will be especially useful for activists, policymakers, and civil society organizations and to all those working towards social upliftment and justice.--BOOK JACKET.
